An engineer from WABJ made recordings of the Baptist church choir during rehearsal last evening . . . When the records were played back, the singers could hear how they sound over the air . . . Some changed positions so that the voices would blend better in the future.

Come to the County Fair—as a popular vocalist would say—because it will be a lot of fun for young and old . . . Be sure to visit the Band Parents Club booth for they'll have lots to eat and drink.

a proposed $9,000,000 hike in social benefits. Industry and business, as represented by corporations, would thus foot the bill to avert a deficit and to help finance a better life for low-income workers.

Governor Williams insists that the tax on profits "would actually amount to a reduction" for many corporations. "Except for a few gigantic corporations of $20 millions or more net worth, a corporation would have to make 6¾ per cent income on net worth, to pay as much under this proposal as it now pays under the present franchise tax." In other words, big city corporations would be the "fall guy."

What would be the effect of the Williams tax on corporation profits?

According to Harvey Campbell, executive vice-president of the Detroit Board of commerce, it would encourage flight of capital to other states.

Quoting Campbell: "You cannot estimate the damage that has been done to Michigan by income tax threat that came out of Lansing before the Governor's oath got cold. Already we have heard from local industrialists who plan plant expansion but figure that they're not wanted here so they're looking to less extravagant states in which to extend their payrolls.

"It has happened before—and it will happen again, because politicians can't seem to learn that payrolls are sensitive and aren't compelled to stay in one place.

"Many years ago, before C. W. Nash got together with the Kelvinator folks, we submitted an engineering analysis of his business and sent it to him in Kenosha. The chief factor to urge him to establish his automobile plant in the Detroit area among his competitors was the tax situation in Wisconsin.

"We met Mr. Nash himself here a few days later and we'll never forget our conversation. The kindly old gentleman said, 'Look at your headlines from Lansing! Why should I seek refuge from Wisconsin taxation when your own state officials threaten me with far worse treatment if I transfer my plants to Detroit?'"

Governor Williams has a ready answer: Rising corporation profits can well afford to pay a "reasonable" tax increase; consumers now pay 75.4% of the bill.

The tax chickens are looking for a place to roost. Will it be in the big cities?

HAPPY HOME BUILDERS

The Happy Home Builders Class of the Baptist church met Tuesday evening at the home of Mr. and Mrs. Fred Bryan at Britton. A potluck dinner was served to 29 present. After the business meeting there was an auction of bazaar goods and then Mr. and Mrs. Bryan who were in charge of the program, showed motion pictures taken on their recent trip to Florida. The proceeds of the auction were turned over to the choir robes fund of the church.

DEATH IN THE STREETS . . . Death was in the cards at the moment a New York mounted policeman dashed to the rescue of a 13-year-old girl whose horse was out of control in Central Park. As he snatched the girl from the saddle, the girth of the saddle broke and pitched him and the girl to the road. But death was not to be denied. The two riderless horses dashed through the park and over a safety island, fatally injuring Mrs. Christine Palmer, 48. Here bystanders are shown gathering around Mrs. Palmer as she lies in the street before she was removed to a hospital.

1949 Dictionary Has Arrived At Library

Do some technical terms about atomic energy, radar and television confuse you? Then go to the public library and look up those words in the 1949 edition of Webster's New International Dictionary, just received there. The unabridged dictionary has 3,350 pages with 600,000 entries. Some 12,000 entries are illustrated and there are many full-page color pictures, including the flags, seals, etc., of all nations and states, birds, butterflies, etc.

Eighty books were received at the library during the month of January, Miss Ruth Harding, librarian, said today. Included in this number is the new volume of the Jalna series, "Mary Wakefield" by Mazo de la Roche; "Chinatown Family" by Lin Yutang; "Catch A Falling Star" by Van de Water; "Stories Behind The World's Great Music" by Spaeth; "Of Flight and Life" by Charles Lindbergh, and "Learning To Garden" by Gunnison.

"The Wonderful Years" by Barnes is especially suited for young people, as is "Tournament Forward" by Jackson. "I Wish On An Apple" by Garst and "Cynthia" by Fox. Some new children's books are: "Five Puppies For Sale" by Brann; "Richard's White Horse" by Kelsey; "Tell Me About Prayer" by Jones; Mother West Wind Stories by Burgess and "Toughy" by McCraken.

Musical Program Enjoyed By Wit, Wisdom Club

Mr. and Mrs. Ellsworth Collins entertained the Tecumseh Wit and Wisdom Club, Monday evening with Mr. and Mrs. Fred Hector as assisting host and hostess.

Opening the musical program with a few brief remarks on the subject, Mrs. Wilfred Waldron paid tribute to Mrs. L. S. Moore for her fine contribution of music appreciation to Tecumseh. Mrs. Waldron said that most clubs in Tecumseh have adopted the practice of including musical nights in their programs.

A record of Rachmaninoff's Concerto No. 2 in C Minor was played by Mrs. Collins. Mrs. Waldron read a paper "Why They Go For Jazz" and to illustrate her point two jazz records were played, namely "Boogie" by Freddy Martin and "Solitude" by Duke Ellington. A short sketch of John Phillip Sousa, the "march king," was followed by a paper on "The Czar of Music—Petrillo," by Glenn VanDenbergh. The program closed with four numbers vocalized by Mrs. Murray Day, "Come Walk With Love," "Sapphic Ode," "I'm Called Little Buttercup," and "Pretty As A Picture."

Refreshments were served in conclusion.

AUXILIARY TO SEND GIRL TO GIRLS' STATE

Some 26 members of the American Legion Auxiliary met Monday evening at the home of Mrs. Lahr-Holden. During the business meeting it was voted to send a girl to Girls' State, as is customary. An announcement was made that a representative from a magazine concern will be soliciting subscriptions for the Auxiliary in Tecumseh, soon, the proceeds of which will be used to purchase more hospital equipment for use in the community, free of charge. The Auxiliary has begun plans for the annual poppy sale. The members enjoyed a white elephant sale, after which refreshments were served.

DEPENDABLE CIRCLE

The Temple Dependable Circle of the Methodist church will meet Wednesday, February 16, in the social rooms of the church. Mrs. Claud Gray is hostess.

Concrete Is Favored For Farm Buildings

For farm buildings, one of the most durable and easy to maintain materials is concrete, according to county agricultural agent Louis G. Hall.

For parts of buildings that have a lot of hard wear or where there may be factors that will cause decay such as moisture, dirt and acids, concrete is the ideal building material.

Quality of concrete depends upon the quality of the ingredients that go into it plus proper mixing techniques, the agent reports. Economy, too, depends on the way the materials are combined.

Since the cement is the expensive part of concrete, it should be chosen carefully, that the mix should be correct, and enough water used. Cement should be checked to see if it is in good condition. If it is hard in the sack, it is possible that it has been stored in a place where it has absorbed some moisture and partially set. This hard material is not good for concrete work and if it is used at all, the hard lumps should be strained with a piece of fine mesh fly screen.

The correct mix to use in farm building will depend on the location of the concrete work. Agent Hall can supply details of the various mixes and how they will stand up under farm conditions.

CLUB WILL OBSERVE CRIME PREVENTION WEEK

Speakers of national reputation will appear on programs on the three major radio networks during National Crime Prevention Week, starting February 12, it was announced today. Among the speakers will be M. Allen Barth national president of the Exchange Club, Justice Harold Burton, U. S. Supreme Court, Tom Clark, U. S. attorney general, and Irving Ives, U. S. senator, New York. Exchange clubs nation-wide participate in programs in observance of the week in an effort to make the entire country crime-prevention conscious.

GUILD TO MEET

Florence Weld Mission Guild will meet Monday evening, February 14, at the home of Mrs. Ted La Bounty. Devotions will be led by Mrs. Jeanie Satterlee. Members are to bring articles for annual bazaar.

Grange Will Confer Degree Here Tonight

During the lecture hour a class of candidates will be conferred in the third and fourth degrees.

On Friday night, Tecumseh Grange will take the traveling gavel to Adrian Grange and present the program under the direction of Mrs. Harold Rhorback. On Saturday night, February 12, the usual Grange dance will be held. Pomona will meet at Tecumseh February 16.

Radio Talent Show Is Announced For Saturday

A Monroe county merchant is sponsoring a series of talent shows in Washtenaw, Wayne, Monroe and Lenawee counties. The winners selected from these shows will compete for semi-final awards and final winners will be named at the closing performance.

The second and last talent show scheduled for Tecumseh is to be held Saturday, February 12, in the high school auditorium, at 8 p.m. Winners of shows staged in the four counties will participate in the program. Local talent heard will include Duane Hay, Sally Brown, Carl Freckelton and a quartette of high school pupils. There is an admission charge.

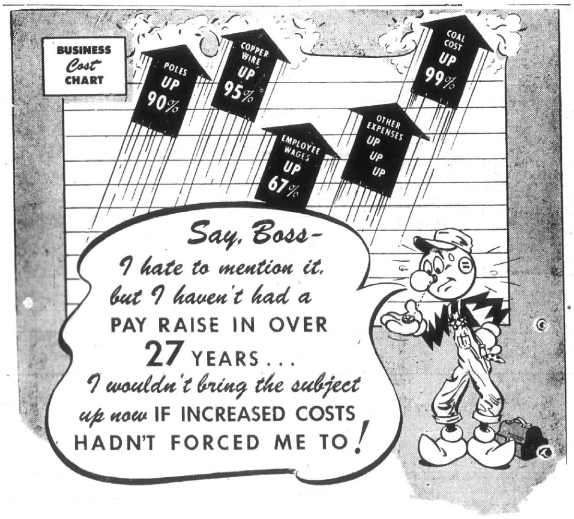
The show will be broadcast over WPAG Sunday at 5 p.m.

HARMONY HOME MAKERS

The Harmony Home Makers will meet Wednesday, February 16, at the home of Mrs. Lena O'Pravil. A potluck dinner will be served at noon by the hostess, assisted by Mrs. Georgia O'Pravil and Mrs. Marian Stone. The birthdays of Washington and Lincoln will be honored and each member will answer roll call with a lie. Prizes will be awarded for the best.

ASSOCIATION TO MEET

The Presbyterian Women's Association will meet at the church, Wednesday, February 16, at 8 p.m., Mrs. Winifred Bates and Mrs. Lynn Harris are in charge of the program on China. A play will be presented under the direction of Mrs. Robert Manchester. Devotions will be led by Mrs. Howard Truesdale. Mrs. Harold Hall is chairman of the hostess committee.



Not only has Reddy worked for over 27 years without a wage increase, HE HAS TAKEN SEVERAL WAGE CUTS DURING THIS PERIOD. But when the price of a ton of coal (and Reddy will use over 2,000,000 tons this year) jumped from $4.12 to $8.20, and almost every other item of expense went up too, he just had to ask for a raise in pay.

The extra cost to the average residential customer, however, will only be 2½c A DAY. That's a weekly increase of less than the price of a package of cigarettes.

Even if I get my pay boost of 2½¢ A DAY, I'm sure you'll agree that my wages will still be in the BARGAIN BRACKET

Fine Quality Merchandise

About 80 years ago, when this store was first opened, a decision was made . . .a decision that was intended to "hold" customers and win new ones.

That decision was this: That we would sell only quality merchandise . . . the kind that would give the customer the most for his money.

We have held to that decision all of these years. We believe that it was a wise one because year after year our business has increased.

If you're interested in quality foods, we'd like to serve you, too.

Lower Food Costs Seen This Year

A. & P. PRESIDENT PREDICTS 1949 WILL BRING HIGH PRODUCTION

America's farms and factories will produce as much food in 1949 as they did during the record production year of 1948, and consumers will probably pay less for it, John A. Hartford, president of the Great Atlantic & Pacific Tea Company, predicted today.

"Food prices reached their peak in July and have declined steadily since then," Mr. Hartford said. "In the case of our own prices, for example, conservative estimates indicate that butter is down an average of 24 per cent from the year's high, meat and eggs are down 17 per cent, cheese 13 per cent, flour 15 per cent, lard 29 per cent, oleomargarine 15 per cent, soaps 16 per cent, and produce 10 per cent. I think they will stay down and may go even lower, provided labor and transportation costs, which constitute a large part of the retail price of food, do not get out of hand."

Mr. Hartford cited two major deflationary factors in the food price picture; continued high production and "soft" markets; fewer consumer food dollars and greater competition for them.

"Producers and distributors must recognize that once again we have entered a period when the purse as well as the appetite will determine what food, and how much of it, people will buy," he said. "More and more consumer dollars are going into payments for houses, automobiles, television sets and other things in short supply, and fewer dollars are available for food."

"This means that 1949 will see keener competition for the consumer's food dollar. The entire food industry is going to place greater emphasis upon reducing costs through greater efficiency, and profits will be cut all along the line."

Mr. Hartford said that a realistic approach to the food price situation called for recognition of the following facts:

People are eating 12 per cent more food than they did in the pre-war years.

People are eating more of the higher-priced food items than they did in pre-war years, particularly in the case of the lower income groups. National meat consumption, for instance, is up an average of 15 to 20 pounds per person over the pre-war levels.

Today out of each consumer dollar spent for food, an average of only 15 cents is required to cover all the retailer's expenses, including his small profit. This compares with an average of 25 cents out of each food dollar that went for such expenses 15 years ago.

Food retailers' profit rate is the lowest of any retailers, ranging from 1 to 4 cents on each dollar of sales, and is already being reduced. A & P's profit rate of about 1.5 cents per dollar of sales last year, for instance, is substantially lower this year.

Mr. Hartford said that keener competition will not only bring prices down, but will improve quality and service as well.

"Everybody in the food field is going to have to spend more time, effort and money finding out what the consumer wants and giving it to her," he said. "Our own company ran an advertisement in about 2,000 papers this year, asking customers to write us their suggestions. The thousands of answers that came in were very helpful and have given us a blueprint for our activities during the coming year. We are striving to give our customers the things they asked for. But if we and other retailers are to keep our operations geared to consumer preferences, our customers must continue to let us know their wishes.

"To give customers the type of service they want, retailers must attract and hold competent employees. Some idea of the cost of this phase of a retailer's operations may be gathered from the experience of our own company this year. Wage increases totaled $20,000,000 and our payroll is up $160,000,000 since 1941. The estimated annual cost of our company-financed retirement plan is $8,000,000. We consider this all money well invested.

Mr. Hartford said that he expects to see a general stepping up of food advertising of various types during 1949.

"Our own advertising budget has reached the highest point in the company's history, with ads regularly scheduled in more than 2,000 newspapers," he said. "These ads are taking a new trend, for we feel that consumers are no longer satisfied with only the traditional listing of food prices. They have learned that lower prices are no bargain when the quality of the food is inferior. For this reason, we think they want food ads to tell them something about the product so they can compare quality as well as price.

Mr. Hartford said that "just as the job of pleasing and serving the consumer is most important to us, it is also one to which farmers must give the greatest attention. Unless they do so, they are not going to be able to maintain sound markets for farm products. While we all want lower food prices, this nation cannot afford to achieve them by bankrupting agriculture.

"Produce prices are down more than 10 per cent. Consumption of fresh fruits and vegetables has already fallen off 5 per cent and in some commodities and regions farm prices are getting perilously close to the cost of production. The problem is increased by the fact that acreage restrictions on support-price commodities are causing increased production of non-support truck crops—perhaps more than the market can absorb.

"The situation calls for teamwork on the part of producers, distributors and official agricultural agencies to reduce waste, improve grading and packing practices and so streamline distribution as to narrow the spread between farm and retail prices."

Wife—"Would you like some nice tender chops and some delicious golden-brown potatoes this evening, dear?"

Husband—"No, I think we ought to save money. Let's eat at home."

Marvin Eppelheimer New 4-H Stock Agent

Marvin Eppelheimer, former Eaton county 4-H Club agent, assumed his duties as Lenawee county 4-H livestock agent on February 1. After one and a half years of extension work in Eaton county, Mr. Eppelheimer comes to Lenawee to take charge of the livestock work with the county's 4-H Club members.

A native of Eaton county, Mr. Eppelheimer was graduated from

MARVIN EPPELHEIMER

the Olivet high school and Michigan State College. Immediately after receiving his B. S. degree at M. S. C. with a major in dairy, he went to Eaton county to supervise 4-H Club work.

In his senior year in college he was a member of the livestock judging team at the International Livestock Exposition in Chicago and was prominent in the activities of the college "Block and Bridle Club" and the "Dairy Club."

Mr. Eppelheimer served three and a half years in the U. S. Army from 1943 to 1946. In 1947 he was married to Miss Phyllis Cheney of Lansing. His brother Donald is 4-H Club agent in Branch County.

The agricultural committee of the county board of supervisors interviewed Mr. Eppelheimer and invited him to come to Lenawee and at the same time he met with officers of the 4-H Club Council. The appointment was made by the state board of agriculture.

CHILD STUDY CLUB

The Tecumseh Child Study Club will meet at the home of Mrs. LeRoy Titley, Monday evening, February 14, at 8:30 p.m., with Mrs. David Dick and Mrs. Hubert VanCamp as the assisting hostesses. The program topic is "Show Them A Good Time," and will be presented by Mrs. Richard Preston. Members are to bring needle and thread.

Reminder

"Johnny, I'll have you behave yourself when you're at home. What would your teacher say if you acted like that at school?"

"She'd say 'Behave yourself—remember you're not at home now.'"

And he (Pharoah) made him to ride in the second chariot which he (Pharoah) had; and they cried before him, Bow the knee, and he made him ruler over all the land of Egypt. . . Genesis 41:43.

Joseph was given many responsibilities to fulfill—and history tells us he fulfilled them admirably. But his first responsibility was to his God, who had gone to his aid in time of trouble.

Today, many men are fulfilling their own responsibilities—how large or small they be—and are depending on their church and the nourishment of their spiritual life to give them the calm understanding of today's problems to make their jobs easier, less a strain.

Your church can help you, too, by giving you the inward calm and ease of conscience which can help make your life less strenuous, more organized. Nourish this better life by attending the church of your choice this week.

MY HOSPITAL BILL..... $222.47

BLUE CROSS COVERED IT IN FULL"

CASE #33-481025-40

Mr. . . . Blue Cross Hospital Plan subscriber, spent 11 days in hospital with second degree burns. Membership card got him admitted at once, without requests for advance payment or red tape. Charges included semi-private room, laboratory, drugs and dressings. No charge to the patient — Blue Cross took care of it all

From an actual case in the Blue Cross files

Figures show that chances are 1 in 10 you will have to go to the hospital this year— and face rising hospital costs!

THE COST of hospital care has gone up, just like everything else. Wages, maintenance, supplies are higher. And advances in medical science require the use of new and costly drugs and equipment. That's why hospital bills are larger than ever before—and that's why you and your family need Blue Cross protection now more than ever before.

BLUE CROSS—Michigan's most widely-used health care plans—your best protection against the unexpected costs of sickness

The Blue Cross Hospital Plan pays for a broad range of service benefits (up to 120 days of hospital care) in any of the 164 participating hospitals in Michigan. NO CASH LIMIT on the benefits covered.

The Blue Cross Medical-Surgical Plans give added benefits for operations, doctor's bills in the hospital. Low in cost—just a few cents a day.

Talk over with your employer how your company can provide this protection for you

If you would like to join the more than 1,500,000 Michigan people who enjoy the protection of Blue Cross, talk to your employer . . . ask your local Blue Cross representative . . . or write directly to one of the 20 Blue Cross offices listed here, for complete information.

Just a Youngster

The medicine man was selling a remedy which he claimed would make men live to a great age.

"Look at me," he shouted, "hale and hearty and I'm over 300 years old."

A listener turned to the salesman's assistant. "Is he really as old as that?"

"Don't know," was the casual reply. "Only been working for him 100 years."

As provided by Section 2822, Michigan Election Laws

On each said day for the purpose of REVIEWING the REGISTRATION AND REGISTERING such of the qualified electors in said VILLAGE as SHALL PROPERLY apply therefor.

In any village in which the clerk does not maintain regular daily office hours, the village council of such village may require that the clerk of such village shall be at his office or other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

Notice is hereby given that I will be at Clerk's Office Monday, February 14, 1949, from 9 o'clock a.m., to 5 o'clock p.m. Monday, February 21, 1949, from 9 o'clock a.m., to 5 o'clock p.m.

Note—Monday, February 21st, I the Last Day For General Registration by Personal Application for Said Election.

The name of no person but an ACTUAL Resident of the Village at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

REGISTRATION OF ABSENTEE BY OATH

PART II-A, CHAP. 1, SEC. 16—Any elector who is unable to make personal application for registration because of physical disability or absence from the township, city or village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the clerk of the township, city or village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the clerk of the township, city or village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for signature of the registration officer and designate his title.

NOTE—Sec. 2825 provides that in townships, cities, or villages having a population of 5,000 or less the duplicate "master" registrations may be dispensed with.

Wade L. Jones, Village Clerk
Dated: February 3, 1949.

STATE OF MICHIGAN,
County of Lenawee, ss.
Probate Court for said County.

At a session of the probate court for the county of Lenawee, holden at the probate office in the city of Adrian on the 28th day of January in the year one thousand nine hundred and forty-nine.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of IRA STEELE, Deceased.

On reading and filing the petition of LaVern Steele, executor upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 28th day of February next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

MAURICE E. TRIPP,
Judge of Probate

Clean, Complete, Dependable Service For Your Car

What does it mean to be in business for 20 years?

We were thinking about that the other day when we suddenly realized that it was that long ago that we opened our garage and sales rooms in Tecumseh.

In the 20 years of our business life here we have served thousands of motorists. Our customer list has grown steadily and, we are happy to say that we still are servicing cars for customers who first came to us 20 years ago.

In a community the size of Tecumseh it must be that way. Repeat business is the life-blood of our business.

When you bring your car to us for clean, dependable service you get just that kind of service. We guarantee every repair job that we do—to your satisfaction.

We believe that "The Honest Service Garage" policy is the policy that has built our business . . . the policy that has kept our customers "coming back" and, at the same time, telling their friends that Butler's is a good place to do business.

THE TECUMSEH HERALD

NINETY NINTH YEAR NUMBER THIRTEEN — TECUMSEH, MICHIGAN, FEBRUARY 17, 1949 — FIVE CENTS PER COPY

STATE'S BEST-LIKED COP IS COMING TO TECUMSEH

Ventriloquist's Dummy to Speak to School Children

He's only eight years old and he has a wooden head, but if you ask the kids of Michigan who is the state's best-liked cop, the chances are fifty-to-one that the answer will be: "Jerry McSafety."

What's more, when some lecturers give talks on safety promotion and good citizenship, the children don't always listen as attentively as they should nor remember everything that is said. But when Patrolman Jerry tells them about traffic accidents and dangers and puts across a few straight-from-the-shoulder facts about cleanliness, honesty, tolerance and respect for the rights of others and property of others, the kids listen to every word of it, and not only remember but quote him for days.

Those are some of the reasons why Jerry McSafety and his master, Wayne Fernelius, are coming to Tecumseh and this area next Monday and Tuesday to visit the children of the schools. They are being brought here with the compliments of Charles O. Butler, of Butler Motor Sales.

The little policeman-ventriloquist will speak at the public school in Britton on Monday morning, February 21, at 10 a.m. Children from Ridgeway and Holloway schools have been invited to attend this program, as have other youngsters from a dozen fractional schools in the area. Monday afternoon at 2 o'clock he will speak at Boysville in Macon.

On Tuesday, February 22, at 10 a.m., and again at 2 p.m., Jerry will be at the Tecumseh schools. Children from Tipton and from other schools in this vicinity will be on hand to hear him.

Jerry is a ventriloquist's dummy with a toothy but entertaining grin, eyes that roll, ears that wiggle, and a fast and furious line of witty patter and songs.

Jerry is the idea of Sergeant Wayne Fernelius and to him must go the credit for the dummy's success. The Sergeant was for years with the Detroit police department, and he has appeared before hundreds and hundreds of groups in the state.

"We want every youngster in our area to meet Jerry," Mr. Butler said. "If they will visit our garage after his shows, he will give them a personally autographed photograph."

Jerry is also booked to speak to the Rotary Club next week Tuesday evening.

Pioneer Program Enjoyed By DAR

INTERESTING HIGHLIGHTS OF EARLY TECUMSEH TOLD BY SPEAKERS

"Pioneers of Tecumseh" highlighted the meeting of Abi Evans chapter, Daughters of the American Revolution, at the home of the regent, Mrs. Donald F. Wright, Friday afternoon.

Setting the mood for the feature, Mrs. Harley McConnell sang "Last Night," "In The Gloaming" and "Auld Lang Syne." Mrs. Joseph Smith, who arranged the program, presented Mrs. Harold Naser, Miss Beth Satterthwaite, Perry Hayden and Donald F. Wright. These four persons gave interesting accounts of the parts their ancestors played in settling in this vicinity.

Pictures and several books used by Dr. Patterson were displayed by his granddaughter, Mrs. Naser. Miss Beth Satterthwaite exhibited an old waist coat that had belonged to Lucius Lilley and a stunning dress coat that had been worn by a Mr. Boughton.

Mrs. Smith concluded the program with some very interesting facts as related to her by Edith Shull and Mrs. Faron Anderson concerning their grandfather, Walter P. Adams, a lawyer in the early days of Tecumseh.

During the business meeting with Mrs. Wright presiding, it was decided to leave yarn, beads and old eye glasses at Wright's Drug Store this week and these items will then be sent to the organizations which have requested them. In addition to Mrs. Wright, three members were voted as delegates to the state convention to be held in Flint, March 25 and 26. They are Mrs. O. W. Laidlaw, Mrs. Louis Schneider and Mrs. Clarence Fisher. The alternates are Mrs. Frank Bates, Mrs. Hoyt Whelan, Miss Jennie Gillespie and Miss Edith Ingersoll. Those named to attend the D. A. R. Continental Congress in Washington, D. C., in April are Mrs. Wright, by virtue of her office, and Mrs. Louis Schneider, vice regent. Alternates named are Mrs. Claire Beland, Miss Gillespie, Mrs. Blair Bashore and Mrs. Bates.

Mrs. Wright received several copies of the D. A. R. Citizenship Manual, one of which was placed in the public library, while the others were presented to foreign war brides in this vicinity.

In honor of her birthday anniversary, Miss Edith Ingersoll was presented with a beautiful corsage and was asked to cut the birthday cake, denoting the 22nd anniversary of the chapter. Assisting Mrs. Wright at the tea table were Mrs. James Artman, Mrs. J. Floyd Elliott, Mrs. Clarence Fisher, Mrs. Horace Loveland and Mrs. Leon Rosacrans.

STATE OFFICER TALKS, EXPLAINS "DRUNK-O-METER'

Marvin Kranz, a State police officer connected with the Clinton post, was the guest speaker at the regular dinner meeting of the Rotary Club, Tuesday evening at Brees House. Officer Kranz explained the "drunk-o-meter" test used by his department to determine whether or not persons involved in accidents or crime are under the influence of liquor.

Kranz pointed out that no one is forced to take the test. He declared, however, that it is often advantageous to persons involved in accidents to take the examination for their own protection.

The officer also explained other duties of his department, pointing out that annually state police recover lost and stolen property valued at more than twice the salaries paid to policemen.

I will not be in my office until about March 1.

Arch Seager, 77, Dies At Home Of Nephew

Funeral services were held from the Everiss Funeral Home in Adrian, Tuesday afternoon, for Arch Seager, 77, who died Thursday at the home of his nephew, Harold Reynolds of Rome township. The Rev. Allan L. Ramsay officiated.

Mr. Seager was the father of Allan Seager of Tecumeh, noted Michigan author. Born, February 3, 1872, in Rome township, he traveled for 25 years in the southern states for the Peerless Fence Co., and later for the Troy Sunshade Co. He had been engaged in farming near Onsted until recently.

Surviving besides his son, Mr. Seager, is a daughter, Mrs. D. T. Warner of Ann Arbor, a brother, Bradford L. Seager of Rome Center, six grandchildren and a number of nieces and nephews. He was preceded in death by his wife, Emma Allan Seager, a brother, Dr. G. B. M. Seager and a sister, Mrs. Charles Reynolds.

Komedy Kings To Play Here

"FUNNY MEN OF BASKETBALL" TO MEET PRODUCTS TEAM IN EXHIBITION GAME

Sell-out crowds with S.R.O. at a premium has highlighted the victorious parade of the New York Komedy Kings, internationally famous clown basketball team, through the Middle West. The Kings have lost but two games this year. "Those funny men of basketball," as the Kings are familiarly known, will exhibit their wares in the Tecumseh High School Gym, Monday, February 28, at 8:30 meeting the Tecumseh Products. Another capacity crowd is expected to enjoy the spectacular clown show and all-around brilliance of the King stars. Last week, capacity crowds in Dundee, Saginaw, Adrian, and Croswell, Michigan, saw the Kings.

The focal point of all eyes will be "Little Jeff" Fritz, 7'1" giant from U.C.L.A. The big boy, who can high jump 6'6", wears a size 16 shoe, 17½ shirt with 42 inch sleeves, and weighs 240 pounds. He hangs from the iron rim of the basket and bats balls out with his feet. So large are his hands that

$5 FOR MARCH OF DIMES

The Royal Neighbors met Monday evening at the home of Mrs. Tillie Tuckey. During the business meeting it was voted to give $5 to the March of Dimes. An exchange of Valentines was enjoyed after which a light lunch was served.

The next meeting will be a card party at the home of Mrs. Rose Service, Thursday, February 24, at 2 p.m.

PLAN FOR BANQUET

A mother and daughter banquet to be held May 5 was announced by the Pythian Sisters, after their regular meeting last week Wednesday evening. Some 31 members were in attendance. It was also voted to give $10 to the March of Dimes.

WHITE ELEPHANT SALE

Some 16 members of the Daughters of St. Peter met Tuesday evening at the home of Mrs. Cecile Smith with Mrs. John Boldon assisting. During the business meeting new year books were distributed, after which a white elephant sale was enjoyed. The hostess served refreshments in keeping with Valentine's Day.

My office will be closed for the day after 3 p.m., Thursday, February 17.

Family Council Held Important

UNIVERSITY PROFESSOR DISCUSSES HOME PROBLEMS IN TALK TO P.T.A.

Stressing the importance of a family counsel as a basic essential to happy home life, Dr. Howard Y. McClusky, director of Community Adult Education at the University of Michigan, spoke informally at the regular meeting of the Tecumseh Parent-Teacher Association in the high school, Thursday evening.

Several members of the audience participated as a "model family" and discussed typical problems that arise in homes, showing the value of a family counsel in settling questions.

Dressed in appropriate costumes, Mrs. Harold Naser's den of nine-year-old Cub Scouts opened the program by enacting "Snow White and the Seven Dwarfs." A large crowd enthusiastically applauded the boys when they sang the songs from "Snow White."

Singing "off key," Mrs. Duaine Service, Mrs. Dale Tingley, Miss Ruby Preston and Mrs. Nina Heath, dressed to provoke laughs, competed with a young girl's quartet composed of Cynthia Spafford, Jolene Brown, Betty Jo Hanna and Pauline Bagshaw, accompanied by Mrs. Helen Sisson at the piano. The audience responded heartily to both quartets.

After a short business meeting refreshments were served by parents of the fourth and fifth grade children, namely: Mr. and Mrs. Gren val Spangler, Mr. and Mrs. Ray Puffer, Mr. and Mrs. Gerald Larned, Mrs. Paul Mack, Mrs. Lee Purkey, Mrs. Walter Dunbar, Mr. and Mrs. Arlyn Nichols, and Mr. and Mrs. Lawrence Holdridge. A clever centerpiece, made up of a wheelbarrow filled with hearts and drawn by a cupid, was devised by Mrs. Mack.

At the next meeting, the annual election of officers will be held.

Funeral Services Held For Mrs. Emma Fielder

Funeral services were held from Hause Funeral Home in Clinton, last week Wednesday afternoon, for Mrs. Emma A. Fielder, 93, who died Sunday, February 6, in the home of her son, William of Tecumseh. The Rev. Alvin Brazee officiated and burial was in the Reynolds Corners Cemetery west of Clinton. The bearers were Murl and Garland Nortley, Ronald and Russell Creger, Edward Wurster, and Sherman, Cecil and Norman Fielder.

Surviving are five sons, Claude of Brooklyn, Frank of California, Roy and Fred of Manchester and William of Tecumseh, three daughters, Mrs. William Creger of Tecumseh, Mrs. Teresa Nortley and Mrs. Lulu Nortley, both of Manchester, 67 grandchildren, a number of great-grandchildren and one great-great-grandchild. Three daughters, two sons and her husband preceded her in death.

TELLS OF GERMANY

Mrs. Lyle Grigg entertained the Baptist Junior League in her home Tuesday evening. Some 18 members were in attendance. During the business meeting, White Cross material was completed. Mrs. Carl Kempf led in devotions, after which Mrs. Betty Wing introduced her cousin, Miss Gertrude Leutheuser. After speaking briefly of Germany, her homeland, Miss Leutheuser answered questions asked her by the group. Refreshments were served by the hostess and Mrs. Dow Bliby.

LODGE TO INITIATE

The Rebekah Lodge will meet Friday evening for an initiation of candidates and lunch.

Banquet Speaker

Otis F. Cook

Otis F. Cook, managing director of the Michigan Retailers Association, will be guest speaker at the annual banquet of the Tecumseh Chamber of Commerce, Thursday evening, February 24, at the high school gymnasium.

Mr. Cook is well known among Tecumseh business men. Many local merchants hold memberships in his association or in one of its federated associations. Since becoming managing director a decade ago, he has made the Michigan Retailers Association one of the most powerful and respected trade associations in the United States. His opinions are sought and respected among many legislators and congressmen and his efforts have frequently modified legislation which would have been most harmful to business.

In addition to his duties as managing director of the Michigan Retailers Association, Mr. Cook is past president of the Michigan Commercial Secretaries Association and last month was made a vice president of the American Retail Association Executives.

Mr. Cook is a down-to-earth representative of business. He is keenly aware of the problems confronting all business men in both the economic and governmental problems of the day. Chamber directors are enthusiastic in their belief that the people of Tecumseh will profit greatly by hearing his comments and advice.

Tickets for the banquet are now on sale by a committee or at the offices of the Chamber.

Indian Cagers Lose To Hudson

By Gordon Comfort

The fighting Tecumseh Indian cagers yielded last Friday night to Hudson, the final score of the game played there being 54 to 37. This game did not change the standing of either team in the Lenawee County Athletic Association. Tecumseh is in fourth place and Hudson is in first position.

Hudson racked up 25 points in the last period, which was nearly half the total game points for that team. Hudson was only two points ahead at the end of the third period. Tecumseh outplayed the Tigers for the most part of the game but couldn't connect with the basket. Forwards Gillin and McDowell led the Indians for the evening, each making 13 points, and together they accounted for more than two-thirds of the Indians score.

The scoring was close through the first three quarters of the game, being 6-8 in favor of Hudson at the end of the first period. At the half the Tigers were only one point ahead. The score was 13-12 then. Clear through the third period the Indians kept pace with the Hudson five, until in the fourth quarter the Tigers caught fire. They hung up 25 points while the Indians were getting 10.

Tecumseh won the Reserve tilt 33-28. Dick Whelan was high scoring for Tecumseh.

Next Friday night the Indians play Pittsford there.

Funeral Services Held For Edward Everett

Funeral services were held from the Green Funeral Home, Tuesday afternoon, for Edward Everett, 74, who died Sunday morning in the Parrett Nursing Home. The Rev. Alvin C. Brazee officiated and burial was in Brookside cemetery, where members of the Eagles were in charge of the service.

Mr. Everett had been ill for some time before his death. A resident of Tecumseh all his life, he was a member of the Tecumseh Aerie, Fraternal Order of Eagles. He is survived by one brother, Arthur of Tecumseh. His wife, Louella, died in May 1946.

"County Fair" Yields $1,600

ABOUT $2,800 NOW AVAILABLE FOR NEW HIGH SCHOOL BAND UNIFORMS

About $2,800 is now available for the new uniforms for the Tecumseh High School Band, it was announced today when the Exchange Club let it be known that some $1,600 profit was derived from the "County Fair," which it sponsored last week Friday and Saturday evenings at the Products Workers Union Hall.

"The Fair was a success in every way and we want to thank all of the merchants and everyone else who gave to make the affair a success," L. P. Williamson, president of the Exchange Club, said today.

Profits from the Fair, it was said, amounted to about $1,600. From a previous dancing party, sponsored by the club, some $450 was realized and the Band Parents Club treasury has available for the uniforms about $800, making the grand total $2,800. The Exchange Club plans to sponsor further entertainment to raise the $500 still needed to meet the $3,300 cost of the new uniforms.

Two evenings packed with fun and entertainment were enjoyed by hundreds of persons at the "Fair." There was a big midway, a country store, games, shows, a fish pond and many other attractions. The "kangeroo court," netted considerable money as the club's "cops," in the persons of Geo. McCombs, Rhae Henkel and A. W. Porter "arrested" violators for mythical offenses—such as parking on the sidewalk, being too well dressed, etc., etc. There were many awards each evening and door prizes went to Lee Purkey and Ruth Goodacre.

The new band uniforms are now on order and will be delivered in April. They are designed from whipcord, with orange and black trimming.

1949 Ford Is Named Fashion Car Of Year

Selection of the 1949 Ford to receive the Fashion Academy Award as America's "Fashion Car of the Year" was announced officially today by Emil Alvin Hartman, director of the Fashion Academy.

The Fashion Academy has become noted through the years for its annual selection of "America's Best Dressed Women." These awards have been made for the last 20 years.

The Ford was chosen to receive the Fashion Academy gold medal after 1949 automobile models of all makes and in all price fields had been carefully studied from the standpoint of excellence in design, simplicity and feminine style appeal, according to Mr. Hartman.

He said: "The recognition of Ford leadership in the modern trend of automobile design stands as tribute to the work of Ford's styling department and of George Walker of Detroit, design consultant."

Official announcement of the award to Ford was made in a letter to Henry Ford II, president of the Ford Motor Company.

The letter said: "You will be pleased to hear I am sure, that the 1949 Ford has been selected for the Fashion Academy Gold Medal Award, as the fashion car of the year. This choice was made on the basis of excellence in design and style appeal for women.

"Mindful of the new trends in fashion, and the important part women play in choosing their family car, the 1949 Ford embodies all the essential qualities of good taste, modern design, and subtle harmony in line and color. It is indeed a compliment of the style-conscious women who will recognize and appreciate the flattering way you have provided for her "best-dressed" appearance.

"My sincere congratulations to your organization on the 1949 Ford — the ultimate in fashion achievement."

The award will be presented to the company formally at a later date in conjunction with the selection of America's "Best Dressed Women" for 1949.

NEW SCHOOL BUS BOUGHT AT CLINTON

A new 54-passenger school bus has been purchased by the Clinton Community School at a cost of $3,800, to provide transportation for pupils living in rural areas.

The school now has five busses serving the district and it is now unnecessary for any bus to make more than one single round trip daily.

U. OF M. HISTORY INSTRUCTOR ON TOWN HALL PROGRAM NEXT WEEK TUESDAY

Dr. Preston W. Slosson, professor of history at the University of Michigan and internationally known as the author of many books, will be the speaker at the second Town Hall meeting of 1949, Tuesday evening, February 22, at the high school. The program will begin at 8 p.m., and members of the Rotary Club have cancelled their regular entertainment following dinner at Brees House that members of the organization may hear the speaker.

Dr. Slosson is a native of Laramie, Wyoming. He received his B. S. and M. A. degrees from Columbia University in 1912 and 1913 and his Ph. D. from the same institution in 1916. From 1913 to 1917 he was assistant in history at Columbia and from 1920 to 1921 he was a member of the editorial staff of the New York Independent. He has been on the history staff of the University of Michigan since 1937. In 1932-33 he was Carnegie visiting professor at Bristol, Manchester and Glasgow universities, and at Bristol, Sheffield and with Aberystwith universities during 1938-39.

Dr. Slosson, who has written many books including "Fated or Free," "Twentieth Century Europe," "The Growth of European Civilization," and "History of English Speaking Peoples," will use as his subject, Tuesday evening, "Behind the Iron Curtain."

Town Hall in Tecumseh is sponsored by many civic and social groups and admission to Tuesday's meeting is free to the public. Neville Hart, director of the meetings, urged that there be a large attendance.

50 Members And Guests At Monday Club Meet

Some 50 members and guests of the Tecumseh Monday Club enjoyed a program of music and readings at the home of Mrs. R. W. Herrick, this week. The hostess was assisted by Mrs. Faye Van Valkenburg, Miss Gertrude Spaulding and Mrs. Robert Fuller.

Mrs. Edward Beal, program leader, presented Mrs. Clair Beland, who spoke interestingly of the work shop on conservation which she attended at Higgins Lake last autumn. Mrs. Leo Corbett of Blissfield played a piano solo, after which Mrs. Harold F. Rhorback of Blissfield, president of the Lenawee County Federation of Women's Clubs, entertained with two humorous readings, "Maggie Goes To The Movies" and "The Other Little Girl." Two vocal solos, "In My Garden" and "God Painted A Picture" were rendered by Mrs. Ralph Parmer of Blissfield.

During the business meeting, at which the president, Mrs. Donald Goddard, presided, it was decided to send the layette, completed at the sewing bee recently, to a Navajo Indian reservation. A paper concerning the general federated nationwide "Build a Better Community" contest was read. It was announced that the Tecumseh club is to furnish music for the federated meeting to be held April 21. Announcements were also made of the Town Hall meetings and the cafeteria supper at the Methodist church, Friday. Officers for the coming year were nominated and will be elected at the next meeting.

Tea was served in conclusion with Mrs. Ellsworth Collins and Mrs. Jennie Temple pouring.

DISTRIBUTORS MEET

City Service Company distributors from Lenawee and Monroe counties held a dinner meeting at Brees House, Tuesday evening.

Chamber Names New Officers

THREE NEW DIRECTORS ELECTED TO BOARD; ANNUAL BANQUET NEXT TUESDAY

New officers were chosen and three new directors were named to the board of the Tecumseh Chamber of Commerce in an annual election and organizational meeting, this week.

In a mail ballot which ended March 4 p.m., Mrs. Helen Oliver, L. P. Williamson and K. D. Hall were elected to the board. The terms of Wade L. Jones, Ned Rosacrans and Fay Whelan expired with the election and six members were nominated a week ago to succeed them. They were L. W. Larsen, Donald Nixon and Harold Wolf, Mrs. Oliver, Mr. Williamson and Mr. Hall. Seventy-nine of the 147 members of the Chamber cast their ballots, and the three nominees receiving the highest number of votes were declared elected. The nominating committee, members of which also acted as tellers, was made up of J. H. Anderson, chairman, J. P. Ammer and B. G. Oosterhout.

In an organizational meeting of the board, Tuesday evening, Mr. Williamson was named as president, C. O. Butler, vice president, and Mr. Hall, treasurer. Other members of the board whose terms did not expire are W. J. Bruce, C. W. Gilman, R. H. Moore, Ellsworth Collins and Earl Wickwire.

The Chamber will hold its second annual "T-Day" banquet next Thursday evening at 6:45 at the high school. The principal speaker will be Otis Cook, managing director of the Michigan Retailers Association. Dinner music will be furnished by the Tecumseh Products Orchestra and there will be other entertainment. Circuit Judge G. Arthur Rathbun will act as toastmaster and the Rev. Fr. Michael Collins will ask the invocation. The "Citizen of the Year" award and other awards will be made.

Tickets for the banquet will go on sale today, in charge of a committee. However, it was pointed out that if members are not contacted by a salesman, tickets may be obtained at the Chamber office. It is expected that well over 200 will attend the banquet.

Saturday Matinees For Children Are Considered

The Tecumseh Child Study Club was entertained at the home of Mrs. LeRoy Titley, Monday evening, assisted by Mrs. Hubert Van Camp and Mrs. David Dick. During the business meeting, Mrs. Titley was appointed to investigate possibilities of sponsoring matinees Saturday afternoon for children at the local theatre. Pictures selected would be appropriate for school age children.

An announcement was made that two large size mirrors for the rest rooms at the high school will be installed in the near future. Members hemmed diapers for a layette that is furnished by the club and kept on call for local doctors and Tecumseh hospital. Persons wishing to donate used baby articles to the club should contact Mrs. Donald Nixon. The Club is announcing that there is a baby crib complete with mattress and baby buggy available for use in the community.

Mrs. Richard Preston gave a brief but constructive talk on "Playing With Your Children." She stated the best way to make use of the varied books on the subject was not only to read them but to "stay home and play with your children."

Refreshments were served at the close of the meeting by the hostesses. Unique favors were made for the children by Mrs. Robert Ries and Mrs. Duncan Oliphant.

56 Candidates Are Initiated By Grange

Fifty-six candidates were given the third and fourth degrees by the Tecumseh degree team, at the regular meeting of the Tecumseh Grange, Thursday evening. Some 175 persons were in attendance.

Tomorrow evening, February 18, the Grange will hold an auction when a new Letz grinder, donated to the Grange by the Hoyt Whelan Company, will be awarded. Lunch will be served in the dining room of the hall.

February 25, the first and second degree team will go to Raisinville to initiate a class of candidates.

BOARD TO MEET

The board of trustees of the Baptist church will meet Monday evening at the church.

DO YOU SMOKE IN BED?

Smoking in bed is one of the more prolific causes of fire—particularly fire which results in serious injury and loss of life. Those who have the habit would do well to read a list of "Instructions to Guests Preparing to Smoke in Bed" which has been posted in the room of a New York hotel. It says:

"1. Call the office and notify the management where you wish your remains sent . . .

"2. Notify guests in adjoining rooms of your intention of endangering their lives, so that they may take necessary precautions to protect themselves.

"3. Go to the corridor and locate the nearest fire escape, so that if you are fortunate enough to escape your room, you may reach safety.

"4. Now sit down and think how foolish it is for you to take this risk—you may enjoy your smoke while thinking it over.

"Business may be good, but we do not have guests to burn, so please—Help Us To Protect You."

Those words cover a lethally serious problem. And what is true of hotels is equally true of the home. Remember these rules next time you feel like smoking in bed.

BRITTON

Mrs. Paul Weber, Lenawee County Commander of Cancer Control of Adrian and Mrs. Guy Pocklington, Ridgeway township Cancer Control chairman met with the Macon Women's Club to organize a Cancer committee in Macon township. Mrs. Emma Bach and Mrs. Pocklington attended a district meeting held Friday at Jackson.

Mrs. Viola Daisher, Mrs. Emma Bach and Mrs. Roy Williams attended the Sonja Henie Ice Revue of '49 in Detroit Saturday.

Mrs. Fay Wiggins has spent the last week in Ann Arbor assisting at the home of Mr. and Mrs. Robert Mayfield, while Mr. Mayfield is hospitalized.

Mrs. Henry Lohr is a patient at St. Joseph hospital in Ann Arbor, where she underwent a major operation last week. Her condition is good.

Harry Williams has returned to Jackson after several days stay in the home of Mr. and Mrs. Louis Downing.

Mrs. Gladystene Daisher was hostess to the Lutheran Ladies Aid last Thursday with a co-operative dinner served to thirty members and friends.

Mr. and Mrs. Clay Croll were in Detroit on business Monday.

The Parent-Teacher Association plans to hold its regular meeting February 3 at the high school study hall. The program is built around "Founder's Day," observing the 20th anniversary of the Parent-Teacher Association.

The Britton Woman's Club met Tuesday afternoon at the home of Mrs. Will Daisher. A "surprise program" was presented by Mrs. Ford Exelby. Refreshments were served by committee in charge.

The Christian Church Dorcas class meet today at the church with a one o'clock luncheon in charge of Mrs. Myrtle Daykin and her committee. The program of the afternoon was presented by Mrs. Alberta Hallouer.

The Britton and Rebekah lodges held family night last night with a large group enjoying a potluck supper served following regular meeting. Later dancing and other entertainment was enjoyed to climax the evening.

Wayne Fernelius and his little policeman ventriloquist will entertain the students of Britton and surrounding rural schools Monday, February 21 at 10 a.m. He will demonstrate with song, stories and charts the safety rules for children of all ages hoping to leave a lasting impression with his youthful audience. He is presented through Butler Motor Sales of Tecumseh.

Today a program is presented in the Britton school and recorded for a re-broadcast Saturday morning at 10 a.m. over WABJ Adrian.

February 18 at 2 p.m. in the high school assembly, the students will view some outstanding religious pictures.

Mr. and Mrs. George Beale last Saturday escorted a group of seventh, eighth and ninth grade students to Ann Arbor for a skating party at the Coliseum. Later they visited the Natural Museum of the University of Michigan.

Mrs. Wm. Niblack reports seeing a robin in her yard, last week.

Lewis Hart, master craftsman in glass blowing visited the Britton school Wednesday morning presenting a program to the elementary grades at 9 a.m., and to the secondary school at 10 a.m. The program proved very entertaining, scientific and educational.

COMMUNICATIONS

To the Editor:

It was encouraging to read George Schumm's communication in the last issue regarding the discontinuance of chapel exercises in the public shools. While I believe that our school board and superintendent are in favor of abiding by what they believe to be the "law" in regard to chapel exercises, still if there was sufficient support on the part of the church folk of Tecumseh for starting the chapel services again, they would be the first to resume them. They want our support. So far as I am concerned it is a shame that one family in Champaigne, Illinois, should go so far as to bring about a Supreme Court decision that should scare the wits out of Christians in Tecumseh, Michigan. I get around a bit, and many other communities interpret the decision differently. I for one hope that chapel exercises might be resumed soon. I agree with George Schumm that the moral teachings of history should not be denied to the young people of Tecumseh.

THESE GIFTS I ASK

These are the gifts I ask of thee,
spirit serene—
Strength for the daily task,
Courage to face the road;
Good cheer to help me bear the traveler's load;
Aı for the hours of rest that come between
An inward joy in all things heard and seen.

1949 FORD Motor Company

Gold Medal Award
FASHION ACADEMY OF NEW YORK SELECTS

The '49 Ford
AS THE "FASHION CAR OF THE YEAR"

Citation "The 1949 Ford embodies all the essential qualities of good taste, modern design and subtle harmony in line and color. It is indeed a compliment to the style-conscious woman who will recognize and appreciate the flattering background it provides for her best dressed appearance."

THE FASHION ACADEMY SEAL OF NEW YORK

President, The Fashion Academy of New York

And "looks" are only half the story!

The Fashion Academy of New York has been noted for the past 20 years for its annual selection of "America's best dressed women." The '49 Ford was chosen to receive the Fashion Academy Gold Medal after 1949 automobile models of all makes and in all price classes had been carefully studied from the standpoint of excellence in design, simplicity and feminine style appeal. This recognition of Ford leadership in the modern trend of automobile design stands as a unique tribute to the work of Ford's Styling Department and of Design Consultant George Walker of Detroit.

"A Doll's House" Is Friday's Radio Play

Ingrid Bergman co-stars with Brian Aherne in A Doll's House, Henrik Ibsen's great drama, to be broadcast this Friday evening over Station CKLW at 8:00 p.m.

Written over seventy years ago, A Doll's House is concerned with the rights and dignity of each individual. Nora (Ingrid Bergman) had no rights in the society of her time or in the eyes of her husband, Torvald (Brian Aherne). Because Torvald failed to give Nora the real respect of his confidence, secrecy and misunderstanding grew between them. Finally Nora rebelled and left Torvald, to return when . . . "we shall share this doll's house as equals and as a home; that here, our life together shall become a true marriage and communion."

The relationship of Nora and Torvald, beautifully interpreted by Ingrid Bergman and Brian Aherne, dramatizes the need — both then and today — for following the true Christian foundation of marriage, because a couple who truly follow the promises of the Christian marriage ceremony find their way past many of the daily frustrations and misunderstandings to real and abiding happiness.

A Doll's House is the twenty-first in the series of challenging dramas on Great Scenes from Great Plays, sponsored weekly by families of the Protestant Episcopal Church and the Episcopal Actors' Guild.

$2,200 In Cash Prizes In Safety Poster Contest

DETROIT—Cash prizes totalling $2,200 in the 1949 annual national contest for school traffic safety posters were announced this week to superintendents and art teachers in more than 1,000 Michigan grade and high schools by Automobile Club of Michigan. Deadline for completed posters is April 15.

A grand prize of $425, intended as a one-year scholarship heads the list of 60 prizes, according to Ernest P. Davis, Auto Club safety and traffic director.

Michigan school students submitted 500 of the 5,000 entries in the 1948 contest. Cass Tech high school in Detroit produced 10 of the winning posters.

Subjects assigned to Michigan schools this year are the following safety rules. (1) "Cross only at Corners" and (2) "Wear White After Dark." Object of the contest is to secure traffic safety posters on the children's level for use in safety education activities and encourage art in classrooms. One of the 10 top prize winners will be issued each month during the 1949-50 school year for use in 150,000 elementary schools throughout the nation.

Entries will be judged by a national board consisting of artists, educators and AAA traffic specialists. Complete rules and poster specifications of the contest are now available in all high schools.

OBITUARY

MRS. AUGUSTA BENNETT

Mrs. Augusta Bennett was born April 22, 1859, in Franklin Township, and died February 7, 1949 at the home of her cousin, William Wright of Vermontville, at the age of 89 years, 9 months, and 15 days, after a long illness.

On March 7, 1888, she was united in marriage to Charles Bennett, who preceded her in death by 15 years.

To this union was born one daughter, Florence, who died at the age of 23.

She is survived by two cousins, William Wright of Vermontville, and Mrs. Etta Badgley of Grand Rapids, also a niece, Mrs. George Dixon of Clinton.

Mrs. Bennett spent her entire life in Tecumseh, until nine years ago, when declining health made it impossible for her to live alone.

Funeral services were held from the Pray Funeral Home of Charlotte, Thursday, February 10, 1949 at 10:30 a.m., with the Rev. A. D. McLachlan officiating. Interment services were conducted at the grave in Brookside cemetery, Tecumseh, at 1:30 p.m. Thursday, with the Rev. Edward Escolme in charge.

WIT, WISDOM CLUB

The Tecumseh Wit and Wisdom Club will meet at the home of Mr. and Mrs. James McDowell, Monday evening, February 20. Judge and Mrs. F. E. N. Thatcher are the assisting host and hostess and Mrs. Thatcher will present the program.

OBITUARY

Mrs. Emma Fielder

The funeral of Mrs. Emma Lucy Fielder was held at the Hause Funeral Home Wednesday, February 9. Mrs. Fielder passed away February 6 at the home of her son, William, 217 North Pearl St., Tecumseh, at the age of 93 years, 10 months and 26 days.

She was born in Bridgewater township, Washtenaw Co., March 11, 1855, the daughter of John and Jane Winham Hooten, where she spent her girlhood. She was united in marriage to William T. Fielder November 3, 1875, in Adrian, where they lived for several years, later moving to near Iron Creek where she spent the remainder of her life. The last two years were spent with her son William and family at whose home she passed away.

To this union was born 13 children—six daughters and seven sons. Her loving husband preceded her in death December 11, 1916, also two sons George and Cecil and three daughters, Mrs. Cecelia June, Mrs. Mary Wurster and Mrs. Vena Creger. Left to mourn her loss are five sons, Claude of Brooklyn, Frank of California, Roy and Fred of Manchester and William of Tecumseh, three daughters, Mrs. Lottie Creger of Tecumseh, Mrs. Tressie Nortley and Mrs. Lulu Nortley of Manchester, 67 grandchildren, a large number of great-grandchildren and several great-great-grandchildren, one sister, Mrs. Ida Kotts of Clinton and nieces, nepiews and a host of friends.

Friends and relatives attended from Adrian, Morenci, Traverse City, Detroit, Brooklyn, Clinton, Manchester, Ann Arbor, Norvell and Tecumseh. The bearers were Russell and Donald Creger, Sherman, Norman and Cecil Fielder, Murl, Garland, Nortley and Edward Wurster. She was laid to rest beside her husband at Reynolds Corners cemetery west of Clinton.

KIN OF LOCAL FOLK KILLED BY TRAIN

Mr. and Mrs. Owen Conrad and daughter Judy returned home last week Wednesday from a week's stay in Ohio, where they were called by the death of Mr. Conrad's parents, Mr. and Mrs. John C. Conrad of near Lancaster, Ohio. They were killed by a train in Stoutsville, Ohio. Twelve children survive, four of which are minors. Their eldest son, Owen, is co-owner of the Parkview Market business place on US-112 at the Hayes State Park entrance. He is employed at Meyer's Aircraft Co., in Tecumseh.

About The Folks You Know

When the snow predicted for Monday turned out to be a thunder storm, folks weren't surprised . . . It's been Spring one day and Winter the next all "Winter" long . . . The cold wave hit again Tuesday.

Youngsters in the elementary schools expressed their love for one another Monday with Valentines and so much to eat some youngsters had the tummy ache . . . High school age members of the Baptist Youth Fellowship skated into the hearts of one another, Monday evening, when the B.Y.F. Lenawee County Association sponsored a skating party at the Hill Top near Adrian . . . A devotional period concluded the party.

The Harold Wilsons and their daughter Louise, accompanied by the Harry Falings and their sons Dave and Michael of Petersburg were in Grayling over the weekend for the sports events . . . Saturday night it snowed four inches and near Grayling the snow was a foot deep on level ground.

A Valentine party was enjoyed by the Baptist Youth Fellowship following their meeting at the church, Sunday evening . . . Each one contributed a game or song as well as refreshments . . . Baptist youngsters have big appetites . . . The decoration committee fixed up a large table for the eats with red and white streamers and hearts.

Honoring the birthday anniversary of her husband, Mrs. Gibbs Barber entertained at dinner Sunday . . . The guests were Mr. Barber's parents, Mr. and Mrs. Clyde Barber, and his brother, Berford Barber and daughters Sandra and Jill of Saginaw . . . Mrs. Berford Barber was unable to come because of illness.

Friday Mr. and Mrs. Bert Fitter observed their 35th wedding anniversary and on Saturday evening they were pleasantly surprised when their daughter and husband, Mr. and Mrs. Gordon Greiman entertained eight couples at a chop suey supper in their honor . . . Cards were the diversion for the evening and the Fitters were presented with a lovely gift from the group.

Komedy Kings

(Continued from page 1)

they go half-way round the ball.

Vieing with "Little Jeff" in crowd appeal is Oscar "Flash" Griffith, the former All-United States Army star from Fort Bragg, North Caroline. Griffith is generally recognized as the world's best trick dribbler. He is a show in himself.

When it comes to big league basketball, Leon "Stretch" Jones and Billy "Whiz Kid" Copeland, the So. Carolina State College Negro All-American, supply the thrills. Both are clever floor men and deadly shots from long or short range. Mel "Bad News" Hale and Delroy "Bulldog" Taylor are other Kings who add to the merriment of the occasion. Heading the side show is "Bird" Moody, popular Harlem night club entertainer, who is assisted in his half-time acts by Delroy Taylor. Unless all indications fail, the largest crowd to ever see an exhibition cage game in our local gym will sit in on this spectacular combination basketball game and sideshow.

CARD OF THANKS

We wish to express our deep and sincere appreciation to all who were so kind and helpful during the illness and passing of our mother; To Rev. Brazee for his kind and comforting words, to the neighbors and all who assisted us in any way and the beautiful floral offerings. We thank you all.
The family of Mrs. Emma Fielder

CARD OF THANKS

I wish to thank all our friends for the cards, flowers and gifts I received while a patient at the hospital. Also Dr. Helzerman and all the nurses for their care.
Mrs. Earl Harrison

CARD OF THANKS

We desire to thank our friends and relatives for all of their kindnesses, especially Mr. Collins and Rev. Mr. Wilson, during our bereavement.
Raynor Aylesworth and family

CARD OF THANKS

I wish to thank all of my friends for cards and gifts during my illness.

STATE HEALTH MEET

The State Council of Health is meeting this (Thursday) afternoon at the home of Dr. and Mrs W. H. Mast. Dr. Albert E. Heustis, commissioner of the Michigan Department of Health, Dr. Henry F. Vaughan of Ann Arbor, president of the State Council of Health, Dr. Harold E. Wisner of Detroit, Dr. Mast, Dr. Kenneth A. Easlick of Ann Arbor and Dr. Joseph G. Molner of Detroit are attending.

The remaining favors are sent to Tecumseh hospital for the childrens' ward.

Old A. A. A. Traveler Ladies' Night Speaker

Unusual experiences gathered in more than 35 years of travel will be related, Monday evening by James P. Welsh, "The Old AAA Traveler," when he speaks at a special ladies' night meeting of the Tecumseh Exchange Club. The dinner program will begin at 7 o'clock in the Grange Hall and members of the Manchester Exchange and their ladies will be guests.

Well known as a newspaperman, magazine writer and radio commentator, Mr. Welsh has made a collection of intimate and rare stories of little known oddities, bizarre places and picturesque personalities both hobby and vocation. He was born in a frontier army post and Indians were his playmates. He has been adopted by the Ojibewa of Canada and the Navajo of New Mexico. Welsh's favorite hobby, cooking, has produced much writing on the subject, including his book, "Grill and Skillet."

At Monday's meeting of Exchange, Rex Martin, prosecuting attorney, was the guest speaker, discussing crime prevention. Warren Benham of Ridgeway and Jack Gooding were admitted to membership. LeRoy Titley was a guest.

Miss Dorothy McCollum Bride Of Raymond Schmelz

Friday afternoon at 3 o'clock in the Methodist parsonage at Bowling Green, Ohio, Miss Dorothy McCollum, daughter of Mrs. Sumner McCollum of near Clinton, became the bride of Raymond Schmelz of Carleton. The Rev. Lester Vesey performed the single ring ceremony.

For her wedding, the bride chose a gown of ivory white satin. The bodice featured a sweetheart neckline outlined with seed pearls and long sleeves. A fingertip veil fell from a tiara of seed pearls and her flowers were pink carnations.

As matron of honor, Mrs. Wilford McCollum was gowned in pale blue net over taffeta. Her flowers were white carnations.

Wilford McCollum, brother of the bride, attended Mr. Schmelz.

The bride graduated from Macon high school and the Ford Home Arts School in Detroit in the class of 1936. She had been employed by the Hayden Milling Co., and for the past three years has been at home with her mother.

The groom spent three years in the U. S. Army, spending 27 months of that time overseas. He is employed with the Detroit Southern Pipeline Co., at Flat Rock. The couple will reside with his parents at Carleton.

Missionary From China Day Of Prayer Speaker

Mrs. Charles DeVol, a missionary who has served in China since 1926, will be the speaker at the World Day of Prayer service, to be held in the Methodist church, Friday, March 4, from 2:30 to 3:30 p.m.

Mrs. DeVol only recently returned to the United States from Luho, where she served with her husband. Dr. DeVol is in Nanking at the present.

Women from the Baptist, Episcopal, Friends, Methodist and Presbyterian churches are busy making plans for the day. They are stressing the fact that the service is for men, women and children. It is customary for the downtown business places to close their doors during the service.

GET-TOGETHER PARTIES ARE URGED BY O. E. S.

Having enjoyed several successful benefit "Get-Togethers" recently, officers of the Order of the Eastern Star, are requesting members to stage similar parties in the future.

"It is the plan and aim of the Ways and Means Committee to have all the officers and members who are able, to sponsor a benefit of some sort," a committee spokesman said. "It may be an afternoon tea to which you may invite a few of your friends and neighbors, a social evening for games and chit-chat, or anything which will make an afternoon or evening enjoyable," it was explained.

No amount has been set as to an admission charge, but the parties in the past have proven successful financially, as well as entertaining. Any member who can sponsor a benefit is asked to advise the Ways and Means committee.

VALENTINE PARTY

After selecting the Parrett Nursing Home as their "helping place," Brownies of Troop No. 12 met in the basement of St. Elizabeth's church, Thursday afternoon, and made Valentine tray favors, which they delivered to their grandmas and grandpas at the home.

Betty Lee Kiser surprised her Brownie friends with Valentine cookes for each. A Brownie mother assisted their leader, Mrs. Harlan Boyes, with refreshments. One visitor enjoyed the meeting.

GARDEN CLUB TO MEET

Tecumseh Garden Club meeting, originally scheduled at the home of Mrs. Clarence Beach, will be held at the Episcopal church Youth Center, tomorrow, February 18, at 2 p.m. Brownie Scout Red Rose Troop No. 1 and their leaders will be guests. Mrs. Frank Ayres of Dundee will speak and show slide pictures on "Birds In Our Own Back Yard."

ENGAGEMENT ANNOUNCED

Mr. and Mrs. John Larsen of Jackson have announced the engagement of their daughter, Lenore, to Clinton Mark O'Jibway, son of Mr. and Mrs. George O'Jibway of Ferndale. The wedding date has not been set. The Larsens are former Tecumseh residents.

TO SPONSOR PARTY

The Altar Guild of St. Peter's Episcopal church will sponsor a public card party, to be held Monday evening, February 28, in the Youth Center, at 8 o'clock. There will be prizes and refreshments. Proceeds from the party will go into a fund to build cupboards for the altar hangings.

Miss Lenore E. Mohr Weds Jack L. Curtiss

Before a background of burning tapers in candelabra, palms and flowers in the First Presbyterian church, Friday evening, February 11, Miss Lenore Ellen Mohr, daughter of Mr. and Mrs. Waldo W. Mohr, became the bride of Jack Lyman Curtiss, son of Mr. and Mrs. Lyman Curtiss, all of Tecumseh. The double ring ceremony was performed by the Rev. Donald C. Wilson, at 7:30 o'clock.

Mrs. Fred C. Dickinson played a program of organ music as the guests were seated in the pews marked with white satin bows. Thomas Morton of Detroit, brother-in-law of the groom, and Robert E. Mohr, brother of the bride, were the ushers. Preceding the ceremony Mrs. Gordon C. Miller sang "Because" and "The Lord's Prayer."

Lovely in her gown of ivory brocade satin, the bride approached the altar on the arm of her father, who gave her in marriage. The tight fitted bodice of the gown was styled with a yoke of nylon illusion. Small scallops outlined the deep neckline, cap sleeves, and matching mitts. The front of the full skirt featured a peg top drape, and the pleated bustle effect in the back ended in a short circular train. Her three-tiered veil of French silk illusion fell from a coronet of orange blossoms and seed pearls. The tiara was made by the groom's aunt and has been worn by other members of the family. A Bible topped with a white orchid was carried by the bride.

Mrs. Robert E. Mohr attended her sister-in-law a matron of honor. Her gown of Beauty Rose faille taffeta featured a shirred bodice with a V neckline and cap sleeves. The full skirt was fashioned with a pleated bustle back. She wore matching gauntlets and a halo of yellow daffodils and ostrich feathers in her hair. As junior bridesmaid, Miss Sandra Kay Hall, cousin of the bride, wore a dress made of the same material as the bride's gown but styled like the matron of honor's. She wore a halo of stephanotis and sweetheart roses. Each carried a colonial bouquet of flowers.

Owen Curtiss attended his brother as best man.

For her daughter's wedding, Mrs. Mohr chose a navy print dress with white accessories. Mrs. Curtiss selected a gray print with brown accessories. Both mothers wore a corsage of pink camellias.

Immediately following the ceremony a reception for some 100 guests was held in the church parlors. Mrs. Clifford Jackson, Miss Sally Heilman, Mrs. Owen Curtiss and Mrs. Jack Brown assisted with the serving. Mrs. Kenneth Cotter, aunt of the bride, cut the four-tiered wedding cake topped with a miniature bride and groom. Mrs. Thomas Morton, sister of the groom, was in charge of the guest book.

When the couple left on a two-week trip to California, they were wearing matching grey tailor-made suits. The bride's accessories were white and black and a white orchid was pinned to her shoulder. Upon their return the new Mr. and Mrs. Curtiss will be at home in their apartment at 315 North Union St.

The bride graduated from Tecumseh high school in 1946 and is employed by Gaston & Son. The groom graduated from Tecumseh in 1942, served in the Pacific area with the U. S. Navy during World War II and is now employed by the Tecumseh Products Company.

HOLLOWAY

Margaret Ann and Jimmy Lunn were hosts Saturday evening to the Holloway Presbyterian Junior choir at a Valentine party. Games were in charge of Jill Bennington, and the 14 guests had plenty of fun. Refreshments were served by the hosts. Miss Norma Jean Baxter is the director.

Mr. and Mrs. Alton Wellnitz were hosts to Miss Verna Beaverson of Toledo and Ron Beaverson of Detroit who spent the weekend. Sunday was the birthday of their son Daniel and other guests who came to honor him were Mr. and Mrs. Solon Daniels and their children and Mr. and Mrs. Glenn Daniels and family of Riga and Mary Margaret Mitchell. Daniel had a large lighted birthday cake and received many gifts from the guests.

The Ladies Aid of the Holloway Presbyterian Church will meet Thursday evening at 6:30 for a potluck supper and Family Night. The hostesses are Mrs. Ken Kopke and Mrs. Walter German and the entertainment is under the direction of John Calhoun and M. T. Fairbanks. An interesting program is being planned.

The Junior choir will meet Saturday afternoon at the church at 2 p.m., and will sing at the morning service Sunday.

Mr. and Mrs. Ned Comfort and son of Albion spent the weekend with his mother, Mrs. Bertine Comfort and grandmother, Mrs. Ida Rogers.

Mr. and Mrs. Clifford Graham of Monroe were Sunday guests in the home of Mr. and Mrs. Floyd Graham, Sr.

Mr. and Mrs. Lawrence Gallaway and family spent Sunday visiting Mr. and Mrs. Clarence Wilkinson of Spring Arbor.

Mr. and Mrs. Clark Sinclair and daughter Marilyn spent the week end with Mr. and Mrs. S. J. Forsythe of Detroit.

Mr. and Mrs. Walter German spent Sunday with their son Bill who is a student at East Lansing.

Mr. and Mrs. Lawrence Williams and family entertained Sunday in their home Mr. and Mrs. Harold Mathews and family of Jackson and Mr. and Mrs. Harlan Sager and family of Sand Creek.

CUB PACK MEETING

A Blue and Gold pack meeting of the Cub Scouts will be held in the high school gymnasium, this (Thursday) evening with a potluck supper at 6:30 p.m. Rev. B. O. Bashore will give the invocation. Mrs. Gerald Robert's Den three will present the opening exercise and Mrs. Harold Naser's Den one are in charge of the closing exercise. Various awards will be made and movies will be shown.

And Pharoah took off his ring from his hand and put it on Joseph's hand, and arrayed him in vestments of fine linen and put a gold chain around his neck . . . Genesis 41:42.

Here was Joseph—who had undergone humiliation, slavery, prison to prove his firm belie fin iation, slavery, prison to prove his firm belief in convictions—made the second most powerful man in all Egypt. His faith had brought him to this high point in his career, and his talents were at last being put to work for the benefit of all the people.

There are many modern Josephs fighting for their church and their main enemy is your unconcern for the greatest citadel of truth and everlasting peace the world has ever known—the Church of Your Choice.

These Josephs need your strong support—they need the benefit of your presence in their midst—they need you at your church—this week. Don't let them down!

Tourist Trade Is On Upgrade

MICHIGAN NOW ONE OF THE "BIG THREE" IN NATIONAL POPULARITY

Michigan was in "The Big Three" in the nation's tourist industry in 1948, according to a survey conducted by a national magazine. New York had the largest number of vacationers, California was second and Michigan third. Illinois and Florida followed and Wisconsin and Ohio were tied for sixth place.

In commenting on the survey, Robert J. Furlong, Administrative Secretary of the Michigan Tourist Council, explained that the results gave a representative picture of some two and a half million families included among the magazine's vast readers. He added that these reader-families probably are characteristic of the vast number of families in the middle income group.

The survey revealed that Michigan and New York will be tied for second place in 1949, with California moving out in front. Furlong points out, however, that the survey sees no gain in vacation business for Michigan this year. The tie for second place is a result of a predicted drop in New York's standing. California, on the other hand, is expected to enjoy a sizeable increase in the number of visitors.

"Results of this and other surveys among vacationers indicate that Michigan will enjoy another big year in the tourist business," said Furlong, "But our state cannot stand still. Competition from other states is becoming so keen that we have a bigger job than ever before if we are to induce new visitors to come here and if we are to keep the others coming back."

Mentioned only for its unusual quality, an unprompted story involving Quaker popped last month from the New York office of John-Frederics, famed women's hat designers.

In a story which the United Press carried to newspapers across the country, the firm announced that among the hats to be worn by smartly dressed ladies this Spring will be one creation of natural straw which has been named "Quaker Oats."

The bonnet is described as having "a straw crown and a brim covered with the bobbing flowers." Those who would like more complete information on this creation can easily see the actual article on their wives for a mere $75 or so.

IT'S BEEN OVER 27 YEARS SINCE I'VE HAD A RAISE IN WAGES... *And I just can't make both ends meet with* TODAY'S HIGH COSTS

Almost every item that Reddy uses in his business of producing electricity and delivering it to homes and factories has INCREASED to the point where he must call for help.

Take his coal bill, for instance . . . ***and he will use over 2,000,000 tons of coal this year.*** The price per ton jumped from $4.12 to $8.20, an increase of 99%.

And so it goes right down the line — cost of poles UP 90%, copper wire UP 95%, hardware UP 90%, employee wages UP 67%. This is the picture . . . and the reason Reddy has to give up and ask for an increase in salary.

The wage boost he is asking for, however, will increase the average residential customer's bill only 2½c a day.

Even if I get my pay boost of 2½¢ A DAY
I'm sure you'll agree that my wages will still be in the BARGAIN BRACKET

Non-Partisan News Letter

By Gene Alleman
(Special to The Herald)

LANSING—Confused Republican bigwigs, still bewildered from the November election shock, were weighing this week the merits and demerits of a brand new issue for the coming spring election.

The issue is more emotional than rational. It doesn't have much to do with maintenance of state highways, for good or worse; or whether Michgan boys and girls are getting a good deal in education; or all of the other things candidates for office conjure when they're wooing votes. These would be the stuff about which speeches are written.

Being emotional in its substance, the issue would be controversial and highly explosive. Some leaders counsel that "sleeping dogs" should not be disturbed so soon; others think that the dogs are far from being in innocent slumber, that they already have Republican legislators up a tree, and so the party might better face the music and get going—to mix the metaphors.

All of this cryptic stuff is preface to the February 5 record of the State Democratic convention at Grand Rapids.

Here it is, as facts readily bear out.

Old-line Democrats, such as those who once loyally followed Murray D. "Pat" VanWagoner, witnessed the "capture" on February 5 of the state Democratic organization by the Congress of Industrial Organizations. The Party boss was not the youthful Governor G. Mennen Williams, the Grosse Pointe beneficiary on November 2 of CIO "yes" votes and GOP "no" votes.

The new party boss was August Scholle, president of the CIO state council and chairman of the union's Political Action Committee. It was the astute Scholle who presented a slate of candidates to be nominated for the spring election.

Opposition to his slate collapsed. Favored candidate of "old-line" Democrats for state highway commissioner was William H. Harvie of Birmingham, a former engineer for the state highway department. Because of the candidate's capabilities and the well-run campaign directed by C. W. Lucas, secretary to former Governor Van Wagoner, the Harvie band-wagon was running smooth. That is—until Scholle took over!

The CIO choice for highway commissioner was John H. McCarthy of Mt. Clemens; for superintendent of public instruction, E. Burr Sherwood of Stambaugh.

The convention was also unorthodox politically in the fact that the state chairman, John R. Franco, was completely ignored. Hicks Griffiths, law partner of Governor Williams, was chosen chairman.

The CIO tried to upset the re-election candidacy of Justice Edward E. Sharpe of Bay City because of Sharpe's record of court decisions, said to have been "reactionary." But the party leaders, apparently worried that the CIO might be going too far, finally united on Sharpe. The second nominee, George E. Bushnell of Highland Park, was unopposed.

Since the record shows that the Michigan CIO dictated most of the choices, the question before Republican strategists is something like this: Should the GOP make the CIO the spring election issue? Should Michigan let one labor organization "take over" selection of a party ticket? Here might be the potential ingredients of another "protest" vote, much to the liking of those citizens who relish casting their ballot in reverse.

But to stir up the CIO, hush-hush other Republican leaders, would only invite an organized march of union members to the polls. That runs counter to traditional GOP strategy of concentrating on the rural vote. If this logic were heeded, then the spring campaign would be rationalized by issues of highway and educational needs.

However, the Democratic convention attendance — one of the largest in history — does not indicate that the Michigan CIO is going to be disinterested in the spring election outcome. The governor's program to tax "big business" is certain to be kept quietly on the legislative shelf until after the election. No issue there.

If the Michigan CIO can demonstrate its liberal appeal with the rank and file of Michigan voters by winning the spring election, then perhaps a pattern can be evolved whereby the Democratic party will become [illegible] party" in everything but its name.

There you have it. What will the Republicans do? That is the $64 question.

PART II-A, CHAP. I, SEC 16—Any elector who is unable to make personal application for registration because of physical disability or absence from the township, city or village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the clerk of the township, city or village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the clerk of the township, city or village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for signature of the registration officer and designate his title.

NOTE—Sec. 2825 provides that in townships, cities, or villages having a population of 5,000 or less the duplicate "master" registrations may be dispensed with.

HE KNEW NO STRANGER

He knew no stranger, knew no foe
Gnarled age, unkind, uncouth,
He welcomed, warmed, and age replied.
Smiled, and became as youth.

His heart and hand were never still
His moments knew no end,
Gathering gifts like flowers in May,
Giving to each new friend.

And all he gave came back to him,
Spring superceding Spring,
Till each new foot print that he left

Grew thick with blossoming.
Arms still so filled with thoughtful deeds,
No room was left for shrouds,
He walked with sunlight up the hill,
And stepped into the clouds.

Whelan To Open New Farm Sales

$35,000 BUILDING COMPLETED: FORMAL OPENING ON 30TH ANNIVERSARY

Formal opening of the Hoyt E. Whelan Implement Company's new $35,000 building on West Logan street on Tuesday, March 1, was announced today by Fay A. Whelan, president of the company. The new building adjoins on the west the old home of the Whelan company which, in the future, will be used for the storage of parts and equipment.

The formal opening date falls on the 30th anniversary of the founding of the Whelan company in Tecumseh. It was in 1919 that the sales and service store for farm implements was opened by Hoyt E. Whelan, father of the present president. When Mr. Whelan died in 1928, Mrs. Whelan carried on the business until 1936 when Fay A. Whelan, the son, who in 1931 graduated from Michigan State College and who had been active in the firm, took over the management. Today, Whelan's is known as one of the largest John Deere dealerships in southern Michigan, carrying a parts and stock inventory of more than $75,000.

Mr. Whelan said that the opening date was being combined with the firm's annual John Deere Appreciation Day which annually brings nearly 1,000 farmers, their families and friends to Tecumseh. The day will get under way on March 1 at 9 o'clock at the sales rooms and at 10:30 there will be a free feature-length movie at the Strand Theatre. At noon, everyone will go to the Whelan Store where lunch will be served and in the afternoon there will be more farm pictures and discussions. The program will end about 3:30, in time to permit everyone to get home for their chores.

The new Whelan home is considered to be one of the most modern implement sales rooms and service shops in all of Michigan. It is built of brick, steel and concrete, is 54 feet in width and 100 feet in depth. About half of the building is given over to display space, offices and parts stock rooms and the other half is for

Strife In China Speaker's Topic

RETURNED MISSIONARY IS WORLD DAY OF PRAYER SPEAKER, MARCH 4

Local folk will have an opportunity to hear a first-hand account of the conditions existing in China, when Mrs. Charles DeVol will speak at the World Day of Prayer service, Friday, March 4, in the Methodist church, from 2:30 to 3:30 p.m. Church women throughout the world will conduct similar services on that day.

Due to the strife in the area in which she was serving as a missionary, Mrs. DeVol was forced to return to this country in late December of last year. She will speak of conditions in Luho and Nanking, where she and her husband have been for the past two and one-half years. Dr. DeVol remained in Nanking.

Dr. and Mrs. DeVol have served as missionaries in China since 1927 and have visited in Tecumseh several times. His brother and wife, Dr. and Mrs. W. E. DeVol, resided in Tecumseh for about a year, during which time she was a member of the nursing staff of Tecumseh hospital and also assisted in the office of Dr. R. F. Helzerman. Friends here will be interested to know that Dr. and Mrs. DeVol will leave for India soon where they will be in charge of the hospital of the American Friends Mission at Chhattarpur.

It is customary for the downtown business establishments to close their doors during the hour of the World Day of Prayer service. It is being stressed that the service is for men, women and children alike.

GIRL SCOUT INSTITUTE

An announcement has been made of an all-day Girl Scout Institute to be held in Hillsdale next Thursday, March 3, for anyone who is interested in Scouting, including mothers, leaders, assistant leaders, committee women and others who desire to attend.

Registration is from 9:30 to 10 a.m., and a "nose bag" lunch will be held at noon. In the afternoon detailed instruction in Scouting will be given. For further information, those interested may call Mrs. Grenval Spangler.

New Home Of The Whelan Company

Photo shows the front exterior of the new $35,000 home of the Hoyt E. Whelan Implement Company, W. Logan street. The new structure is immediately west of the old building which, in the future, will be used for storage purposes. Formal opening of the new building will be held next Tuesday, March 1, when the firm observes its 30th anniversary and annual John Deere Day. There will be free motion pictures at the Strand and a free lunch will be served to farmers, their families and guests at noon by the Whelan firm.

YOU MAY WELL BE PROUD OF YOUR COMMUNITY

Exhibits In Store Windows Show Industries Products

"Manufactured in Tecumseh! Be Proud of Your Community."

Placards bearing the above inscription are appearing this week in several downtown store windows, along with exhibits of products manufactured by a number of local industries. The exhibits are being staged in conjunction with the annual banquet of the Tecumseh Chamber of Commerce, to be held this evening in the high school gymnasium.

Chamber directors in arranging for these exhibits expressed their belief that many persons in the community were not fully aware of the products made in their home town, and that it would be of value to the industries and of benefit to the public if attempts were made to publicize these products.

The exhibits are attracting a great deal of favorable attention. Comment has been heard from several sources that the project should be repeated in another year with an attempt made to present to the public a complete Tecumseh industrial exhibit.

The following exhibits are now on display: Tecumseh Products Company in Wolf's Refrigeration and Appliance Shop, Quaker Oats Company in Oliver's Nation-Wide Store, Bruce Foundry in Baldwin Hardware, Comfort Brick and Tile in Palman Bros. Department Store, Hayden Mills in Van's Pastry Shop, and Tecumseh Sash and Door in the W. D. Hite Hardware.

In addition to these an exhibit of pictures showing some of the highlights of 1948 is in the window of the United Savings Bank.

Annual 'T-Day' Dinner Tonight

OTIS COOK OF MICHIGAN RETAILERS TO ADDRESS CHAMBER OF COMMERCE MEET

Otis Cook, managing director of the Michigan Retailers Association, will be the guest speaker at the annual T-Day dinner of the Tecumseh Chamber of Commerce this evening at 6:45 at the high school. It is the annual meeting of the Chamber, reports of the past year's activities will be made, and more than 200 persons are expected to attend.

The Tecumseh Products Company's orchestra will furnish music throughout the dinner, and there will be other entertainment. Circuit Judge G. Arthur Rathbun will act as toastmaster and Ronald E. Harris, secretary of the C. of C. will speak, using as his subject, "1948 Was a Great Year." Following the presentation of the Chamber's annual awards, the program will be brought to a close with a talk by the president, L. P. Williamson, using as his subject, "1949 Is Up To Us."

"Tickets for the banquet are now on sale by a committee, and members of the Chamber, their wives and guests are invited," Mr. Harris said. "However, it is possible that someone may be missed by ticket salesmen. In that event, tickets for those who desire to buy them will be on sale at the Chamber office. Everyone is invited, we do not want anyone to be overlooked."

Garden Club Enjoys Talk On Birds, Flowers

Mrs. Frank Ayres of Dundee spoke and showed slides of birds and flowers when the Tecumseh Garden Club met at St. Peter's Youth Center, Friday afternoon. Mrs. Ayres was especially entertaining for the Brownies of Red Rose Troop No. 1, who were guests of their sponsor, the Garden Club. Mrs. Gordon Miller's classes at the parish house were also invited to view the pictures.

More than 50 members and guests were in attendance at the party, which was arranged by a committee composed of Mrs. Clarence Beach, Mrs. Kennard Wise, Mrs. Paul Clauda and Mrs. August Hoffmeister. Mrs. L. W. Larsen and Mrs. Lester Rogers poured tea from the table gay with Valentine decorations.

TAX NOTICE

Due to Washington's birthday, I will be at the United Savings Bank Wednesday, February 23, instead of Tuesday. I will be at the bank every Tuesday and Friday from 11:30 a.m. to 3 p.m., thereafter.

Local Teachers To Attend County Institute, Friday

Friday, February 25, the Lenawee County Teacher's Institute will be held at the Adrian Senior High School Auditorium starting promptly at 9:30 a.m.

The morning program will consist of musical selections, announcements, introduction of our new county librarian; a address by Dr. Lee M. Thurston, state superintendent of public instruction, whose topic will be "The Lights We Follow;" and an address by Dr. Beryl Orris, noted psychiatrist whose subject will be "Debunking the Adolescent Bogey."

In the afternoon there will be group meetings with the elementary teachers under two divisions —SPEECH CORRECTION with Miss Elsie Edwards, director of student teaching in speech correction at Michigan State College, and READING with lectures by Dr. Kathleen Hester, instructor of reading methods at Ypsilanti whose topic will be "Remedial Reading", and Dr. Gertrude Whipple, supervisor of the language arts dept., Detroit schools, speaking on "Skills in Grades 4-6." Both divisions will have panel discussions. The junior and senior high-school teachers will hear Prof. Byron O. Hughes of the University of Michigan who will speak on "Professionalism in Teaching." This will also be followed by a panel discussion."

All teachers in Lenawee county are expected to attend this meeting. Local schools are closed to permit Tecumseh teachers to attend.

BAPTIST UNION

The Baptist Ladies Union will meet at the home of Mrs. Ira Ashley, Thiffsday, March 3. Mrs. Ernest VanVleet has charge of devotions and Mrs. Fred Sheldon will review the first half of the book "Baptist Crossroads."

GIRL SCOUTS TO MEET

The Tecumseh Girl Scout Association will meet at the high school Wednesday evening, March 2 at 8 p.m.

Country Club Ready May 30

FORMAL OPENING ON DECORATION DAY; PLANNED; MEETING NEXT MONDAY

A series of meetings for all interested members of the Tecumseh Country Club has been announced by Leo Bishop, golf professional, under the direction of Frank Purcell, president of the association.

The first meeting is scheduled for next Monday evening, February 28, and the second on Wednesday evening, March 2, at 8 p.m. Both meetings will be held at Butler Motor Sales, second floor.

At these meetings, Mr. Bishop plans to show motion pictures of some well known professional; explain the fine points of golf, golf rules, golf etiquette for the beginners, proper selection and use of clubs and other points of interest to players.

Bishop also is planning a meeting for prospective caddies on Friday, February 25, at 2 p.m., at the same location. All interested boys, twelve years of age or older, are invited. "As you know," Bishop said, "good caddies can earn excellent money but it requires training to make good caddies."

Mr. Purcell urged that there be a good attendance of members of the country club at the meetings.

Present plans call for the formal opening of the club on Memorial Day, May 30. The brick work on the club house has been completed and carpenters are now busy on the job. The greens for the 9-hole course are in.

LEAGUE TO MEET

The Presbyterian League will meet Tuesday evening, March 1, at the home of Mrs. Magdalena Saling, at 8 p.m., with Mrs. Betty Stevens and Mrs. Ethel Heidenreich as the assisting hostesses. Mrs. Helen Bowen will lead in devotions and Mrs. Helen Hendershot, program leader, will present Mr. and Mrs. Don Goddard, who will show movies of their European trip.

GOVERNMENT SUBSIDIZES SCHOOL LUNCH PROGRAM

Well Balanced Meal Is Available For 30 Cents

Tecumseh public schools is this year participating in the federal school lunch program which is available to all schools, according to Earl H. Place, superintendent.

With schools taking part in the school lunch program, the parents of Tecumseh are saved nine cents on all hot lunches. They also save two cents on all bottles of milk served in the kindergarten, first and second grades. The parents are also saved another ten cents of the meals purchased because of the donated commodities which are given away to schools participating in the school lunch program. Ralph J. Budd, Office of the Federal Budget, is the director of the surplus commodities.

For hot lunches at school Tecumseh has received 180 pounds of dried prunes, peaches, raisins and figs; 100 pounds of dried apples; 200 pounds of nut meats; 224 pounds of dried eggs; 708 cans of grapefruit juice; 504 cans of apple sauce; 420 cans of orange juice; 54 cans of peanut butter and 4200 pounds of white potatoes.

The following is a typical menu selected by Mrs. Martha Kuhn, home economics instructor, who is assisted by Mrs. Mildred Gove:

Baked vegetables and meat balls
Mashed potatoes
Cabbage and pineapple salad
Buttered rolls
Assorted fruit sauces
Milk
Fruit juice

During the month of January 1472 meals were served to students in all grades and 3856 bottles of milk were drunk in the elementary grades. A lunch such as the one indicated for this menu is served for only thirty cents.

Red Cross Drive To Begin Mar. 1

MRS. L. W. LARSEN IS NAMED CHAIRMAN OF CAMPAIGN IN TECUMSEH

The annual Red Cross membership drive will be launched in Tecumseh March 1, Mrs. L. W. Larsen, local chairman announced today.

No quota has been set for Tecumseh, but Mrs. Larsen pointed out that she hoped there would be a generous response. Organizations in Tecumseh are requested to donate amounts similar to previous years, as is industry, the chairman said.

A gift receiving station will be set up in the United Savings Bank and volunteer workers will be there every Monday, Friday and Saturday during the month of March. No house-to-house canvass will be made, Mrs. Larsen said. Any person who is unable to come to the bank to make a contribution may call Mrs. Larsen at 710 W. Pottawatamie street or phone 311 and a volunteer worker will pick up the gift.

"The record of the missions you have performed through the Red Cross in the past year is something that every member should be proud of," the chairman said. "It would be impossible to list the individual acts of mercy and humanitarian service but the following statistics should show the importance of your contribution," she continued. Listed among the services were 303 domestic disaster relief operatons with assistance to more than 300,000 persons, $17,000,000 in life-saving blood products distributed, assistance to 1,100,000 veterans and their families, service to 700,000 men in uniform, and a half million Junior Red Cross gift boxes sent to children abroad.

Mrs. Larsen also pointed to the assistance the Red Cross is giving the snow-bound western states. A portion of the money collected remains in Lenawee county, it was said.

Mrs. Alice M. Burns Is Buried At Macon

Burial services were held at the grave in Macon cemetery, Monday afternoon, for Mrs. Alice M. Burns, after the funeral which was held in the Ira Garner Funeral Home in Toledo. Dr. R. Lincoln Long officiated.

The bearers were Raynor Scudder, Elton Osborne, Max Collins, Robert Baumberger, Roscoe C. Baker and Glenn Pearson. Friends and relatives attended from Toledo, Cleveland, Monroe, Weston, Bowling Green, Maumee, Saline, Macon and Tecumseh.

Mrs. Burns, wife of the Rev. W. C. Burns, died Friday morning at her home in Toledo after a long illness. She was 90 years of age. Born in Macon, she was the daughter of the late Mr. and Mrs. Isaac Collins, who were among the early settlers in that community. Dr. and Mrs. Burns have lived in Toledo for 24 years and celebrated their 63rd wedding anniversary last September.

She was a member of the Palestine chapter, Order of the Eastern Star, of Toledo, and the Collingwood Presbyterian church and the Missionary Society.

Surviving are her husband, a daughter, Miss Mildred V. Burns of Toledo, a niece Nina Collins of Toledo and a number of other relatives.

40 ATTEND MEETING

Some 40 members of the Presbyterian Women's Association met at the church, last week Wednesday evening.

Mrs. Frank Bates and Mrs. Lynn Harris reviewed a portion of the new book" China—Twilight Or Dawn." Mrs. Robert Manchester directed a play entitled "Here I Am Lord, Send Me." The cast included Mrs. Ted LaBounty, Mrs. Gordon Miller, Mrs. Charles Stephenson, Mrs. James Barton, Mrs. Frederick Dickinson and Mrs. Ray Sluyter.

Refreshments were served by Mrs. Harold Hall and her committee.

Local Band Students Win Festival Honors

Clare Camburn and several of his music students from Tecumseh high school participated in the district solo and ensemble festival at Grand Ledge, Saturday. Mr. Camburn acted as one of the officials.

Marilyn Lindsley was placed in the first division as piano soloist. Others who participated and placed in the second division were: Geraldine Handy, piano soloist; Duaine Hay, clarinet soloist; Norma Comfort, French horn soloist; Marian Comfort, cornet soloist; Truly Ogden, saxophone soloist; clarinet quartette, Duaine Hay, Howard Powell, Pat Long, Joyce Kopke; saxophone quartette, Truly Ogden, Brenda Porter, Donna Burleson and Geraldine Handy; Louis Vargo, saxophone solo. Sally Brown was the accompanist for a solo.

Progressives Choose Ticket

WATKINS TO SEEK RE-ELECTION AS PRESIDENT; TWO NEW NAMES APPEAR

Marvin Watkins, village president for the past year, was nominated to succeed himself at the Progressive Party's caucus, Monday evening, at the council building. The Progressives is the only party to caucus here this year and, because the legal time for a caucus before election has now elapsed, nomination should be equivalent to election.

The term of Mr. Watkins as president, and A. W. Porter, Charles Mensing and George McCombs, trustees, Wade L. Jones, clerk, Charles Fay, treasurer, and Thomas O'Hara, assessor, expire with the approaching March 14 election.

At the caucus, all of the incumbents were nominated to succeed themselves except Mr. Mensing and Mr. O'Hara. Ray Sluyter was nominated to succeed Mensing and John Saling to succeed O'Hara.

It took only seven minutes to acted as chairman, E. M. Campbell acted as chairman and K. D. Hall was the secretary. Tellers were Forest Abner and R. W. Meade. There were no contests, all nominations being by acclamation.

Sees No Need For Fear From Russia At Present

The United States has no need for immediate fear from Communist-dominated Russia in the opinion of Dr. Preston W. Slosson, history instructor at the University of Michigan, who spoke, Tuesday evening, at the second Town Hall meeting at the high school. About 150 persons attended and, at the conclusion of his talk, Dr. Slosson answered a score or more of questions from interested listeners.

Slosson would not risk a guess as to whether or not Russia has the atomic bomb but he said that should she have it, in all probability it would be dropped in New York harbor rather than on the city, because of its radio activity in water.

The Berlin air-lift is one means of holding the peace, the speaker said, although the plan is expensive. However, he pointed out that money can always be replaced, but not so with human life.

Dr. Slosson's talk proved most interesting to his audience.

U. Of M. Artist Will Speak To Monday Club

Carleton W. Angell, an artist from the University of Michigan, will be the guest speaker at the meeting of the Tecumseh Monday Club, February 28, to be held at the home of Mrs. E. E. Hendershot, 305 West Chicago Blvd.

"Sculpture in the Making" will be the topic of Mr. Angell's illustrative talk, which is designed to aid those who wish an intimate knowledge of the sculpture workings. Techniques, tools and devices will be fully explained by the speaker. Mrs. C. Ray Puffer is program leader.

Members are requested to bring gifts for the Navajo Indian reservations. The assisting hostesses are Mrs. Veva Conner, Mrs. Maynard Mulvaney, Mrs. Margaret Kidman and Mrs. Jessie Manwaring.

TO SPONSOR PARTY

A public card party will be sponsored by the Altar Guild of St. Peter's church, Monday evening, February 28, in the church's Youth Center. Mrs. L. W. Larsen, president of the Guild, and a committee are completing arrangements for the party, the proceeds of which will be used to build cupboards for the altar hangings.

Any card game desired can be played. There will be prizes and refreshments. The public is invited.

'Komedy Kings' Here on Monday

NEGRO CLOWN CAGE TEAM TO MEET PRODUCTS AT HIGH SCHOOL HERE

The Komedy Kings of New York City, internationally famous Negro clown basketball team, will be in town on Monday, February 28, ready for their exhibition game with the Tecumseh Products, in Tecumseh high school gym, at 8:30. There will be a preliminary game at 7:30. This event is heralded as one of the outstanding sports features of the season. This is the Kings' fifth year together on the hardwood and they have established an enviable reputation during that time. Two years ago they chalked up 52 straight wins as the season closed. Last year they played tougher teams and their record wasn't quite so impressive although they won their share. January of this year the Komedy Kings scored 14 wins while dropping one, and they believe they have the best combination they have ever had.

Outstanding is "Little Jeff" Fritz 7'1" giant who played at U. C. L. A. and it is needless to predict that all eyes will be on him when the Kings take the floor. Fritz is so big that one of his favorite tricks is to chin himself, poke his head through the basket, and let the Kings take pot shots at him. The big fellow weighs 240 pounds, wears size 16 shoes, a 17½ shirt with 42 inch sleeves, and 8¼ hat, and can high jump 6'16". The second tallest player on the Kings is

Indian Cagers Down Pittsford

TECUMSEH NOW IN FOURTH PLACE IN LEAGUE; PLAY ADDISON, FRIDAY

By Gordon Comfort

The Tecumseh Indians trounced the Pittsford cagers last Friday night at Pittsford, by 24 points. The final score was 51 to 27. It was the fifth L.C.A.A. victory for the Indians this year. Tecumseh now has a .454 average, having played 11 games and winning five. Pittsford has lost 11 games straight. The Indians now are in fourth place in the Lenawee County Athletic Association. Forward Doug McDowell was high point man for the evening with nine field goals and two free throws for a total of 20. Forward Jack Gillin came next with 10 points.

The Indians took an early lead in the game and at the end of the first period the score was five to nine in favor of Tecumseh. At the half it was 20 to 11. The third quarter was the best for the Indians who dropped 17 points through the net while Pittsford got four. The score at the end of that period was 37-20. The game ended 51 to 27.

The reserve team won their preliminary clash by a score of 50 to 24. Dick Whelan was high man with 13 points. Tomorrow, (Friday) night the Indians play the Addison boys here at Tecumseh in the last game of the season.

Jerry McSafety Proves He Is Popular "Cop"

Michigan's best-liked cop, "Jerry McSafety," the brain dummy of Sgt. Wayne Fernelius, member of the Detroit police department, entertained hundreds of children in the schools of this vicinity on Monday and Tuesday and wound up his two-day program by appearing at the Rotary Club, Tuesday evening at Drees House. Sgt. Fernelius and Jerry were the guests of Charles O. Butler of Butler Motor Sales, who arranged for his appearance locally.

On Monday morning, Jerry and his master appeared at the Britton schools with rural children from the area as guests. Monday afternoon they were at Boysville, at Macon, and Tuesday morning and afternoon programs were presented at Tecumseh schools.

Sgt. Fernelius is a ventriloquist and Jerry is a wood-brother of Charley McCarthy. The Sergeant is a clever entertainer and holds the children's attention as he instructs them in safety rules and a pattern of better living.

At the Rotary meeting, the Sergeant explained that it is his mission to make youngsters better citizens as a result of his entertainments. He did a skit from his regular school programs and, in conclusion, Jerry spoke personally to a few of the club members, much to their surprise.

HOW TO REGIMENT U. S.

The debate over price control, which dominated the news not so long ago, has slackened. The most apparent reason for this is that, in most lines, prices have leveled off, and in some lines there has been a distinct downward swing. That is reflected in the various cost-of-living indices.

This does not mean that the issue has gone permanently out of the limelight. Strong inflationary factors — notably the enormous spending of the Federal government — are still with us. It is possible that the upward trend in prices will again be resumed. Should that happen, political pressure for price controls of some kind will be turned on full blast. The public should keep in mind the issue involved, and what a dictated economy could mean.

The basic fallacy of price control is that people cannot be forced to produce goods and sell them at a price which allows no profit, or may entail a loss. Take meat for an example—it was the center of the price controversy some months ago. If farmers and ranchers saw that the government was determined to fix the price at on unprofitable level, they would gradually stop producing it. The result would be scarcity and then an actual shortage. More and more of the available supply would go into channels which scoffed at the law.

Price control, by its very nature, would necessitate complete control of the entire economic system if it were to even partially succeed. It would be unworkable, for example, without ironhanded wage control. Thus, in time, it would create a regimented economy—which is the basic step toward the totalitarian state.

Fred Feight, Reporter

The Tecumseh F. F. A. held its regular monthly meeting last week. A final report on the hogs was given. The hogs on Hayden's feed gained slightly more than the ones on Distillers Solubles. The hogs returned 50% profit. Lawrence Young and Fred Feight were elected to attend the State Convention to be held March 22-23. A basketball game was held prior to the meeting. The members are now working on demonstrations and parliamentary procedure for the county contest to be held March 3 at the Junior Project building at the Adrian fairgrounds.

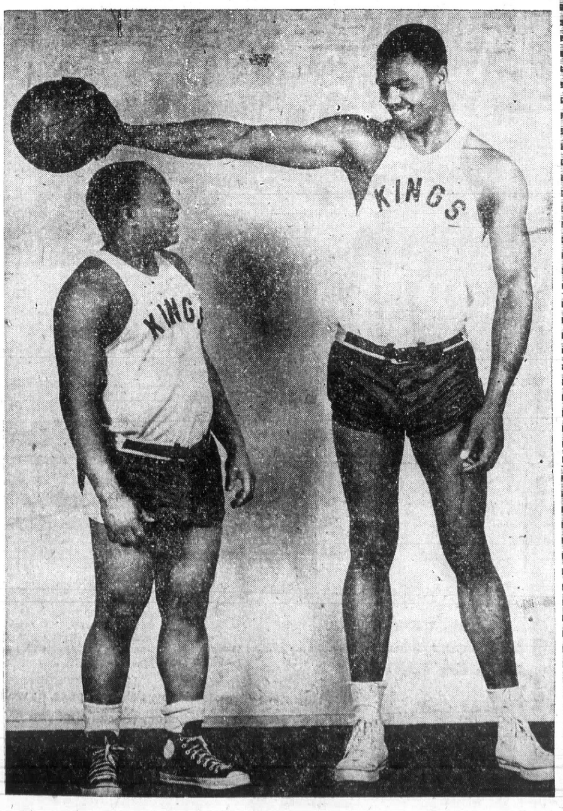
Komedy Kings To Play Products Cage Team Here On Monday



Pictured above are "Little Jeff" Fritz, 7 ft. 1 in. giant from U.C.L.A., and Captain Billy Copeland, the South Carolina State College "Whiz Kid", who made the Negro Intercollegiate All American Team three years in a row. Fritz weighs 240 pounds, wears size 16 shoe, 17½ shirt, and can high jump 6 ft. 6 in. Both of these players will be in the line-up of the Komedy Kings, clever New York City Negro clown basketball team, when it clashes with the Tecumseh Products in Tecumseh High School Gym, Monday night, February 28th, at 8:15 P.M.

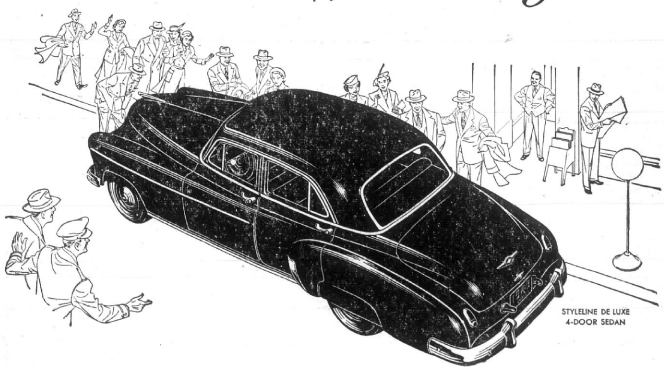
CHEVROLET

is the most Beautiful **BUY** *of all*



STYLELINE DE LUXE 4-DOOR SEDAN

The most Beautiful* BUY *for Styling

Millions of people all across America—and undoubtedly *your* friends and neighbors, too—are hailing the "luxury look" of Chevrolet for '49. It's the beauty-leader, all right—inside, outside, and from *every* point of view! For the bodies are by Fisher—*finest of all car bodies*—found only on Chevrolet and higher-priced cars.

The most Beautiful* BUY *for Comfort

You'll enjoy a *new* and *finer* kind of comfort in this car. The perfectly relaxed comfort of "Five-Foot Seats" plus extra-generous head, leg and elbowroom. Moreover, it's a "car that breathes" for an advanced heating* and ventilating system inhales outside air and exhales stale air.

*(Heater and defroster units optional at extra cost.)

***The most Beautiful* BUY *for Driving and Riding Ease*—with new Center-Point Design**

What a thrilling experience will be yours when you take your first ride in Chevrolet for '49! New Center-Point Design—including Center-Point Steering, Center-Point Seating, Lower Center of Gravity and Center-Point Rear Suspension—provides driving and riding results heretofore available only to owners of more costly cars. Here is another "first" for Chevrolet—another vital contribution to low-cost motoring—another treat for Chevrolet owners! Remember—only new Center-Point Design can give these finer motoring results; and only the new Chevrolet offers Center-Point Design at lowest cost.

The most Beautiful* BUY *for Performance

For real thrills and thrift—for the finest balance of performance and economy—owner after owner will tell you there's nothing like a Chevrolet! Its world's champion Valve-in-Head engine—now setting a trend for high-priced cars, but remaining exclusive to Chevrolet in its field—holds all records for miles served, owners satisfied, and years tested and proved.

The most Beautiful* BUY *for Safety

To buy one of these brilliant new Chevrolets for '49 is to give your family *fivefold* safety protection found in no other low-priced car: (1) New Certi-Safe Hydraulic Brakes; (2) Extra-Strong Fisher Unisteel Body Construction; (3) New Panoramic Visibility; (4) Safety Plate Glass in windshield and all windows, and (5) the super-steady, super-safe Unitized Knee-Action Ride.

Sgt. Herbert Russell Now Radar Technician

NAGOYA, JAPAN — According to a recent announcement by headquarters, 20th Weather Squadron, Sgt. Herbert L. Russell, son of Mrs. Mildred H. Russell, 384 Olympic Place, Seattle, Washington, has completed the qualifying examination and been awarded the MOS of Radar Technician, designated as skilled. Russell is currently assigned to the 20-8 AWS Detachment, Johnson AFB.

The 20th Weather Squadron, the unit to which Sergeant Russell is assigned, provides an efficient and complete weather forecasting and warning service to all occupation personnel in the Japanese Islands and Southern Korea.

As a radar technician, Sergeant Russell maintains all radar equipment at his detachment. Foremost among this equipment is the highly specialized Radar Storm Detection Unit, AN/APQ-13, which has been used with great success since the first set was installed by the squadron a few months ago.

Entering the Air Force on March 24, 1947, Sergeant Russell completed basic training at Lackland AFB, Texas then was assigned to Tinker AFB, Oklahoma for weather indoctrination training. Upon graduating from this course he was assigned to his present organization.

He is a graduate of Tecumseh High School, Tecumseh, Michigan, class of 1946.

NO, NOT TODAY, BUT IN THE 'GOOD OLD DAYS'

Turkey Dinner And Trimmings Cost Only 25 Cents

ANN ARBOR—Ah, for the good old days when rent was $1.00 a week, a full course dinner 25 cents a couple could live on $381 a year and parents could send their children to the University of Michigan for maybe $150 annually.

Unbelievable? Well, just drop in at the Michigan Historical Collections of the University of Michigan. There on exhibit is documentary proof that such prices once prevailed.

Consider several entries in the diaries of Charles M. Cleveland grocer and general merchant of Adrian, who lived in Michigan from 1836 to 1895. Twenty-nine of his diaries were preserved in the Michigan Historical Collections.

In September, 1855 he went to the circus for 30 cents, the concert for 25 cents, a theater for 20 cents. In December, 1857 he was paying $1.00-a-week rent.

In Cleveland's summary of expenses for 1858, he wrote: "A glance at one's yearly expenses correctly recorded will often times frighten one into economy. Now this eve, I gaze on the total of this year's expense, which amounts to $381.02, and say to myself and wife we must live considerable inside this sum, if possible during the next year."

A University catalogue of 1863 stated that an admission fee of $10.00 and an annual fee of $5.00 entitled a student to permanent membership in any University department. Board and lodging with private families, it continued, varies from $2.00 to $3.50 a week bringing the necessary annual expense of a student to $125 or $150. Now the annual cost is about $690

A menu for the "Chop House Supper" given in 1900 at a North Park Congregational Church, in an unidentified Michigan City offered a main course (choice of cold ham, cold turkey with cranberry sauce, pork and beans o cold tongue), vegetable, bread, pickles and celery, pastry (choice of mince or pumpkin pie), and milk or coffee—all for 25 cents.

However, the 1930-35 period produced some low prices too. An ad in a Grand Rapids paper in 1934 lists wool suits for men at $17.95 wool overcoats for $12.95 and boys' sheep-lined leatherette coats for $1.00.

Representative items in the 1934 handbills of the Detroit Grand Trumbull Market were per pound: pork, 11½ cents; smoked hams, 14 cents; country roll butter, 29 cents; fresh sausage, nine cents and sliced bacon, 18 cents. Eggs were 20 cents a dozen.

Whelan To Open

(Continued from page 1)

the shop. Its interior design is ultra modern, and includes such innovations as radiant heating.

"We built this building with just one thought in mind, to better serve our customers," Whelan said. "We want to be able to carry all of the parts that any farmer needs to repair one of our implements, and to give him immediate delivery. We also want to have a repair shop large enough and well enough equipped to do his work promptly and efficiently.

To carry out this program, the company stocks about $35,000 in repair parts and carries an overall stock inventory of about $75,000. Six factory-trained mechanics are on the payroll, and modern machinery has been installed, including factory approved and designed tools. The company operates two trucks with power-take off equipment, two standard trucks and one service car.

"We want the people in Tecumseh, whether they are farmers or not, to feel free to visit us during our anniversary opening and inspect our new plant," Whelan said. "We are proud of it, and we believe that it is a distinct improvement to Tecumseh's business district."

A pre-showing of the motion picture that will be run at the Strand on Tuesday will be held for boys and girls interested in agriculture on Monday evening at the high school. Youth from Onsted, Clinton, Britton, Deerfield and Tecumseh have been invited, but any others may feel free to attend, it was said. There will be favors for everyone. This program will start at 7:30 in the evening.

'Komedy Kings'

(Continued from page 1)

Leon "Stretch" Jones, one of the two veterans in the starting line up. Jones is from Meharry Medical and is one of the best young players in America today. Fritz and Jones control the two backboards very well.

Perhaps the greatest player on the team is little "Billy" Copeland, captain of the Komedy Kings. To "Cope" goes much of their success during their years on the court. Copeland was three times Negro Inter-collegiate All American while playing at So. Carolina State College and is the boy to watch when the going gets tough. Melvin Hale, another product of Cope's Alma Mater, teams with him at forward. Jones' partner at the guard position is Oscar "Flash" Griffith, playing his first season with the Komedy Kings. Griffith was a U. S. All Army choice last year when he played with the Fort Bragg quintet in No. Carolina. He was the only colored boy to be so recognized. Griffith will give a ball handling exhibition which is wonderful to watch. The ball moves so fast that it becomes hard to see. He is also an expert dribbler.

In addition to a real display of good basketball with a little comedy mixed in, the Kings will also present a half-time show entitled the "Two Schmoos" which draws laughter whenever put on display.

POTLUCK SUPPER

The V. F. W. Post, Auxiliary and their families will have a potluck supper this (Thursday) evening in the post rooms at 6:30 o'clock. A carnival will follow the supper.

FAMILY NIGHT

The Oddfellows and Rebekahs will hold a family night, Friday evening, February 25. A potluck supper will be served at 6:30 followed by entertainment.

Cancer Units Make Report

MORE THAN 350,000 DRESSING MADE AT A COST OF OVER $11,000

Some 350,000 cancer dressings have been made in Michigan and distributed free of charge to cancer patients during the past year, according to a message received here today by Mrs. Paul L. Weaver, county commander, from Mrs. Harold W. Cornelius, state commander, the American Cancer Society. In addition to supplies contributed, the County Units of the Michigan Division spent $11,596.58 for materials for dressings in 1948.

Dressings are given to all cancer patients who need them. Some may use only two or three bandages a day; others will require a dozen or more, and in one instance a patient needing a hundred daily was reported. It was not uncommon for the families of patients to pay as much as $50 a month for dressings — now they can receive as many as they need without cost.

Mrs. Frank J. Sieler, Lenawee county bandage chairman, reports that in this county volunteers have prepared 4,225 dressings ranging in size from 2½ x 2½ to 8 x 12; and that 8 rolls of gauze and 9 rolls of cellu-cotton are now in the process of being made into dressings.

Groups cooperating include the Farm Bureau Group, Raisin Palmyra Group, St. Mary's Guild, Happy Homes Club, Stitch and Chatter Club, South Holloway Extension Club, and various other Extension Clubs and Mothers Clubs.

There are at present 11 district bandage chairmen in Lenawee county.

These various groups are also making "Johnnie Coats" which will be retained in the loan closet, which Mrs. Weaver has started in this county, together with other items such as books, lamps, radios, sheets, pillow-cases, etc. to bring comfort to the patients.

"Many families who have desperately tried to make their own dressings by tearing up sheets, shirts, underclothes, have told us that the development of the dressings program has done more than any single thing to relax strains at home," Mrs. Weaver said.

Prison Life Discussed By Judge Thatcher

Life in Southern Michigan prison was discussed by Judge F. E. N. Thatcher, at the regular meeting of the Wit and Wisdom Club, which was held Monday evening at the home of Mr. and Mrs. James McDowell.

Judge Thatcher was in charge of the steel construction of the Jackson prison at the time it was being built. His talk about the inmates and prison life was very enlightening.

A series of records entitled "You Can Hear It Now," were played by Jas. McDowell. Major events in history from 1933 to 1945 which were recorded on tape at the time they occurred were arranged for this series. Edward R. Murrow is the commentator.

The program opened with group singing led by Faye VanValkenburg. Refreshments were served in conclusion during which time music was heard. Judge and Mrs. Thatcher were the assisting host and hostess. The next meeting will be held at the home of Mr. and Mrs. Faye VanValkenburg with Miss Ruth Harding as the assisting hostess.

About The Folks You Know

Lots of local folks have their pictures posted in the bank windows . . . And some don't know it yet . . . The pictures are Chamber of Commerce property and were taken at several community parties and projects during the past year.

Honoring their son and wife, Mr. and Mrs. Chester E. Hensen, who were recently married, Mr. and Mrs. F. E. Hensen entertained a few friends and relatives recently . . . Dinner was served to the guests after which a program was enjoyed . . . Many lovely gifts were received by the bride and groom.

After choir practice at the Baptist church last evening, the members were guests at the C. O. Bailey home, where they enjoyed refreshments.

Nine girls surprised Ruth Mae Goodacre with a "platter party" at her home, Thursday evening . . . Ruth Mae had won the radio phonograph combination at the County Fair, recently, and her friends wanted to initiate it . . . The girls came with their own refreshments but were equally surprised when Ruth's mother, Mrs. Clark Goodacre, served them cake and ice cream.

Mrs. Lynn Hubbard was given a shower of gifts when she entertained the Past Chiefs Club in her new home in Herrick Park, Friday evening . . . Games were played and prizes awarded to Mrs. Verdi Skinner, Mrs. Alfred Beckman, and Mrs. Harry Schuch . . . Mrs. Duncan Oliphant won the hostess gift and this she presented to Mrs. Hubbard . . . Mrs. Fred Marsh was the co-hostess . . . The next meeting will be held at the home of Mrs. Earl Betser with Mrs. Henry Ehinger as co-hostess.

Mr. and Mrs. George Green, jr. and their family of Jackson, former Tecumseh residents, entertained members of the Happy Home Builders class of the Baptist Church school, Sunday . . . A potluck dinner was enjoyed by the Carl Fosheredera, the Dow Bilbys and Norma and Carol, the Fred Bryans and their children, the B. O. Bashores and their children, the W. L. Beckers, Lyle Grigg and daughter Camilla and the Ronald VanValkenburgs and their daughters . . . The afternoon was spent socially.

Mr. and Mrs. Leonard Langthorne and Mr. and Mrs. John Stewart of Clinton celebrated their wedding anniversaries in Toledo, Thursday . . . The two couples were married 40 years ago on February 17.

Their wedding anniversaries occuring within two weeks, Mr. and Mrs. Ernest Hammack with Mr. and Mrs. Harlan Boyes and Mr. and Mrs. John Jones of Tipton went to Toledo, Saturday evening, to celebrate.

Rhonda Hunter was chosen as a member of the committee which was in charge of arrangements for the annual midwinter dinner by Phi Epsilon at Western Michigan College at Kalamazoo . . . It was held Thursday evening in the Van Gogh room of Walwood Hall . . . Phi Epsilon is the sorority of majors and minors in the women's physical education department of the college.

Belated Valentine greetings come from the tots in Mrs. Bashore's class of the Baptist Church school . . . The Sunday before Valentine's Day they made valentines and napkins for trays at the hospital as well as the Parrett and Matthews Nursing Homes . . They also sent nut cups to the latter two.

Many folks forgot that Washington's birthday anniversary was Tuesday and came uptown only to find the Post Office closed . . . It's too bad only Federal establishments recognize February 22 as a legal holiday.

770 Polio Cases Reported In '48

SEVENTY-FIVE PER CENT OF THE VICTIMS WERE UNDER AGE 15

Seventy-five per cent of the poliomyelitis cases reported in Michigan in 1948 were in children under 15 years of age with the disease occurring most frequently at the age of five years, Dr. Frederick Leeder, director of the Bureau of Disease Control, Michigan Department of Health, said today.

The age range of new cases reported during the year was from two months to 40 years, with more cases appearing among adults than in previous years. There were 770 reported cases in 1948 in comparison with 646, the previous year, and 1,091 in 1946, an epidemic year. Reported cases were almost evenly divided between paralytic and non-paralytic types of the disease. About one out of fifteen of the reported cases resulted in death.

Poliomyelitis is now believed to be caused by a family of infectious agents, not by a single virus. These agents are known to exist in the nose, throat and bowel excretions of people who have poliomyelitis, and of apparently healthy carriers who show no symptoms of illness. The agents may be transmitted by person to person contact, by flies, and, possibly, by contaminated water and milk.

Reported cases of poliomyelitis do not show the whole picture, Dr. Leeder said. Almost everyone is exposed to the disease at some time in his life. About 99 out of 100 people who contract the disease have light (abortive) cases which are not diagnosed, but which are communicable, and which probably result in immunity. Many of the people who are exposed to the disease do not catch it because they had these light cases of the disease when they were very young.

Of the people who become sick enough from polio so that their cases are diagnosed, about 75 to 85 per cent will either recover completely or will show marked improvement if given the kind of treatment shown to be most beneficial. Deformities may be prevented and crippling lessened by prompt, complete and sometimes prolonged medical care, Dr. Leeder said.

Supper To Precede Grange Meet, Tonight

Tecumseh Grange will hold its regular meeting this (Thursday) evening, preceded by a potluck supper at 7 o'clock. The supper committee is composed of Mr. and Mrs. Ted Zarnow, Mr. and Mrs. Clarence Kruger, Mr. and Mrs. Warren Lewis, Mr. and Mrs. Douglas Grady, Mr. and Mrs. Harold Osterhout and Mr. and Mrs. George Brablec.

Tomorrow evening the first and second degree team will go to Raisinville to initiate a class of candidates. Saturday evening, February 26, the usual Grange dance will be held.

Friday, March 4, the third and fourth degree team will exemplify the degree work at the Fairfield Grange.

Farm Bureau Discusses Rural School Problem

The Tecumseh-Raisin Farm Bureau met last week at the home of William Fritz with thirty-one present. Two new members and their families were present.

The topic of the evening was "Are the Schools Doing a Job?"

It was agreed by the group that the school in this community through the cooperation of P. T. A., 4-H Club and Community Farm Bureau is doing a good job of rural education.

At the conclusion of the meeting refreshments were served by the hostess.

The next meeting will be held at the home of Mr. and Mrs. W. L. Becker on March 14. A speaker is expected and a film of interest to the group will be shown.

Rev. Geno Cecchini, Pastor
(ASSEMBLY OF GOD)

"And Jacob sent Judah before him unto Joseph, to direct his face unto Goshen; and they came into the land of Goshen. And Joseph made ready his chariot, and went up to meet Israel his father, to Goshen, and presented himself unto him; and he fell on his neck, and wept on his neck for a good while."—Genesis 42:26.

Joseph and his father were soon to be reunited, after many years of separation. During that time, Joseph, sold as a slave by his jealous brothers, had made an enviable place for himself in the court of Pharaoh, by bringing the teachings of his religion, and the good deeds done by him in the Name of the Lord, to the Egyptians. Now, all was forgiven as far as his brothers were concerned, and he was again to be known as the son of Jacob.

There are millions of people all over the world who have depended on God to see them through their time of trouble. The common meeting place of these people is their Church. You can take your troubles to Him, too, at the Church of your choice, this week.

Highlights Of Our Anniversary Program

Tuesday, March 1, Beginning At 9:00 A.M.

John Deere Appreciation Day will get officially under way at 9 A.M., when our friends begin to gather at our new building (it adjoins our old building on West Logan street) to inspect the new $35,000 home of John Deere Implements in Tecumseh.

At 10:30 A.M., the FREE motion picture program, starring Billie Burke and Don Wilson in "The Sugar Plum Tree," gets under way at the Strand Theatre. You are our guests at this program, admission is free, and there will be prizes and favors.

At noon everyone will return to our store where a free lunch will be served. Later, there will be a discussion of farm topics, new, modern farm equipment will be shown and demonstrated and the party will break up about 3:30, in time for you to get home for the chores.

Monday evening, February 28, at the Tecumseh High School, we have invited all farm boys and girls and others interested in agriculture to be our guests at a pre-showing of "The Sugar Plum Tree," starting at 7:30. Young folks from Onsted, Clinton, Britton, Deerfield and Tecumseh have been especially invited. Others may feel welcome to attend, too. There will be favors at this party, also.

CLINTON

In observance of Brotherhood month, the men of the Methodist church served the family supper at the church, Wednesday evening. Centering the guest table was a large tiered cake made by Mrs. Fred Williams. Pastel napkins and candles were used by the men to decorate the tables and Mrs. Celestia Ingraham had dressed small dolls in costumes of different nationalities to add to the theme. Wilfred Van de Walle of Belgium was introduced by Dr. F. H. Littel as the guest speaker. Mr. Van de Walle came to Ann Arbor to begin his education but World War II interrupted his course and he went to Canada and enlisted and served eight years in the Royal Air Force. Dr. and Mrs. Littell first met him at the World Christian Youth Conference at Amsterdam in 1939.

Surprised by a group of friends who gathered at their home while they were visiting his brother, W. H. Stewart, Mr. and Mrs. John Stewart celebrated their 40th wedding anniversary last week Wednesday evening. Cards were the diversion after which refreshments were served, including a beautifully decorated wedding cake.

Mrs. Robert Stewart of Plymouth recently underwent surgery in St. Joseph's Mercy hospital in Ann Arbor. Mrs. Stewart is a daughter-in-law of Mr. and Mrs. John Stewart.

Mr. and Mrs. Lester McCombs are vacationing in Florida.

Miss Margaretta Sloan of Detroit was a recent guest of her sister, Mrs. W. H. Stewart and family.

Recent luncheon guests of Mr. and Mrs. John Stewart were their daughter, Mrs. James House and Mrs. Harry House of Dearborn.

Mr. and Mrs. John Bosch spent the weekend in Detroit.

F. E. Pieper post, American Legion Auxiliary, entertained the past presidents at a dinner held at the Race Track Inn, Tuesday evening.

Roy Porter is the Republican party's candidate for village president, it was announced after the caucus was held last week. Other candidates are: clerk, Journey Stoner, Jr.; treasurer, Mrs. Celesta Ingraham; trustees for two years, Ray Hines, Delmar Anderson and Harold Gasner; assessor, George Tag. Joseph Poffenberger, Howell Poucher and Max Munger compose the party committee.

Mrs. H. P. Hoyt has returned home from St. Joseph's hospital in Ann Arbor, her condition much improved.

Ray Hines of Pleasantdale Park has been elected by the Clinton Community School board of education to fill the unexpired term of Charles O'Neill, secretary, who resigned. Leon Srhwartz, another board member, will take over Mr. O'Neill's office. Mr. and Mrs. O'Neill and their children will leave March 1 for Florida and next summer will our the United States.

Mr. and Mrs. Raymond Bellmore and family have moved to the apartment above their cafe, and will remain there until their new house on the Macon road is ready for occupancy.

The marathon runner has a lot of wind, says a trainer. And how about the hole-in-one golfer?

ONSTED

At a joint meeting of the Womar's Club and the Missionary Society held recently at the church, five boxes of clothing were packed for an orphange at Emmalena, Ky. Mrs. Everett Netcher announced the program of music and various reports were read.

Drama Day will be observed March 1 at the home of Mrs. Lynn Riley by the Onsted Woman's Club, when the Tecumseh Business and Professional Woman's Club will present a play.

Word has been received here that Lt. John Holland of the Army Air Force is stationed at Darmstadt, Germany, in communications with the air lift into Berlin.

Mrs. Philip Sayre attended the state Republican convention as a delegate at Grand Rapids Saturday.

Elwyn Edwards entered the University hospital in Ann Arbor for observation.

Mr. and Mrs. James Goodrich and daughter Julie and Mrs. Fosdick attended the Sonja Heinie Ice Show in Detroit, Thursday.

The officers and committeemen of the second district American Legion were entertained by Durkee-Seager post and the woman's auxiliary at a banquet held at the Legion Home, Thursday evening.

Three candidates received the second degree at a special communication of Onsted Lodge, F. & A.M., last week. A regular communication will be held March 1.

Zepha West has been ill at the home of her parents, Mr. and Mrs. Raymond West.

Recently Mr. and Mrs. Ronald Winter and Joan and Miss Geraldine Haines spent the weekend with Mr. and Mrs. Clifton Ferguson at Shabbona, Michigan.

Lynn Parkhurst and son Lilburn visited Recruit Willis James Parkhurst at Camp Stoneman, Calif., before the latter left for Japan.

Mr. and Mrs. Larry Oechsle entertained the Berean Sunday school class in their home, Friday evening.

Mrs. Lilburn Parkhurst visited her mother, Mrs. Edward Walker, in Chelsea recently.

Mrs. Dora Pentecost observed her 75th birthday recently at the home of her son and wife, Mr. and Mrs. Charles Pentecost, who entertained at dinner in her honor.

From where I sit ... *by* Joe Marsh

How's Your Listening Time?

Buck Howell and I were in Baleville last week. Dropped in at Bob's diner where some friends were sitting around talking about whether to sell hogs now or wait.

Buck plunges right into the discussion. He's lecturing away when suddenly they all stand up and start stomping their feet like it was an Indian war dance.

I'm flabbergasted. But Buck only looked sheepish and explains, "Guess I was talking again, when I should-of been listening. When a person's *talking* time gets out of line with his *listening* time around here, the gang reminds him by standing up and stomping."

From where I sit, that's a good system. Everyone has a right to his opinions—but others have a right to theirs, too—whether it's deciding between to sell or not to sell, apple pie or cherry pie, or a glass of mellow beer or cider. Life's more interesting that way, and hang it if you don't sometimes learn something!

HERE'S AN *Idea*
WORTH TALKING OVER
... can farming be made more profitable?

We're not promising the moon, but we'd like to *see* if we can help you make more money, or save work. We do know that on a good many farms we've been able to make recommendations that worked out profitably.

At least, it's an idea worth talking over. We are making farm visits all the time and hope to reach you soon. However, we invite you not to wait but drop in anytime. You'll find that we are really interested in discussing your problems and helping all we can.

We do know that the future of the farmer depends greatly on the *efficiency* of all farm operations. We know something about this subject. That's why we think it will pay you, as well as us, to "get better acquainted."

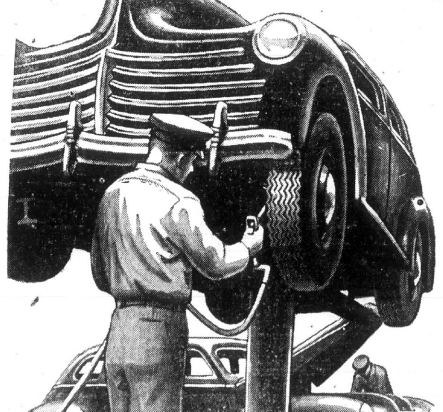
BUTLER MOTOR SALES



IS THE HOME Of Finer Service FOR YOUR CAR IN TECUMSEH

In the nearly 20 years that we have been in business we have established an enviable reputation. We intend to defend that reputation by continuing our leadership in finer service for your cars.

When you bring your car to us for service . . . . whether it's a tire to be repaired or a complete overhaul job . . . we guarantee to work to your satisfaction. We can do this because we employ only trained mechanics, we use only factory-approved replacement parts, and factory-designed tools. In other words, when we do a job for you it is accomplished by trained men, with the finest in equipment.

The next time that your car or truck need service, bring it to us. Let us prove to you that we can do your work quickly, and economically.

It is a proved fact that when trained men are on the job, using parts that fit and tools designed for the job, the work can be done much more rapidly. Today, time is money. When we save time, we save our customers money. That is why, we say, that we can cut your repair bills.

Red Cross Drive Under Way Here

WORKERS ARE NAMED BY CHAIRMAN; NO HOUSE-TO HOUSE SOLICITATION

While there will be no house-to-house solicitation or any organized effort to contact industry, clubs or organizations, Mrs. L. W. Larsen, general chairman of the Red Cross membership drive locally, seemed confident today that Tecumseh would again come through financially for this worth-while enterprise.

Mrs. Larsen announced that Mrs. Harold Sisson, Mrs. Vincent Haight, Mrs. Thomas O'Hara, Mrs. M. C. Miller and Mrs. Donald Goddard had been named as workers in charge of the Red Cross booth that will be set up in the United Savings Bank each Monday, Friday and Saturday. Persons desiring to give to the Red Cross should leave their contributions there or, if they find it inconvenient, calls may be made to Mrs. Larsen, phone 311, and a representative will be sent out to make the collection.

"The membership campaign will continue throughout March," Mrs. Larsen said, "and we feel very confident that Tecumseh will respond generously, as it has in the past. No quota has been established, and no one will be given a suggested amount of contribution. We do hope, however, that contributions will be as large as they were a year ago, in view of the many calls for assistance that are received by Red Cross."

It is expected that industries, clubs and organizations will mail their checks directly to Mrs. Larsen or give them to one of the workers at the bank.

A portion of the money collected locally, Mrs. Larsen said, remains in Tecumseh and Lenawee county

Officers Named By Monday Club

MRS. DONALD GODDARD RE-ELECTED PRESIDENT; U. OF M. ARTIST SPEAKS

Mrs. Donald Goddard was re-elected president of the Tecumseh Monday Club which met this week at the home of Mrs. E. E. Hendershot. Mrs. Veva Connor was the hostess with Mrs. Maynard Mutvaney, Mrs. Jennie Satterlee and Mrs. Jessie Manwaring assisting. Other officers re-elected were first vice president, Mrs. Truman Rentschler; second vice president, Mrs. E. J. Aebersold; and recording secretary, Mrs. Earl Wood. Mrs. Veva Connor is the newly-elected treasurer and Mrs. Theodore LaBounty was elected corresponding secretary.

Carleton W. Angell, an artist from the University of Michigan, was introduced by Mrs. C. Ray Puffer, program leader. Mr. Angell explained the art of sculpturing in detail after which he demonstrated his art work with two models, carving the head of a man and woman from a plastic material used in sculpture work.

During the business meeting an announcement was made of the antique and hobby show and sale to be held in Lansing from March 29 to April 1. Mrs. Goddard introduced Mrs. Harold F. Rohrback, president of the Lenawee County Federation of Women's Clubs, as a guest. Some 40 members and guests were in attendance. Tea was poured by Mrs. Goddard and Mrs. Theodore LaBounty.

Mr. And Mrs. S. L. Wyman Married Fifty Years

Mr. and Mrs. S. L. Wyman, of Ann Arbor, observed their golden wedding day quietly at home on Sunday, February 27, with their children and grandchildren. They include: Mrs. Alice Phelps and daughters, Nancy and Jane of Ann Arbor and Dr. and Mrs. John S. Wyman, and sons, Jack and Bob, of Flint, Michigan.

The Wymans spent most of their married life in Lenawee county twenty years of residence being in Tecumseh until eight years ago when they moved to Ann Arbor where Mr. Wyman is employed as a pharmacist.

Both Mr. and Mrs. Wyman are active in the Congregational church, the Ann Arbor Garden club and Historical Society of Washtenaw county. Mrs. Wyman is also a member of the Ann Arbor Women's Club. They make their home at 402 Orchard Hills Drive, Ann Arbor.

TAX NOTICE

I will be at the United Savings Bank every Tuesday and Friday from 11:30 a.m. to 3:00 p.m. for the collection of taxes and insurance.

Former Tecumseh Girl Is Named Ski Queen

Is Crowned At Sugar Loaf Ball

Miss Nancy Wilson, 16-year-old daughter of Mr. and Mrs. George Wilson of Gaylord, formerly of Tecumseh, was named queen of the Winter Sports Ball, held recently at Traverse City as a social feature of the Sugar-Loaf invitational Ski Meet in Leelanau county. The honor came to Miss Wilson because of her splendid showing on skis and for outstanding sportsmanship and competitive spirit.

During the competition, Nancy won the downhill event for girls and was a close second in the slalom, missing victory by a narrow margin. She was second among the girls in the number of points.

Nancy is very active in Gaylord school and civic affairs. She plays basketball, is a cheer leader, plays in the high school band and sings in the church and school choirs. She is in the 10th grade.

The Wilsons moved to Gaylord from their Union street home in Tecumseh several years ago. Mr. Wilson operated a gasoline service station here at Pearl street and Chicago boulevard. (Photo, courtesy Otsego County Herald Times.)

POLICE PLAN WAR ON BICYCLE THIEVES IN TECUMSEH

Bike License May Be Required By Village Council

In the not-to-distant future it is likely to cost bicycle owners and operators in Tecumseh a fee of 50 cents a year for a license.

The Village Council, in session last week, took under consideration the enactment of a bicycle ordinance which would require payment of the license fee, registration of all bicycles, and the display of a license on the vehicle similar to but smaller than the license plate now used on automobiles.

The registration fee, it was said, is not intended as a money making scheme and will cover only the cost of the plate and the clerical work involved in registration.

Dozens of bicycles have been reported lost or stolen here within the past year and police have very little information as to the number make or other identification marks. It is hoped that when the new ordinance becomes effective it will be much less difficult to trace stolen vehicles.

The new ordinance probably will be enacted by the council this month and become effective within 30 days, it was said.

Products Cagers Will Play GE Team, Monday

Next Monday night, March 7, at the high school gym, basketballers play the General Electric Club of Ft. Wayne. GE has always had an outstanding basketball aggregation and Tecumseh basketball fans will be supplied with some fine entertainment.

Last Monday night the game with the Komedy Kings was very entertaining and the Product's Club was defeated 51 to 39. The score at the half was 23 to 21 in favor of the locals. However, the colored boys stepped out the last two quarters and played excellent basketball to win.

Gunder for the Product's team was high with 18 points.

The Tecumseh Product's Reserve team defeated the Clinton K. of C. ball club 39 to 35 in a very exciting preliminary game.

The game next Monday night starts at 7 p.m.

Local School Students To Be Heard On Radio

Saturday, March 5, Tecumseh high school students will be heard over Adrian radio station WABJ from 10 to 10:30 a.m. The half-hour program will be recorded at the school Friday afternoon and will consist of band and chorus numbers as well as solo selections.

WABJ is making similar time available for all high schools in Lenawee County. The local student council has completed arrangements for the broadcast.

MORE THAN 700 AT WHELAN ANNIVERSARY

More than 700 Lenawee farmers, their wives and families were guests of the Hoyt E. Whelan Implement Co., here, Tuesday, at its annual John Deere Day celebration which was combined with the company's 30th anniversary.

The observance included a morning program at the Strand theatre. At noon, some 700 persons were served lunch at the Whelan store.

The Whelan company also opened its new $35,000 building Tuesday for inspecton. The new Whelan home was necessitated by the rapid growth of the company, now one of the largest Deere dealers in southern Michigan.

TALK TO ROTARY

Herbert Recob and Rail Russell of the Social Security offices at Jackson, were the guest speakers at the regular meeting of the Rotary Club, Tuesday evening at Brees House. They explained the security law and its functions.

Miss Grace M. Davis Is Buried At Clinton

Private funeral services were held from the Hause Funeral Home in Clinton, Monday afternoon, for Miss Grace M. Davis, 81, who was taken ill suddenly and died at 11:30 a.m., Friday, at her home. The Rev. H. R. Sullivan officiated and burial was in Riverside cemetery.

Born in Franklin township, Miss Davis had spent most of her life in Clinton. After living in Detroit for a few years, she returned to Clinton 23 years ago, where she served as village librarian for a time. She was a member of the Congregational church, the Clinton Woman's Club and the Clinton chapter, World Federalists.

Surviving are two sisters, Mrs. J. D. Hause of Clinton and Mrs. George M. Dorr of Grass Lake and a number of nieces and nephews.

MRS. HERMINA EISNER BURIED AT HOLLOWAY

Funeral services were held from the Green Funeral Home Saturday afternoon for Mrs. Hermina Eisner, 59, who died Thursday morning at her home at the Prairie Side farm in Raisin township. The Rev. Edward Escolme officiated and burial was in the Holloway cemetery. The bearers were R. C. Cole, Orrin Francis, Mack Powell, David Bale, Edward Eisner and Steve Eisner of Ann Arbor.

Mrs. Eisner had been a resident of Raisin for six years. Surviving are her husband, Edmund, and two sons, Edward at home and Steve of Ann Arbor.

DIES IN FLORIDA

Mr. and Mrs. Herbert Murphy received word of the death of his aunt, Mrs. Robert Lowry, which occurred last Thursday in Orlando, Fla., where she was spending the winter. Death followed a heart attack. Funeral and burial services were held Monday in Chicago. Mrs. Lowry resided in Lawton during the summer months

Indians Place 4th In League

By Gordon Comfort

The Tecumseh high school Indians played their last league basketball game of the season last Friday night, trimming the Addison panthers 25-13 in a low scoring game. This gave the Indians a .500 average in the L. C. A. A. standings, having won six and lost six of the twelve league games of the season. Tecumseh ended fourth place in the league.

Only two of the regular five started the game and Addison took a short lead, 4-2 at the end of the first quarter. The Indians, however, jumped ahead in the second period and made 10 points, while the Panthers made four. From then on the Addison boys never threatened, being able to score no points in the third quarter and only five in the final stanza.

Doug McDowell was high point man for the evening with eleven points. Gillin was next with four.

The Tecumseh Reserves won their match by a score of 29-22. Tom Hamilton and Jim Sloan were high with six points apiece.

This was not the last game for the Indians however, as they will be playing in the tournament in Adrian this week.

SUPT. PLACE WILL SPEAK TO D. A. R

Lafayette Stevensons Married Fifty Years

Mr. and Mrs. Lafayette Stevenson will celebrate their 50th wedding anniversary, Sunday, March 6, at their home, 306 South Union St., Tecumseh, with open house from 3 until 6 p.m.

Lafayette Stevenson and Mayme Emily Furey of Lima, Ohio, were married in Tecumseh in the home of the groom's parents, March 7, 1899, and have lived all their married life here. They have one son, Charles Stevenson of Tecumseh, one granddaughter, Mrs. John Lancaster of Clinton and one great-granddaughter, Mary Lois Lancaster.

Mrs. Ervie Raymond and Mrs. Don Morley will have charge of refreshments. Mrs. Lancaster will take charge of the guest book and Mr. and Mrs. Charles Stevenson will assist in receiving. Friends are invited to call.

Parade Grounds May Go On Sale

DISPOSAL OF OLD PARKS WILL BE ISSUE ON MARCH ELECTION BALLOT

The right to sell three of Tecumseh's old "parade grounds," as park sites were known over 100 years ago when this village was founded, will be sought from electors when they go to the polls March 14 in the regular village election. If approval for the sale is granted, then the grounds in question will go on the auction block or be offered through sealed bids to the highest bidder, it was said.

There are three sites listed in the description that will appear on the ballot. One is on the north side of Brown street, just off Mill street, another is on Burt street east of Maumee, and the third is on the south side of Shawnee, between Oneida and Maumee. The Brown street site is about 43 by 209 feet in size, the Burt street, 49 by 180 feet, and the other is smaller.

The "parade grounds" were practically "lost" insofar as ownership was concerned for many years and some of them have been built upon or are used by near-by residents, it was said. To clear up the title to the property, authorization and actual sale is necessary, it was explained.

However, unless voters approve the sale, it was said, the village cannot dispose of the land.

World Day Of Prayer Services On Friday

Plans for the annual World Day of Prayer have been completed by the women of the Baptist, Friends, Episcopal, Methodist and Presbyterian churches. The services will be held tomorrow (Friday) March 4, in the Methodist church, from 2:30 to 3:30 p.m. It is customary for the downtown business establishments to close their doors during this hour.

Mrs. Charles DeVol, a missionary who has spent some 26 years working among the Chinese people, and who only recently returned from China, will be the speaker. Women from the cooperating churches will take part in the service.

All people in Tecumseh are urged to join in this world wide fellowship.

Mrs. DeVol will speak at the Tecumseh Friends church in the evening, Friday, March 4, at a special meeting, at 7:30 p.m. The public is invited to attend.

War Trials Attorney Talks To Exchange

Roger F. Cole of Pleasant Ridge, who served as an attorney at the Tokyo war trials at Japan, was the guest speaker at the regular meeting of the Tecumseh Exchange Club, following dinner, Monday evening, in the V. F. W. Club rooms.

A defense attorney, Mr. Cole gave an interesting talk on the procedure of the trials and cited several actual cases. His talk was heard by the entire membership of 54 persons and three guests, Dr. Ferris Hodge, Ronald Harris, Victor Lawson of Petersburg and William Robertson of Detroit.

P. T. A. WILL ELECT OFFICERS ON MARCH 10

Tecumseh Parent-Teacher Association will hold a regular meeting Thursday evening, March 10, at the high school. During the business meeting there will be an election of officers. A home talent play will be presented with the parents participating, after which a social hour and music will be enjoyed. Parents of sixth, seventh and eighth grade children will serve refreshments.

Will Conduct Services

Bert Turner

Evangelist Bert Turner, former ly of Belfast, Ireland, will hold a series of services March 6 to 13, inclusive, at the Friends Church here. There will be meetings each evening at 7:45, except Saturday, and at 10 a.m., on Sundays. Mr. Turner recently returned from the British Isles. He is the originator of the gospel sky writing, recently reported in Time magazine, and the promoter of the Moonlight Gospel Cruises in 1936, attended by thousands. Mr. Turner spoke in Tecumseh two years ago and returns this year by special invitation. Edward Escolme is pastor of the Friends Church.

Britton Church 100 Years Old

CONGREGATIONAL CHRISTIAN OBSERVES ANNIVERSARY AT SUNDAY SERVICE

The Congregational Christian church of Britton observed its 100th Anniversary on Sunday February 27, with a special morning worship service, fellowship dinner and an afternoon program of history, music and reminiscing.

At 10:30 the worship services opened with an organ prelude with Mrs. Doris Exelby at the organ. The invocation was by the Rev. Gerald Hallauer. The solo, "Bless this House," was by Mrs. Belva Weichner. The rededication service anthem, "No Other Name," was sung by the choir. The anniversary sermon, "The Days of our Years," was delivered by Orro Priest of Clinton. There was a solo "Hold Thou My Hand," by Miss Carol Priest of Clinton and the benediction was by Rev. Hallauer.

A large group of members and friends were served at a fellowship dinner and the afternoon program was as follows: Mrs. Jennie Smith read the "History of the Church." There was a vocal solo by Mrs. Weichner and a trumpet solo by Vera Gripton. Ernest Palmer, Ernest Oliver, Mrs. Ella Gripton of Britton, Rube Hayward of Montpelier, O., and others spoke briefly from their church memories. Mrs. Estella Smith, 91 years old, was the oldest person present.

The organization of the Christian church was really formed in Ridgeway, February 28, 1849. The first church was erected on land just west of the Wilbur Younglove farm. In 1892 the second structure was built east of the John Underwood farm and later moved to the present site. This church is older than Britton as only the home of John Britton was here at that time. During the century 26 pastors served this church and five of the group are still living. Rev. Gerald Hallauer is the present pastor and Rev. Orro Priest of Clinton, the speaker of the day, was a former pastor.

Members of the church for sixty years are Bertha Swick, Eugene Cheever and Ella Gripton. Members for fifty-five years are Fannie Exelby, Jennie Lowe, Mary Leonardson, Estella Smith, and Tinnie Smith.

Those attending the service were from Detroit, Morenci, Adrian, Ludington, Dearborn, Ypsilanti, Tecumseh, Dundee, Britton, Toledo and Montpelier, Ohio.

MRS. SADIE FERRELL FUNERAL ON FRIDAY

Mrs. Sadie Emily Ferrell, 66, died Tuesday evening at 7:15 p.m., at her home in Cement City, after several years of failing health.

Born, January 15, 1883, in Erie, Pa., Mrs. Ferrell was a member of the Christian Spiritualist church in Adrian and the Past Noble Grand of Rebekahs in Onsted.

Surviving are her husband, Floyd B. Ferrell, a son, Carl A. Ruoff of Addison and a daughter, Mrs. Hazel M. Rutan of Levering. A daughter, Edna Elmina, preceded her in death in 1906. Also surviving are two grandchildren, eight great-grandchildren and several nieces, nephews and cousins.

Funeral services will be held Friday afternoon at 2:30 p.m., at the Collins Funeral Home, with the Rev. F. D. Hague of Onsted officiating. Burial will be in Sanford cemetery, Devils Lake.

Herrick Chosen Citizen Of Year

OTHER AWARDS PRESENTED AT SECOND T-DAY BANQUET BY C. OF C.

For the second time in as many years, Ray W. Herrick, president of Tecumseh Products Company, was named as Tecumseh's "Citizen of the Year," by the Chamber of Commerce at its annual T-Day banquet, last Thursday evening at the high school. The dinner meeting was attended by about 150 persons.

"There could be no doubt as to whom the award should be given when the directors of the Chamber met to reach a decision," Ronald E. Harris, secretary, said in making the presentation. "To Mr. Herrick's credit this year is Herrick Park subdivision, the contribution of funds making possible the building of the new $400,000 high school, his foresight and contribution making possible the building of the new Country Club, and his gift to the village police of a two-way radio. Of course, there are many, many other fine things that Mr. Herrick has done, things that you and I suspect, but about which he never speaks."

The Chamber also presented two other awards this year, certificates of meritorious service to citizens who gave of their time, their funds and their efforts for the benefit of the community. One of these awards was presented to Wade L. Jones and the other to Arthur Harding.

Otis F. Cook of Lansing, managing director of the Michigan Retailers Association, was the principal speaker, using as his subject, "The Other Side of Main Street." Mr. Cook discussed state and national economics, said that if a depression comes about it will be man-made, but declared that he could, at this time, see no sign of a severe dip in the nation's economy. He urged closer cooperation among business men and praised Tecumseh for its aggressiveness which, he declared, cannot be matched by any other community in Michigan. He paid a distinct compliment to The Chamber of Commerce for its leadership.

Mr. Harris, reviewing the year's activities of the Chamber, declared that there had been many "red letter days" on the 1948 calendar. In the future, he said, the Chamber stands pledged to a project to change Tecumseh's form of government from a village to a city, and to attempt an annexation program. He also listed other projects including solicitations control, a better business bureau, safety and fire prevention programs and others. He paid tribute to members of the board who are retiring and to the retiring president, Earl Wickwire.

The dinner meeting was brought to a close by a brief talk by Leon P. Williamson, the new president of the Chamber. Mr. Williamson urged an intensified sales program on the part of merchants, the discontinuance of "closed days" for stores, and greater service to customers. He urged cooperation of members of the Chamber.

Music for the dinner was furnished by the Products orchestra under the direction of William Damon. Carl Freckelton played three piano solos. Circuit Judge G. Arthur Rathbun acted as toastmaster and the Rev. Fr. Michael Collins asked the invocation.

IRON AND METAL CO. OPEN BUSINESS HERE

Max Rudock of Detroit, this week announced the opening of the Tecumseh Iron & Metal Company on a site opposite the G. & J. Woodworking Company, off Maumee street. The new firm will deal in scrap iron and other metals and salvage.

Mr. Rudock has been in the scrap business for about 20 years. "We plan a pick-up business in the Tecumseh area," Rudock said, "and the scrap that we buy will benefit Tecumseh industry. We'll sell most of it to Bruce Foundry and the foundry in turn will sell its castings to Tecumseh Products Co."

BURIED AT N. ROME

Funeral services for Mrs. Mary E. Sanford, who died last Thursday were held at the Dunn Funeral home in Onsted, Sunday afternoon. The Rev. Blair O. Bashore officiated and burial was in the North Rome cemetery. The bearers were Harold Mapes, Cleo Bruin, Karl Steves, Walter, Clifford and Edward Boggs.

The Happy Rebekah Lodge of Onsted had charge of the burial service at the grave. Friends and relatives attended from Detroit, Toledo, Jackson, Tecumseh, Addison, Temperance, Mt. Clemens, Adrian, Marysville and St. Clair Shores.

ECONOMIC HIGHLIGHTS

Immediately after the election, when it was known that the Democrats had not only elected a President but had gained substantial working majorities in both House and Senate, it was felt by some that Mr. Truman could have anything he wanted. But there were those whose knowledge of the working of politics went deeper, who were not so certain. Even Franklin Roosevelt had plenty of trouble with Congresses which were overwhelmingly Democratic. Mr. Truman is in the same boat.

The Taft-Hartley Bill is a conspicuous example. If the labor groups really thought that outright repeal of this act and a return to the Wagner Act was likely, they were badly misinformed. The temper of Congress certainly is not for giving labor a free hand. The Republican minority is solidly in favor of many Taft-Hartley provisions, and so are a considerable number of Democrats. The fight against unqualified repeal has been ably led by two young Republican senators—Ives of New York and Morse of Oregon—and they have developed a large following on both sides of the aisle.

The day has long been over when party members voted as a group, and statistical majorities do not necessarily mean much when some particular piece of legislation is involved.

Other parts of the Truman program will also, in all probability, be extensively modified. Sentiment against heavy new taxes on business is strong—this it is feared in some quarters, might produce a dangerous drop in business activity and employment. Large elements in Congress—and these are also bipartisan—think the first step should be to cut the cost of government, and that new or higher taxes should only be levied if there is no other way out. The Hoover reorganization plan, which, it is estimated, would save $3,000,000,000 a year, largely in administrative expense, is providing the ammunition for those who think that.

The middle-of-the-road elements are also laying plans for extending social security on a less costly basis than that proposed by the President. The Administration's concept of the welfare state has aroused fears in its own ranks no less than those of the opposition. Such matters of compulsory medical insurance for everyone face tough going. Here Senator Taft, who is one of the best strategists in Congress, has met fire with fire, and come up with a modified program of medical aid to the needy, housing, etc., which has strong backing.

"Modern politics," wrote Henry Adams, "is a struggle not of men but of forces." This Congress is affirming that truth.

Valve-in-Head—
and Fireball too!

White sidewall tires, as illustrated, available at extra cost.

IT seems that valve-in-head engine design is becoming quite the thing, now that gasolines are stepping up in octane rating and higher compression ratios begin to be worth while.

Well, that's dandy as far as Buick is concerned.

For more than forty-five years, Buick engineers have been working with, developing and learning all about valve-in-head engine design.

So quite some time ago Buick applied a principle, possible only in valve-in-head design, which still remains a Buick exclusive.

It is Fireball design—and it's an interesting engineering story.

It comes from a specially shaped piston, designed to roll each fuel charge into a compact, whirling, ball-shaped mass. It goes a step beyond high-compression ratios, because it means better mixing of fuel—and so better burning.

Result: More good from each fuel charge. A touch more life, pep, ginger. More of that happy, satisfying *feel* of power and zip that give Buick its good name as a performer.

So remember, as more and more cars climb on the valve-in-head bandwagon, that Buick is still calling the tune. Still ahead in knowledge and experience and development of a principle that has always been recognized for its greater basic efficiency.

With self-setting valve lifters adding new quiet and washing out tappet noise, it's plain that "Buick's the buy!" on engine design as in other ways.

Come satisfy yourself on that score—and get a firm order in either with or without a car to trade.

TIPTON

Some 200 fathers and sons were seated at tables decorated with the George Washington theme, last week, Tuesday evening, in the K. of P. hall, the occasion being the Father-Son banquet sponsored by the Ladies Aid Society. Dinner music was furnished by an orchestra composed of Earl Howard, Roy Luce, Archie Boyd, Irvin Outman and Mrs. Harold Every. Lester Baker was toastmaster and introduced the following program: Warren Enyart of Adrian College, two vocal solos, "Duno" by Josephine McGill and "Down To De Rivah," by Robert MacGimsey; a toast to the sons, Raymond Platt; toast to the fathers, Richard Platt; violin solo, "A Perfect Day," Archie Boyd; remarks by the Rev. W. N. Taylor, and the address by Prof. M. A. Vance, closing with music by the orchestra.

The Ladies Aid Society met yesterday with Mrs. H. J. Mattis. Mrs. Lyle Whelan and her committee served the dinner.

Recent guests of Mr. and Mrs. Raymond Platt were Mr. and Mrs. James Williams of Greenville.

Mr. and Mrs. John Keran and daughter of Britton have moved to the C. A. Hardy farm.

Mr. and Mrs. Lamont Simmons are vacationing in Florida.

THEY BREAK EASILY

A little old lady entered the post office with a package containing a Bible. The postal attendant looked over the tightly wrapped parcel, shook it, and asked, "Is there anything breakable in this"

"Nothing but the Ten Commandments," was the reply.—Uncle Mat

MACON

The W. S. C. S. met Thursday for their monthly meeting and potluck dinner with Mrs. Helen Thomas. Mrs. Blanch Travis was program leader and called upon each one to tell a Bible story. Mrs. McArthur, district promotion secretary, from Saline, was present and gave an interesting talk relating to the work of her department. At the business meeting it was decided to hold the Father and Son banquet March 26. Roll call numbered 24 present.

The Macon W. S. C. S. has been invited to unite with the Clinton Ladies Society for the World's Day of Prayer March 4.

The pancake supper which was held the evening of Washington's birthday in the dining room of the Methodist church added $65 plus to the treasury of the Woman's Church Society.

Mr. and Mrs. Hamilton F. Moore called Sunday evening in Ypsilanti at Beyer hospital on Mrs. Chalmer Bruder of Belleville and little daughter, Kathleen Cheryl, who was born Friday, February 25.

The condition of Mrs. Frank Kuhn of West Branch, a medical patient at the U. of M. hospital, Ann Arbor, is reported as slowly improving. Mrs. Kuhn is a sister of Mrs. Hamilton Moore, Sr.

Ed Johnson was host and surprised guest at a family dinner Sunday, given in honor of his birthday anniversary. Places at the table were marked for the host and Mr. and Mrs. Clarence Johnson, and Miss Ione Bailey of Saline, Mr. and Mrs. Kenneth Johnson and son and Mrs. Wilma Briggs.

Four-year-old Richie Johnson, son of Mr. and Mrs. Kenneth Johnson, was a guest in Saline Sunday, at a party given by Mrs. Cogar to celebrate her son, Michael Cogar's birthday anniversary.

Mr. and Mrs. H. F. Moore were in Detroit, Sunday evening and attended the Sonja Heinie Ice Show.

Mr. and Mrs. Charles Burleson and children of Dearborn called Sunday on Mr. and Mrs. Clyde Burleson and family. They also called on Mrs. Lilah Howell and family.

Mr. and Mrs. Truman Jordan and family spent Friday evening with friends in Ypsilanti.

Mrs. Burt Bruder is at the home of her son, Chalmer Bruder in Belleville, taking care of the household until the return home of Chalmer's wife and baby Kathleen Cheryl, from Beyer hospital in Ypsilanti.

Mr. and Mrs. George Nicholls and children and Mrs. Zella Nicholls of Jackson, Mrs. Effie Kuder and Miss Ruth Kuder were dinner guests Sunday of Mr. and Mrs. Allen Wise.

Miss Ruth Howell spent the weekend with her friend, Miss Virginia Lewis of near Tecumseh.

Word comes from Beyer hospital at Ypsilanti that the condition of Mrs. Robert Howell of Wayne, a patient, is improving slowly.

FAMILY NIGHT IS PLANNED BY BAPTISTS

"Family Night" will be observed at the Tecumseh Baptist Church next Wednesday evening, March 9. A potluck supper will be served at 6:30 p.m., and those attending are to bring a dish to pass, sandwiches and table service. A nominating committee to secure church officers for the coming year will be elected. A review of what the church has accomplished in the past year will be heard as well as prospects for future activities.

WIT, WISDOM CLUB

The Tecumseh Wit and Wisdom Club will meet Monday evening, March 7, at the home of Mr. and Mrs. Faye VanValkenburg with Miss Ruth Harding as the assisting hostess. Included in the program will be a book review by Miss Edith Ingersoll.

ENJOY POTLUCK

Some 50 Odd Fellows and Rebekahs enjoyed a family night, Friday evening, with a potluck supper followed by cards. Motion pictures of his trip to the west last summer were shown by Lester Tucker.

LYSTER LEAGUE

The Lyster League of St. Peter's church enjoyed a potluck supper at the parish house, last evening. Mrs. Donna Elliott and Mrs. Crystal Barber were the hostesses. The women continued sewing on the layette.

Miss Treasa Drouillard Weds Earl Ruttkofsky

Saturday morning, February 26, in St. Elizabeth's Catholic church, Miss Treasa Rosetta Drouillard, daughter of Mr. and Mrs. Richard Drouillard of Tecumseh, became the bride of Earl E. Ruttkofsky, son of John Ruttkofsky of Tipton. The Rev. Fr. Michael Collins performed the double ring ceremony at 11 o'clock before the altar decorated with yellow daffodils and snapdragons.

Seating the guests were Eugene Drouillard, brother of the bride, and Ted Golat, brother-in-law of the bride. Anna Blesing sang "On This Day O Beautiful Mother" and "Ave Maria."

Gowned in white satin and lace the bride was given in marriage by her father. Mrs. Ted Golat, the bride's sister, made her bridal gown, which featured a lace bodice trimmed with rhinestones, closing down the back with tiny buttons. The skirt terminated into a long train. Her fingertip veil of white net trimmed in lace fell from a headpiece of rhinestones and pearls. Her flowers were white calla lillies.

Yvonne Drouillard was her sister's maid of honor and wore a yellow taffeta gown, with matching mitts. The bodice featured short puffed sleeves and a graceful bustle draped the hipline. She carried a bouquet of blue carnations.

Bernard Drouillard, brother of the bride, assisted the groom as best man.

For her daughter's wedding, Mrs. Drouillard chose navy crepe trimmed with pink braid and a corsage of pink carnations.

After the ceremony a wedding dinner was held at the V. F. W hall for some 50 relatives. Centering the bridal table was a three-tiered cake topped with a corsage of sweet peas and decorated with love birds and roses, made by the bride's sister, Mrs. Golat. Yellow daffodils decorated the tables. Marie Gruber, Jean Golat, Marilyn Baaske and Evelyn Kempf assisted with the serving.

Later a reception was held in the hall for some 100 guests from Adrian, Deerfield, Tipton, Monroe, Romulus, Detroit, Toledo, Dearborn, Wayne, Inkster, Brooklyn Onsted, Holloway and Tecumseh. Another wedding cake, four-tiered and decorated with a miniature bride and groom and three wedding bells, was also made by Mrs. Golat.

The bride graduated from Macon Ford school with the class of 1945 and is now employed at the Clinton Machine Co. The groom spent two years in the armed forces during World War II, with 13 months of that time in Japan. He is employed at the Clinton Foundry. The couple will make their home in Tipton for the present.

Holland Furniture To Observe Anniversary

On Sunday, March 6, Holland Furniture of Milan, will be open from 2 to 10 p.m. in special celebration of their tenth anniversary. The public is cordially invited to this open house and furniture style show. Special displays and demonstrations, as well as free souvenirs and prizes have been arranged for the occasion. Most of the furnishing on display were selected from the recent mid-winter furniture shows in Chicago and represent the latest style trends in the home furnishings industries. No sales are ot be made during the open house show, but factory representatives will be on hand to assist the regular staff in demonstrating the many different products.

Arrangements have been made for a special broadcast from the store over Station WPAG during the afternoon, with Howard Heath from the radio station's staff as master of ceremonies.

The combination open house and furniture style show marks the beginning of another year for this ten year old Milan business, which was founded as a partnership in 1939 by Hughes C. and Cora E. Holland.

Local Women To Meet With Golf Professional

Women who now play golf and who desire to "brush up" on their game and others who, when the new Country Club is opened here next May 30 intend to include golf in their program, are invited to attend a meeting with Leo Bishop, golf professional as speaker, on Monday evening, March 14, at 8 o'clock, in the Ford building. The meeting will be held in one of the rooms on the second floor.

Mr. Bishop will show motion pictures of some of the well known golf professionals and will explain fine points of golfing, golf rules and etiquette for beginners.

Two similar meetings were held on Monday and Wednesday evenings of this week and were attended by about 50 men at each meeting. A session for prospective caddies was held last Friday evening.

Work is progressing rapidly on the new Country Club building and it is expected that everything will be in readiness for the formal opening party on Memorial Day.

Airport Bowl Names Directors, Officers

The annual meeting of the stockholders of the Tecumseh Airport Bowl was held Wednesday, February 23, at the offices of the Tecumseh Products Co. The following directors were elected: James Russell, Michael Green, June Green, Paul J. Breitenwischer and Robert G. Fuller. The financial report showed satisfactory operations for the first four months of the corporation's existence, in view of the usual starting expense involved and the death of one of it's founders and its first prisdent, Woodrow Green.

Immediately following the meeting, the directors met and elected the following officers: P. J. Breitenwischer, president; James Russell, vice president; Michael Green, vice president; June Green, secretary and treasurer.

Music Club Hears Of French Composers, Works

A program of French composers and their music was presented by Mrs. Perry Hayden at the regular meeting of the Tecumseh Music Club, held Thursday evening at the home of Mrs. John Wilson. Some 12 members and five guests were in attendance.

Sketches of the lives of several composers, namely, Gonud, De Bussey, Frank and Massenet, were given by Mrs. Hayden, Miss Edith Ingersoll and Mrs. Ellsworth Collins. The remainder of the program was as follows: piano solo, "Clair de Lune," Mrs. John Hamilton; vocal solo, "Flower Song," Mrs. Murray Day; vocal solo, "Waltz Song," Mrs. Thomas Gallant, jr.; piano solo, "My Heart At Thy Sweet Voice," Mrs. H. Dillon; piano solo," Elegie," Mrs. W. Waldron; trio, "Amaryllis," Mrs. Nina Heath, Mrs. Maynard Mulvaney and Mrs. Hayden.

In conclusion a delicious lunch was served by Mrs. Wilson assisted by Mrs. Gallant.

W. S. C. S. TO MEET

W. S. C. S. of the Methodist church will meet Wednesday, March 9, at 2 o'clock in the church parlors. Mrs. F. E. N. Thatcher is leader of the program and Mrs. George Wittrup is in charge of the worship service. The hostesses are Mrs. Charles Schenholtz, Mrs. Lizzie Foster and Mrs. Earl Updike.

About The Folks You Know

February roared out like a lion, but although some snow remained and the air was crisp and cold on the first day of March, the sun shone brightly from a clear blue sky . . . Even the birds are confident Spring is on the way . . . Frances Williams saw a pair of robins in the yard at her home, last Saturday.

Rev. and Mrs. Donald C. Wilson are the proud parents of a four-month-old baby daughter, which they have adopted . . . Little Julie Fitch Wilson has blue eyes, brown hair and a very good disposition . . . The latter, her mother says, is a good thing for a minister's daughter, what with all the hustle and bustle of parish life.

Mr. and Mrs. Herbert Murphy entertained at a family dinner recently honoring the 49th wedding anniversary of her parents, Mr. and Mrs. Reuben VanWinkle, which occurred February 22 . . . Out of town guests included Mr. and Mrs. L. H. Wonder and Mrs. A. R. Wonder of Adrian.

Mrs. Bertha Hoag celebrated her 70th birthday anniversary Thursday and her brothers and wives called on her in the evening . . . The Dean Van Valkenburgs, the Leon VanValkenburgs and the Faye VanValkenburgs were the welcome visitors . . . All enjoyed birthday cake and ice cream.

Mrs. Vira Bancroft celebrated her birthday anniversary, recently, and her daughter, Helen, arranged a party for her . . . Neighbors came and enjoyed a social evening and refreshments . . . Mrs. Bancroft received many nice gifts.

Miss Evelyn Tilton, a bride of Saturday, was the honored guest at a pre-nuptial shower given by Miss Clara Rebottara in the K. of C. hall, Friday evening . . . Miss Betty Fsh assisted the hostess . . . Games were enjoyed after which the bride-elect opened many lovely miscellaneous gifts . . . A three-tiered wedding cake was cut by the hostess and with ice cream was served to some 20 guests.

Seven junior young people from the Baptist church enjoyed a roller skating party at the Hill Top near Adrian, Monday evening, along with other junior groups from the Lenawee County B. Y. P. U. Association . . . Nineteen young people from the North Rome church, where Rev. Bashore is now preaching, attended.

Three thousand more residents of Michigan are wintering in St. Petersburg, Florida than last year, according to visitor registration records at the Chamber of Commerce. The Michigan State Society is one of the most active of the many state organizations here, with a membership of more than 1,000. Business meetings are held the first and third Thursdays of each month and innumerable dances, card parties, musicals, picnics, cruises and other entertainment is on the group's crowded calendar. A weekly feature is the Friday night dance at the Palais Royal auditorium. Wm. R. Davis of Fenton is president of the Michigan Society, Gus Saurbrey of Grand Rapids is vice president, Mrs. Agnes N. Sanzi of Ann Arbor is secretary, and Fred Setts of Lake Orion is treasurer. Among the visitors from Tecumseh, Mich., who are enjoying their fifth winter in the Sunshine City are Mrs. Lucy D. Terry and Mrs. Frank Turner. They are making their home at 118 Fourth avenue north. Mr. and Mrs. Harry Day, RFD, are spending two months at the Hollywood Trailer Court, 7200 Fourth stree north. Mr. and Mrs. E. J. Lowry, North Union street, returned for their twe'fth winter at 437 Fifth avenue north.

Mr. and Mrs. Milburn Brooks entertained 35 friends and neighbors at a farewell party for Mr. and Mrs. C. H. Hills, who are moving from the neighborhood . . . After the potluck supper the evening was spent socially and a gift was presented to the Hills.

JUNIOR LEAGUE

The Baptist Junior League will meet Tuesday evening, March 8, at the home of Mrs. Ra'ph Young with Mrs. Jesse Nichols as co-hostess. Mrs. Gilbert Nighswander will lead in devotions and Mrs. Clifford Curran has arranged the program.

AUXILIARY TO MEET

The Tecumseh Hospital Auxiliary will meet on Tuesday evening, March 8, with Mrs. Bertram Updike, 106 South Adrian street. Mrs. Harold Sisson and Mrs. R. G. B. Marsh are the assistant hostesses.

HAPPY HOME BUILDERS

The Happy Home Builders class of the Baptist Church school will meet Monday evening, March 7, at the home of Mr. and Mrs. William DePuy, for a potluck supper at 6:30 p.m.

MISSIONARY TO SPEAK AT RIDGEWAY CHURCH

Rev. Everette Howard, missionary to the Cape Verde Islands now home on furlough, will speak at the Church of the Nazarene in Ridgeway, tomorrow, March 4, according to Rev. Mr. Sheehy, pastor of the congregation.

Rev. and Howard were sent to the Cape Verde Islands in 1930 under the auspices of the Department of Foreign Missions of the Church of the Nazarene. With the exception of one short furlough, they have been in the Islands since that time. The Rev. Mr. Howard serves as superintendent of the field there.

Services at the Ridgeway church will be held at 10 a.m., 2 p.m., and 7:45 p.m.

TO PRESENT PAGEANT

A beautiful pageant, "Light Eternal," using local talent, will be presented in the Methodist church, under the direction of the Red Path-Horner Chautauqua Co., on Thursday and Friday evenings, March 24 and 25, at 8 p.m. Further details will be announced later.

GUILD TONIGHT

The World Wide Guild of the Baptist church will meet this (Thursday) evening at the home of Evelyn and Marlys Arnold.

RIDGEWAY

The Men's Forum of the Methodist church will meet Tuesday evening, March 8, at the church at 8 p.m.

The Study Club of the W. S. C. S. will meet Tuesday at the Gilmore home. The subject for the program is "Newness of Life."

"The sons of Jacob were gathered to hear his dying wish: And their father spake unto each of them and blessed everyone according to his blessing."—Genesis 49:1.

Jacob died, and the twelve sons he left behind were to become the leaders of the twelve tribes of Israel.

The long saga of Joseph was soon to be ended—after the mourning of his father, he returned to Egypt to finish out his life, bringing with him his eleven brothers.

Joseph died in the latter part of the 15th century, B. C., after a long and eventful life, which has been told here. His record for service to his God is near-perfect—one that should be copied by all men.

In the face of temptations of the flesh and of the mind, he was always steadfast. When he was betrayed by his brothers, he was forgiving. When he could have used the powers given him by God for personal gains, he worked for the good of all men, rather than himself.

If you want to learn of the tremendous force for good engendered by your Church, attend it regularly. It needs you, and you need it.

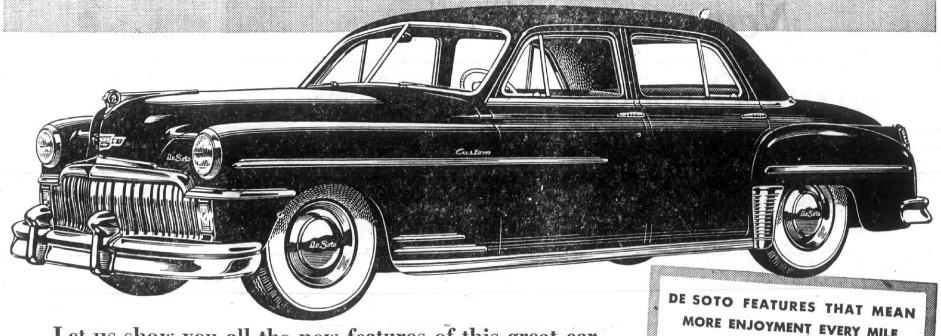
Come in and see the new DE SOTO

On display beginning Saturday March 5th



Let us show you all the new features of this great car

Here is what thoughtful people everywhere have been looking for and hoping for!

Here, at last, is a car that gives you all the best features of modern design without demanding sacrifices of your family's comfort, safety or convenience. It was designed to fit YOU... instead of you having to fit into it.

You don't have to wriggle into the new De Soto. You walk in... and you keep your hat on. The steering wheel doesn't hit your knees. There's more leg room for all passengers, front and back. And not only are the windows and windshields bigger. You can see out of them... because you're sitting on luxurious chair-high seats.

Yes, it's a thrill to look at. But you won't have to rebuild your garage to get it in. A dented fender doesn't mean an expensive body job. And you can still change a tire, if you have to.

Ride? The smoothest you *ever* had. Drive? De Soto lets you drive without shifting. New features? Come in and see them all. No matter what car you *thought* you were going to buy, compare it with this brilliant new De Soto. Then decide.

Tune in "HITTHEJACKPOT" every Tuesday night, all CBS stations

There's No Short-Cut To Knowledge

When it comes to making repairs on your car or truck and doing the work economically, efficiently and to your satisfaction, we'd like to tell you that there is no "short cut" to knowledge.

And there, Mr. Motorist, is where our garage plays its most important part. Our mechanics are factory trained; they use factory-designed tools; we replace worn or broken parts with factory-designed, precision-built replacement parts.

In a nut shell, then, you have the reason why we can cut your repair bills. It takes rtained men with proper tools and parts that fit less time to do the work. And today, time is money!

THE TECUMSEH HERALD

NINETY NINTH YEAR NUMBER SIXTEEN | TECUMSEH, MICHIGAN, MARCH 10, 1949 | FIVE CENTS PER COPY

Light Vote Is Likely, Monday

LITTLE INTEREST IN VILLAGE ELECTION; PARK SALE MAY BRING OUT VOTES

Although the proposal to sell three almost-forgotten pieces of park land—known as "parade grounds" in Tecumseh's original survey—may bring out a few scattered votes when electors go to the polls here on Monday, there appears to be little interest in the annual Spring election in this village, it was declared today.

Voters will go to the polls on Monday to choose a new president, clerk, assessor, treasurer, and three members of the council. Only one ticket is in the field, the Progressive, and because there is no contest a light vote is forecast.

Marvin Watkins is seeking re-election as president. Likewise, Wade L. Jones and Charles Fay are seeking re-election as clerk and treasurer, respectively. John Saling is the candidate for assessor. The three nominees for the council are Archie Porter, George McCombs and Ray Sluyter.

The three parade ground sites, listed for voters' approval for sale, are: One on the north side of Brown street, just off Mill street, another on Burt street, east of Maumee, and a third on the south side of Shawnee, between Oneida and Maumee. The Brown street site is about 43 by 209 feet, the Burt street, 49 by 180, and the other site is smaller.

If voters approve the sale of the land, it was said that it will be offered to the highest bidder, or possibly sealed bids will be sought. Voters' O.K., however, must first be given before the village can transfer title to the property.

The election board for Monday's balloting is as follows: Miss Bess M. Spayde, Mrs. Gertrude Schneider, R. W. Mead, Mrs. Harry Tuckey, Mrs. Cecil Smith, F. E. Smallidge, Mrs. Iva Marsh, Mrs. Margaret Kidman, A. B. Harding, Charles Nobles and H. Watkins. The commissioners are: W. D Hite, W. J. Hanna and W. F. McCann.

THS Juniors To Stage Play

"DATE WITH JUDY," WILL BE PRESENTED HERE ON MARCH 17 AND 18

The Junior class of Tecumseh high school has chosen the play, "A Date With Judy" for presentation on March 17 and 18 at 8:15 p.m., in the school auditorium. This is not the play seen on the screen in Tecumseh this winter but is adapted from the radio program of the same name broadcast over N.B.C. and starring Louise Erickson.

A comedy of errors arises out of Judy's determination to be crowned Queen of the Ball for the community Relief Fund. Though her mother gets labeled as a bigamist in the uproar, little does that bother Judy and her friends.

The cast chosen is as follows: Judy Foster, a teen-age miss, Shirley Teske; Melvin Foster, her father, David Lott; Dora Foster, her mother, Marilyn VanHook; Randolph Foster, her younger brother, Gordon Keyser; Hanna, the maid, Sally Brown; Barbara Winsocket, Judy's friend, JoAnn Johnson; Ooogie Pringle, her boyfriend, Jerry Bowen; Mitzi Hoffman, another friend, Marlyn Lindsley; Mr. Martindale, a theatrical producer, David Green; Mrs. Hotchkiss, the laundress, Bonnie Beasley; Eloise Hotchkiss, her daughter, Charlene Joseph; Mrs. Shlutzhammer of the P. T. A., Lenore McKenzie; Rex O'Connor, a new boy, Garland Holmes; Susie, his kid sister, Patricia Long; radio announcer, Gerald VanValkenburg.

The cast is hard at work under the direction of Mrs. F. C. Dickinson and Miss Bessie Bortner while a capable stage crew is busily hammering away at a set which will soon be newly papered. An evening of worthwhile entertainment is guaranteed.

C. OF C. PLANS JULY 4TH HOMECOMING CELEBRATION

Tecumseh To Observe 125th Anniversary

Tecumseh and Lenawee County will be 125 years old this summer and a civic and homecoming celebration worthy of the anniversary is now being planned. This announcement was made today by Leon Williamson, president of the Chamber of Commerce and with Wade Jones, co-chairman of the 1949 4th of July Celebration.

It was in the summer of 1824 that Musgrove Evans, Joseph Brown, and Peter Benson and their families came to the Raisin River Valley, and upon the spot now marked by the commemoration boulder built the first house in Lenawee county.

Many Michigan communities have been celebrating their centennials during the past three or four years and some of them will be staging centennials in 1949. However, Tecumseh staged its centennial in conjunction with its 4th of July celebration back in 1924. It is felt that an added quarter of a century to local history demands a full and adequate observance.

Plans for the celebration are already being worked on and will be announced as developments occur. In the meantime the Chamber of Commerce requests that residents begin ransacking their attics for relics and other exhibits of Tecumseh's early history, and that they correspond with former residents so that they may begin making plans for a homecoming return next summer.

Clair L. Dickinson, 52, Buried In Brookside

Clair LeRoy Dickinson, 52, died Friday afternoon in Tecumseh hospital after a short illness.

Born in Tecumseh, Mr. Dickinson had spent his entire life here. He was a past commander of the Underwood-Orr post, American Legion, a member of the Masonic lodge, No. 69, F. & A. M., and the Presbyterian church.

Surviving are the widow, Lillian Mae, a son Allan at home, two daughters, Anieta at home and Mrs. Elva Allen of Richland, Wash., and two sisters, Mrs. Zora McWilliams of Holloway and Mrs. Zela Cotton of Los Angeles.

Funeral services were conducted Monday afternoon from the Green Funeral Home with the Rev. Donald C. Wilson officiating. A military service was conducted at the grave in Brookside cemetery. The bearers were Don Goddard, Marvin Watkins, Lillard Brown, Lyman Curtiss, Charles Howe and Clyde Dreweyor. Friends and relatives attended from Holloway, Springfield, Ill., Richland, Wash., Adrian, Tipton, Macon and surrounding communities.

SUPT. PLACE WILL SPEAK TO D.A.R.

Abi Evans chapter, D. A. R., will meet Friday, March 11, at 8 p.m., at the home of Mrs. Fred Dickinson, with Mrs. Pearly Tripp, Mrs. Edward Beal, Mrs. Virgil Deming, Mrs. Charles Mensing, Mrs. Louis Schneider and Mrs. Ernest Linger as the assisting hostesses. Superintendent Earl Place will speak on the topic "Our Schools."

Dinner will be served at Brees House preceding the meeting honoring Mrs. Chester E. Edwards of Grand Rapids, state president of the Michigan Society of Children of the American Revolution.

FORMER RESIDENT DIES

Friends here received word of the death of Mrs. Theodore C. Harris, 88, in Fremont, Ohio, a former resident of Tecumseh. Mrs. Harris lived here many years and was active in St. Peter's church and the Monday Club. She is survived by a daughter, Mrs. Verner Crane of Ann Arbor and a grandson, Theodore Crane of Brown University, Providence, R. I.

MEETINGS CONTINUED

The special meetings at the Friends church are continuing this week under Bert Turner, evangelist, each evening except Saturday, at 7:45 p.m. There are special features from night to night and the meetings are being very well attended.

MEETING POSTPONED

The meeting of the Florence Weld Mission Guild, scheduled for March 14, has been postponed until March 28. The meeting place will be announced later.

NOTICE

My office will be closed on Thursday instead of Wednesday, until further notice, starting the first week in April.

Truman R. Mills, 62, Buried Here, Tuesday

Truman Raymond Mills, aged 62 years, died at his home one mile south of Tecumseh, Saturday at 7:30 p.m., after a year of failing health.

Born, February 19, 1887, in Tecumseh, he was the son of the late Mr. and Mrs. Adelbert W. Mills. After graduating from Tecumseh high school, he studied at the University of Michigan for three years. During World War I he served four years in the U. S. army after which he served five years in the U. S. Navy. He was employed at the Tecumseh Products Company as a machinist for the past 12 years.

Mr. Mills was a member of the First Presbyterian church of Tecumseh and the Underwood-Orr post, American Legion. He was also a member of the Masonic Lodge No. 69, F. & A. M., and a Shriner of Detroit.

Surviving are his wife, Florence Elizabeth, one brother, Wilfred D. Mills of Cornell University, two sisters, Zilla Mills of Berkeley, Calif., and Mrs. Marian Crittenden of Flushing, Long Island, and several nieces, nephews and cousins. He was preceded in death by a brother, Capt. Adelbert Mills, during World War I in France, and a sister, Mrs. Mabel Sanford.

Funeral services were held Tuesday afternoon from the Collins Funeral Home with the Rev. B. O. Bashore officiating. Underwood-Orr post, American Legion, conducted military services at the grave in Brookside cemetery. The bearers were George Adamson, John Keeney, Leon Williamson, Perry Satterthwaite, John C. Heesen and Maynard Mulvaney.

LENTEN TEA

All women of St. Peter's church are invited to a Lenten Tea and program at the home of Mrs. Perry Satterthwaite, 213 North Union St., at 2 p.m. today (Thursday). The Rev. Edward Escolme will speak and show sound moving pictures.

Countess To Speak

FORMER BRITISH SPY TO APPEAR ON ROTARY LADIES NIGHT PROGRAM, MARCH 15

Countess Maria Pulaski, a member of the British intelligence service during World War II and rated as one of the nation's top-flight banquet speakers will discuss her war years' activities when she addresses the annual Ladies Night meeting of the Tecumseh Rotary Club, Tuesday evening, March 15, at the high school. The dinner will be served promptly at 6:45, and arrangements are being made to care for more than 200 persons.

"The Countess will use as her subject, 'My Life as a Spy,' and from what I have been told by persons who have heard her speak, Tecumseh is in for one of its most entertaining and thrilling programs," Clarence Gilman, chairman of the club's entertainment committee, said today.

At Tuesday's meeting of the club, at Brees House, Bert Turner, evangelist from Belfast, Ireland, who is conducting a series of meetings at the Friends Church, was the speaker. Mr. Turner was the guest of Perry Hayden.

"I am convinced, from my travels world-wide," Mr. Turner said, "that what the whole world needs is more of the teachings of Christ if we are to achieve our goal for peace."

Turner, who recently returned from the British Isles, is the originator of Gospel sky writing, and the promoter of the moonlight Gospel cruises, attended by thousands.

MONDAY CLUB TO MEET

The Tecumseh Monday Club will meet at the home of Mrs. Earl Wickwire, next week, March 14, with Mrs. Edward Beal, Mrs. Norman Bailey and Mrs. Herbert Temple as the assisting hostesses. Miss Edith Ingersoll, program leader, will introduce Robert L. French, attorney at law, who will speak on the subject "Common Legal Principles."

HOME IS THE MOST DANGEROUS SPOT FOR THE KIDDIES

More Children Die From Accidents Than Disease

More Michigan children die from accidents than from any disease. More accidental deaths of children occur at home than in any other place. An adult is either directly or indirectly responsible for almost every childhood accidental death.

These things Dr. Albert E. Heustis, state health commissioner, stressed today in urging every Michigan adult to participate in the national Watch Out for Children campaign this month.

Watch out for other people's children in traffic or on crosswalks, but watch out also for hazards which endanger your own child in your own home, he said.

Of the 638 Michigan children under fifteen who were killed in accidents last year, 327 — more than half — died as the result of accidents in their own home.

A child is not "safe at home" unless that home is made safe for him.

Last year 108 babies under one year died of suffocation, and 17 more under five years lost their lives in a similar fashion. An infant should have his own bed, tiny pillow and blankets and should sleep alone.

Home fires took the lives of 119 children under fifteen years. More than half of them were under five. Don't leave young children alone at home. Look for the fire hazards in your home, any one of them may take your child's life. Correct poor wiring and heating equipment. Keep matches out of children's reach.

Nineteen children under five years died from accidental poisoning their homes. Where have you stored your lighter fluid, spot-remover, laundry bleach, insecticides, dye, medicines and other poisonous materials? If a climbing child can reach them, move them now to a safe location.

Twenty-four children died from falls, 16 of them in their own home. Are there skates, brooms, clothes, laundry or other items on your stair steps? Are there slippery floors or skating rugs above or below the stairs? Can your child fall out of your windows or through your stair railings?

Last year 117 children between five and fifteen years were killed by automobiles as they walked, ran or played in streets or drives. Teach your child the safest route to school. Tell him why he must not play in the street and why he should cross only at crosswalks and only with the light. Then use special caution when you drive in school zones, theaters, or playgrounds. Keep an eye out for the child who may dart from between parked cars or from behind buses.

Drowning took the lives of 80 children last year. Give a little thought to water safety and swimming lessons for your children.

Most of the accidental deaths of children from suffocation, fires, traffic, falls, poison and drowning can be prevented if all adults will only "Watch Out for Children," Dr. Heustis concluded.

Driver Training Course Popular

30 STUDENTS ARE ENROLLED AT HIGH SCHOOL; COURTESY, SAFETY ARE TOPICS

Keys to a new 1949 Ford car were turned over to Earl Place, superintendent of schools here, recently, as Tecumseh entered its second year of "on the job training" in a Michigan-approved driver training course for high school students. Ceremonies in connection with the project were held at the high school.

This year, as a year ago, the car used to train students is furnished by Charles O. Butler, of Butler Motor Sales. The school furnishes the specially-trained instructor, in Tecumseh's instance, David Dick, and at the present time some 30 youngsters are enrolled in the class which meets two hours weekly. Credit for the course is given the same as for any other subject in high school.

"We have a full enrollment in the course, and we would have many more except for a conflict in hours," Mr. Dick said. "We try to teach the youngsters the actual 'feel' under the wheel of a car, and to instruct them in safety methods, how to properly park, stop and start on grades, and, all important traffic courtesies. The course takes a full semester and each youngster is behind the wheel for 15 minutes in each driving period."

Last year, Dick said, some 20 students were enrolled in the course. This year the number has jumped to 30. Many girls show interest in specialized driver training.

In the photo above, Mr. Butler is shown turning the keys to the car to Mr. Place. With them is Village President Marvin Watkins, Mr. Dick and Sgt. Wayne Fernelious and his ventriloquist's dummy, Jerry McSafety. The Sergeant and Jerry recently appeared here before school students in a safety program under Mr. Butler's auspices.

"We are very glad to cooperate with the school, and to furnish a car for this driver training program," Butler said. "We believe that anything that we can do to reduce accidents, particularly for the teen-agers, and make all driving safe, is to not only our benefit, but to the benefit of the public generally."

Last year, Butler furnished a current model car for the training program. Now, that new models are in vogue, he has replaced the old car with a new one.

"We want to keep the students up to date," Butler said, "and consequently a new car seemed necessary."

Alaska To Be Subject Of Town Hall Discussion

Dow Vawter Baxter, Ph. D., professor of forest pathology of the school of forestry and conservation, University of Michigan, will be the guest speaker at the third Town Hall meeting of the season, Tuesday evening, March 22, at the high school. The program will begin at 8 o'clock.

"Alaska, Our Modern Frontier," will be the interesting subject that Dr. Baxter will discuss. He is well qualified to speak, having participated in a number of expeditions in the northlands, dating from 1932 through 1938.

Admission to the meeting is without charge, the cost of the program having been underwritten by Tecumseh's several clubs and organizations.

Sylvia Helzerman Wins Art Honors

Sylvia Helzerman, aged 11 years, fifth grade student in the Tecumseh public schools, has been notified that she is one of the nine first-place winners from Michigan in Milton Bradley Company's nation-wide "America the Beautiful" crayon art competition for kindergarten and grade school students. She is the daughter of Dr. and Mrs. Ralph Helzerman of 612 West Chicago boulevard.

Sylvia's drawing, titled "The Gift Shop," was selected by a jury of nationally prominent art authorities as the best of those submitted in the fifth grade division from schools in Michigan. She and the winners in the eight other grade classifications will receive mounted engraved plaques in recognition of their achievement. National winners, chosen from state winners in each grade, will be presented with $500 government bond scholastic fund awards.

Miss Burgess, Sylvia's teacher, directed her in the preparation of her winning entry. Best drawings from state and national winners will be on exhibit in the country's art galleries, museums and schools.

To License Bikes

CONTROL ORDINANCE PASSED BY COUNCIL IN SESSION ON MONDAY EVENING

An ordinance to license and control the operation of bicycles in the village of Tecumseh was passed by the council, in session Monday evening. The ordinance will become effective in April.

Under the new law, all bicycle owners must register their vehicles with the police department. The registration costs 50 cents and a license tag is issued. Renewal of the license in subsequent years costs 25 cents.

The purpose of the ordinance is not to make money, but to regulate the operation of bicycles in the village. Police say that many bikes have been stolen in past months and owners know but little about them by way of description. It is hoped, once license tags have been attached and serial numbers, models and makes have been recorded, that it will be much less difficult to trace the wheels if they become lost or stolen.

The council granted Lee Purkey permission to use one of the Elliott buildings on South Pearl street for garage purposes for 30 days.

Current bills were audited and approved, and reports of committee and department heads were read and placed on file.

Stevensons Open House On 50th Anniversary

Mr. and Mrs. Lafayette Stevenson received congratulations from over 75 friends and relatives on their 50th wedding anniversary, when they celebrated with open house, Sunday afternoon, from 3 to 6 p.m., at their home, 306 South Union St. Receiving the guests with the Stevensons were their son and wife, Mr. and Mrs. Charles Stevenson.

A white linen cloth, a wedding gift to the Stevensons fifty years ago, covered the refreshment table, which was centered with a three-tired wedding cake, baked by Mrs. Edna Ramsay. Mrs. Ervie Raymond and Mrs. Don Morley presided at the silver tea and coffee urns. Mr. and Mrs. Stevenson received many flowers, gifts and cards of congratulations.

Mrs. John Lancaster, granddaughter of the Stevensons, was in charge of the guest book. Guests were from Toledo, Adrian, Clinton, Morenci, Ridgeway, Holloway and Tecumseh.

TO REVIEW BOOK

The Daughters of St. Peter will meet at the parish house, Tuesday evening, March 15, at 8 p.m. A review of the book "The People's Life of Christ" will be continued.

Moore's To Open New Lumber Yard

CLINTON TO BE SCENE OF SPECIAL PROGRAM ALL DAY SATURDAY, MARCH 12

The formal opening of the new and modern lumber yard, warehouse and offices of R. S. Moore & Son Company, will take place Saturday at Clinton, it was announced today by R. H. Moore, head of the company. The celebration will be a day-long affair, to which the public is invited.

The new Moore offices and warehouse at Clark street and the N. Y. C. railroad in Clinton—a brick and steel building about 40 by 100 feet—is modern in every way and is designed with the "new look." The floor of the building is of asphalt tile, and the interior walls are finished in many patterns and designs. On Saturday, 10 exhibitors from national building shows will be on hand to display their products. There will be special prizes and souvenirs for both men and women.

A feature of Saturday's party will be the appearance of Doris and the Bar Q Ranch Boys from Toledo, who will furnish music and other entertainment. The program also will be broadcast at 3:30 on Saturday over Station WABJ, Adrian.

"We have just one thought in mind in the opening of this new building—service to the public," Mr. Moore said in making the announcement. "We desire to give the people of Clinton and its trading area every convenience when they shop with us, and we also want to be in the best possible position to be of service to them. We believe, with the improvements that we have made, we will be in such a position."

The Moore yard at Clinton carries lumber and building materials of all kinds.

R. S. Moore & Son Company's home offices and yards are in Tecumseh. The firm also operates yards in Clinton, Britton and Dundee.

Plan Institute For Teachers

MINISTERIAL ASSOCIATION TO SPONSOR TRAINING COURSE FOR S. S. WORKERS

Under the auspices of the Tecumseh Ministerial Association a Teacher Training Institute for Tecumseh church school teachers is being planned for the week of March 14.

The Institute will run five consecutive nights and is open to all church school teachers in and around this community. It will begin at 7:30 each evening Monday through Friday and, except for Wednesday night, will be held at the Presbyterian church. On Wednesday evening only, March 16, the Institute will meet at the Methodist church.

There will be two courses offered for church school teachers and one seminar series open to church school officers. Dr. Norman MacNaughton will conduct the course on "Teaching Methods" for all teachers. The Rev. Edward Escolme will conduct the other course, "The Story the Bible Tells." Both are aimed at better equipping teachers for their work.

The seminar on church school administration for officers will be under the direction of a different resource leader for each evening:

Monday evening, March 14—"The Key Position of the Teacher," led by the Rev. Alvin Brasee.

Tuesday, March 15—"The Teacher's Preparation," led by the Rev. Donald C. Wilson.

Wednesday, March 16—"Church School Records and Files," led by Robert W. Ries.

Thursday, March 17—"Church School Stewardship," led by Perry Hayden.

Friday, March 18—"Church School Music", led by Jack Tonneberger.

The brief worship service each evening will be led by laymen from the Methodist, Episcopal, Baptist, Friends and Presbyterian Churches.

It is hoped by the Ministerial Association that teachers in the church schools of Tecumseh and the surrounding area will avail themselves of this opportunity to better prepare themselves for their teaching task.

LOOK AT RUSSIA

A Swiss economic journal recently published a study of how much working time the average man in various nations has to put in to earn enough to buy certain basic commodities. Russia was at one end of the scale and the United States at the other. It was found that a Soviet worker had to labor over an hour for the purchase of 2½ pounds of bread, while the U. S. worker could earn enough in 15 minutes. That same Soviet worker required 580 hours for a suit of clothes. In this country, 28 hours was sufficient.

Many causes contribute to this amazing difference—such as the skill of American workmen, our advanced technology, and an economic system which rewards initiative and enterprise. There is still another cause which many of us may overlook—and that is the contribution to our living standards and purchasing power made by American retailing.

In Russia, there is no such thing as competition among stores. The state owns or controls them all, and stocks and prices are whatever the dictators think desirable. In this country retail competition is wide open. Chains, independents, big department stores and little specialty shops—every kind and character of store is aggressively seeking consumer inducements—such as lower prices, special service, more varied and attractive displays, and so on. The result is that we get better goods, at a lower price, than any other kind of economy can provide. The consumers' income, even in a period of inflation, pays for all the necessities and leaves him a surplus for luxuries that would be undreamed of elsewhere.

Those who think a controlled economy would benefit the masses should look at Russia, where regimentation is complete. The result has been one of the lowest living standards on earth.

HOLLOWAY

The Raisin Sewing Circle met Friday afternoon in the home of Mrs. J. D. Jaqua. The quilt for Mrs. Elwyn Gafner was finished and will be presented at a later date. Mrs. Edward Mitchell's side of the recent attendance contest were declared winners. The next meeting will be held with Mrs James Mitchell.

The P. T. A. Districts 2 and 3 held their monthly meeting Friday evening at the Holloway School with 60 in attendance. An interesting program was presented by the two schools and Mrs. Bert Kopke of Tecumseh gave several readings. Refreshments were served after the business meeting.

Mr. and Mrs. C. D. Klappich and Mrs. J. Schmidt of Monroe were Sunday callers in the home of Mr. and Mrs. Bert Klappich and daughter.

Mr. and Mrs. S. J. Forsyth of Detroit were weekend guests of Mr. and Mrs. Clark Sinclair and daughter.

Mrs. John Calhoun, chairman of Raisin Township Red Cross Drive named her committees as follows: No. 1 Fractional, Mrs. Ralph Youngs; No. 2 Fractional, Mrs. Ralph Snyder; No. 5 Fractional, Mrs. Raymond Frost; No. 6 Fractional, Mrs. Clarence Kayner; District No. 2, Mrs. Harvey Lewis; No. 3, Mrs. Melvin McWilliams; Holloway village, Miss Janice Harper; No. 5, Mr. C. O. Bailey; No. 6, Mrs. Gray Mumaw; No. 7, Mrs. Machan; No. 9, Mrs. Hugh Mitchell; No 10, Mrs. George Finnegan. All reports are to be in by March 15.

Mr. and Mrs. Lloyd Kimmel and daughter of Rayson, Ohio, Mr. and Mrs. Charles Waite of Tipton, and Mr. and Mrs. Walter Joyce of Hillsdale were Sunday guests of Mr. and Mrs. Hugh Mitchell and Mr. and Mrs. Sam Mitchell.

The C. and T. Club of Holloway have a very interesting display of the work accomplished during the year by the 14 girls of the group. The display includes sewing, canning and knitting by the girls in the first, second, third and fourth years. This work was arranged by the two leaders, Mrs. Carl Gritzmaker and Mrs. James Mitchell and is in the window of Blouch's store where it will remain this week.

The choir of the Holloway Presbyterian Church will hold a practice meeting Thursday evening in the home of Mr. and Mrs. Clark Sinclair. Easter music is being practiced at this time.

The Junior Choir held a bake sale Saturday afternoon in Blouch's store and more than twenty-five dollars was cleared which is to be used to purchase material for choir robes which will be made in time for Easter music.

ONSTED

Mrs. Harold Reynolds is chairman of the Red Cross for Cambridge township. Mrs. Reynolds has appointed solicitors for each school district and several in Onsted who will call at the homes. Contributions can also be left at the Onsted State Bank.

Mr. and Mrs. Harold R. Reynolds are announcing the engagement of their daughter, Mary Louise, to Carl R. Frans, jr., son of Mr. and Mrs. Carl R. Frans of Grand Rapids. A May wedding is planned.

Gentleman's Night will be observed by the Onsted Woman's Club, with a banquet at the Grange Hall, March 15, at 7:30 p. m. Clarence Tinker of the State Conservation Department will speak and show colored pictures.

Brenda West, ten-year-old daughter of Mr. and Mrs. Raymond West, underwent an appendectomy at the Addison Community hospital, last week.

"The car designed with YOU in mind!"

It's new...it's different...it's better! Come in and see it

NO MATTER how many new cars you have compared this year . . . no matter what kind you thought you were going to buy . . . make no final decision until you have seen this new De Soto.

This is the car that you were hearing about long before it arrived. This is the car that was designed to fit YOU instead of you having to fit it. And what a difference that makes!

Here's the low, massive, modern look. But instead of having *less* room inside the car, you have *more*. More leg room, arm room, headroom. You step in through full-width doors. You don't have to crouch behind the steering wheel. The roof doesn't scrape your hat. You ride in dignity and comfort.

You can see where you are going, too. Not only are windows and windshields bigger. You sit on luxurious chair-high seats. You ride cradled between the axles. And, as you know, De Soto *lets you drive without shifting.*

Many exciting new features. From the fresh-air All-Weather Comfort System hidden under the hood to the automatic built-in back-up light, they're all intensely practical. Come in and see them.

Tune in "HIT THE JACKPOT" every Tuesday night, all CBS stations

150 Cub Scouts, Families At Pack Dinner Here

Some 150 Cub Scouts and their families enjoyed the Blue and Gold Cub Pack dinner, held recently in the high school gymnasium.

Opening the program, Mrs. Gerald Roberts' den gave the pledge of allegiance to the flag. Gary Cameron, Nicky Touborg, Allan Dickinson and John Naser were awarded wolf badges. James Place and Kenneth Miller each received a bear badge; James Warren was given the bobcat badge; Val Spangler, the bear pin; James Purkey, the bear gold arrow and Thomas Maupin was awarded the wolf silver arrow. James McDowell showed three reels of movies. The closing ritual was performed by Mrs. Harold Naser's den.

A touch of spring was noted in the table decorations, which were in keeping with the month of February. Daffodils and blue irises were arranged with blue and gold candles and streamers on the two blue and gold tables at which Mrs. Gerald Roberts and Mrs. Lee Purkey were the den mothers. The Archie Schingeck and Bashore families were guests at these tables. Mr. Schingeck is the field scout executive.

Representing Washington's birthday, Mrs. Dwight Hodges' table was centered with a green artificial tree covered with candied cherries. Miniature hatchets were the place cards. A huge valentine centered Mrs. Harold Naser's den table and the place cards were tiny valentines. Lincoln's birthday was represented at Mrs. Earl Place's den table. Here a log cabin was set in some greenery and to further carry out the theme, shiny new pennies were used on the place cards.

Miss Jeanette Wilson Bride Of Wesley Hicks

Miss Jeanette Mae Wilson, daughter of Mr. and Mrs. Roger Wilson of Tecumseh, and Wesley Hicks, jr., son of Mr. and Mrs. Wesley Hicks of Monroe, were united in marriage Saturday evening at the home of the Rev. Alvin C. Brazee in Manchester. The Rev. Mr. Brazee read the double ring service at 6 o'clock.

The bride chose a black print dress with a corsage of white roses. Mr. and Mrs. Darrell McClure attended the couple and Mrs. McClure had a corsage of white roses.

After spending the weekend in Toledo, Mr. and Mrs. Hicks returned to the home of her parents, where they will reside for the present. A graduate of Tecumseh high school, the bride is employed at the United Savings Bank. The groom is employed in Monroe.

Electric Co-ops To Meet Mar. 16

ANNUAL GET-TOGETHER TO BE HELD IN ADRIAN; TO NAME DIRECTORS

Seventeen hundred members of the Southeastern Michigan Rural Electric Cooperative have been called to the Armory in Adrian on March 16 to elect directors for the coming year and to observe the 11th anniversary of the founding of their cooperative, Roy McComb, of Jasper, Michigan, president of the organization announced this week.

Because of mounting interest in co-op affairs and a number of added attractions, including a display of electrical farm equipment, McComb said he expects the largest meeting the co-op's history. Registration will start at 11 a.m. and the meeting at 1 p.m.

In addition to electing directors, the members will hear reports on the progress of their cooperative. McComb said that in 1948 the co-op again met its obligation to the federal government. He said the members of the co-op now own an equity of $106,000 in the power system that serves them. The system includes 500 miles of distribution lines that serve the rural areas in Lenawee county in Michigan and Fulton and Williams counties in Ohio. Like 900 other rural electric cooperatives throughout the country, Southeastern borrows funds from the Rural Electrification Administration to build and operate electric power facilities, for its member-owners The loans are for 35 years and are repaid at two percent interest.

The Southeastern Michigan co-op is one of the 13 operating electric power facilities in Michigan and one of 30 in Ohio. Since these groups were organized in the 13-year history of REA, farm electrification in Michigan has increased from 21.4 percent to 96.7 percent and in Ohio from 18.8 percent to 97.6 percent, McComb said.

Auction Of Easter Hats Enjoyed by O. E. S., Here

Tecumseh chapter, Order of the Eastern Star, met Thursday evening. During the business meeting a memorial service for the late Mrs. Nellie Adamson was held and the new star point chairs dedicated. Plans were discussed for the reception for Mrs. Thomas Hamilton, grand committee woman, to be held March 24, the place for the dinner to be announced later. Members should call Mrs. Lynn Harris for reservations before March 19.

Vera Driffill was in charge of the program, which was an auction of old hats. The hats were purchased sight unseen and then modeled by the new owners as they paraded into the dining room to the tune of "In Your Easter Bonnet." Honors went to LaRue Hoagland and Kenton Hunt. Lunch was served by Mrs. Howard Truesdale and her committee.

Guard Against Cuts By Fluorescent Tube Glass

Even the slightest cut made by the broken glass of fluorescent light tubes is dangerous and requires the treatment of a physician: it should not be treated by ordinary first aid methods, the Michigan Department of Health warned today.

The injured person should tell his doctor that he has been cut by a piece of glass from a fluorescent light tube and not merely by a piece of glass.

Fluorescent tubes are coated internally with a powder which, when it gets under the skin or into a cut, causes slow healing, chronic inflammation or painful tumor-like growths.

Broken tubes and glass particles from them should be handled only with gloves, and should be buried underground deep enough so that children will not cut themselves by playing with them or stepping on them.

Precautions should be taken also to avoid inhaling the dust from broken tubes: it may cause lung damage, the Department added.

Fluorescent tubes are coated with a powder called "phosphor" which makes the tube fluoresce or glow. Phosphors normally contain beryllium and small amounts of mercury. These two substances are poisonous.

Fluorescent lighting is perfectly safe, when the tubes are handled with care. Danger exists only in handling broken tubes, in inhaling dust from broken tubes or in inhaling the dust in the course of manufacture of the tubes.

Detailed information on the use of fluorescent lighting, the disposal of tubes and the hazard in industry may be had from your local health department or from the Bureau of Industrial Health, Michigan Department of Health, Lansing 4, Michigan.

Motor Car Tax Hits New High

AVERAGE IS NOW $74 PER VEHICLE, SURVEY IN MICHIGAN SHOWS

LANSING — Special automotive taxes will average a record $74 for every motor vehicle registered in Michigan in 1948, according to preliminary estimates released today by William Palmer of the Michigan Petroleum Industries Committee. Mr. Palmer pointed out that this tax burden, which includes all special federal and state levies on motor vehicles, has increased 71 per cent since 1938.

"These are startling figures when we realize that they represent only the special taxes that motorists paid on their motor vehicles and motor fuel during the past year," he said, "but in addition to the $74 burden of these special taxes, motorists also paid all the general taxes required of other citizens.

"The motorists have been called the most heavily taxed group in the entire state and it is easy to see why," he continued. "We hear a lot about the high cost of living, but what about the high cost of taxes?" he asked. "Here is a tax cost increase of approximately 71 per cent in just one field of taxation in the last ten years.

"Already there are signs that the cost of living may be headed downward. But at the same time the automotive tax burden is at its highest point in history. It is true of most taxes, and especially of automotive taxes that the trend of tax rates is seldom downward. But since we're beginning to get some relief from the pinch of inflation, let's hope that this exorbitant tax burden will also decline with the return to normalcy. And failing that, the least we should do is prevent tax rates from getting any higher," he urged.

But despite this year's all-time record burden of motor vehicle taxation, Mr. Palmer pointed out that "there are still those persons who propose to increase the state gasoline tax rate and thus heap even heavier taxes on Michigan motorists. But they overlook the fact that most car-owners in this state already pay out more money each year in automotive taxes than in federal income taxes. They should remember that, even with taxes, there comes a time when enough is enough."

ARE YOU INTERESTED?

People in Michigan communities interested in fluorinating their water supplies in the hope of reducing dental decay should write to their local health departments or the Michigan Department of Health, Lansing 4, Michigan for three new pamphlets.

They are: Fluorination and Dental Caries, A Statement of Policy on Fluorination of Public Water Supplies, and Procedure for the Fluorination of Public Water Supplies, all of which are prepared by the Michigan Department of Health to answer current questions.

CHILD STUDY CLUB TO MEET MONDAY

The Tecumseh Child Study Club will meet Monday, March 14, at the home of Mrs. Richard Preston with Mrs. Ernest Green and Mrs. Winthrop Winfield as the assisting hostesses. Mrs. Hubert VanCamp has charge of the program "Habits That Worry Parents." Mrs. Howard Truesdale and Mrs. Gene Judson are in charge of the children's favors.

FUNERAL SERVICE TODAY FOR LEO ZELUFF, 59

Leo Zeluff, 59, was found dead in his hotel room at Ann Arbor, Monday morning, where he hanged himself sometime Sunday night. Dr. Edwain V. Ganzhorn, Washtenaw county coroner, ruled the death was suicide and said there would be no inquest.

Born, April 15, 1889, in Monroe county, he was the son of the late Mr. and Mrs. James Zeluff of Ridgeway. He served in the U. S. Army during World War I, with three years overseas. He is survived by two sisters, Mrs. Ralph Atchison and Mrs. Cecil LaHounty of Tecumseh and several nieces, nephews and cousins.

Funeral services will be held today (Thursday) at 2 p.m., at the Collins Funeral Home with the Rev. Edward Escolme officiating. Burial will be in Brookside cemetery.

FRED L. MAHRLE BURIED AT JACKSON

Funeral services were conducted from the Hause Funeral Home in Clinton Tuesday afternoon for Fred L. Mahrle, 85, who died Sunday morning at the home of his daughter, Mrs. Clarence Feldkamp in Clinton, where he had been spending the winter. The Rev. H. R. Sullivan officiated and burial was in Woodlawn cemetery, Jackson.

Mr. Mahrle's home was on South Jackson street in Jackson. Surviving are two daughters, Mrs. Feldkamp and Mrs. Robert Reakes of Flint, two sons, Kenneth of Wauwatosa, Wis., and Richard of Wolf Lake, Mich., five grandchildren and four great-grandchildren.

EAGLES AUXILIARY GIVES TO FOUNDATION

At a recent meeting of the Eagles Auxiliary it was voted to give $25 to the Eagle Memorial Foundation. The visiting committee reported that two boxes of groceries, averaging $40 each and donated by the Eagles and Auxiliary, had been delivered to the families of two members, who have been in the hospital for several months. Anna Skinner was elected to act as Mother of the Auxiliary for the remainder of the year.

Plans were made for the next meeting, March 16, at which time a class will be initiated and refreshments served.

HAPPY HOME BUILDERS

Mr. and Mrs. William DePuy entertained the Happy Home Builders class of the Baptist church school, at a potluck supper Monday evening. After the business meeting, games were enjoyed under the direction of Mr. and Mrs. Ronald VanValkenburg.

The next meeting will be at the home of Mr. and Mrs. Dow Bliby with Mr. and Mrs. Delbert Tallman of Clinton as program leaders

WORLD WIDE GUILD

Some 16 members of the World Wide Guild of the Baptist church met Thursday evening at the home of Marlys and Evelyn Arnold. The young girls enjoyed a talk by Miss Gertrude Leutheuser, who spoke of Germany; her homeland. It was voted to send a package of food and clothing to a youth organization in Germany. The White Cross quota was discussed. Refreshments were served by the hostesses in conclusion.

TO MEET MARCH 16

The monthly meeting of the Presbyterian Women's Association will be held at the church, Wednesday, March 16. The business meeting at 8 p.m., will be followed by a movie, "Beyond Our Own," in the church auditorium at 8:30 p.m. All members are urged to attend and to bring a friend.

LYSTER LEAGUE

The Lyster League of St. Peter's church will meet Wednesday evening, March 16, at the home of Mrs. Clara Wright, at eight o'clock. Mrs. Neil Pearson will present the program.

OBSOLETE DEFENSE . . . Huge coastal defense guns became as obsolete as the bow and arrow with the development of the airplane. This big 16-incher at Fort Fuston, built to defend San Francisco bay, is in the process of being cut up for scrap. The gun is 69 feet long and weighs approximately 370 tons. The barrel is being cut into five-foot sections, each weighing about 23 tons.

To Return Body Of Pvt. Jack Slater

The body of Pvt. Jack Slater will arrive at the Collins Funeral Home, tomorrow (Friday) afternoon, and funeral services will be held Saturday afternoon at the Friends church, at 2:30 p.m. The Rev. Edward Escolme will officiate and burial will be in Brookside cemetery. Members of the V. F. W., Hall-Slater post, will have charge of the military service at the grave.

Pvt. Slater was killed in action in Italy, July 7, 1944, at the age of 19 years. He was born in Tecumseh, October 20, 1924, the son of Mr. and Mrs. Percy F. Slater. He attended Tecumseh public schools, was a member of the Friends church, and the Hall-Slater post, Veterans of Foreign Wars, was named in his honor.

Surviving are his parents, one sister, Mrs. Paul Clauda, two nieces, Patty and Mary Louise Cauda of Tecumseh, and several aunts, uncles and cousins.

TEXAS MAY LICENSE CHURCH BUSSES FOR $1

AUSTIN, TEXAS—Busses operated by churches, synagogues, and cathedrals in Texas will pay a license fee of only $1 if a bill introduced in the legislature here by Senator George Moffett is approved.

The bill would allow the religious groups to buy Texas motor vehicle plates for $1 each. The plates would be used on busses owned or leased by the churches and operated in regular church work only.

The bill has been approved by the Texas Senate Highways and Motor Traffic Committee.

WEST QUAKES SURE OF GOOD HEARING

BERKELEY, CALIF.—Completion of a two-year modernization program for the seismographic station on the Berkeley campus of the University of California, and the seven stations for which it acts as a coordinating center, will guarantee "good hearing" for northern California earthquakes, says Dr. Perry Byerly, professor of seismology, in charge of the station.

In addition to new instruments for existing stations, complete equipment has been procured for a new station at Reno, Nev.

First set up in 1887, the Berkeley station is the oldest seismographic station in the Western Hemisphere, according to Dr. Byerly. It is equipped with the latest types of seismograph, including one with a remote-control recording device. This enables Dr. Byerly and his assistants to observe the activity of an earthquake while it is in progress.

In addition to servicing and coordinating the eight stations, the university seismologists under the department of geology carry on an instruction program. Seven students have so far received the Ph. D. degree with a major in seismology.

The Berkeley station is also headquarters of the Seismological Society of America, of which Dr. Byerly is secretary. The society's bulletin is published there under the editorship of George D. Louderback, professor of geology.

When you hear a man bragging that he never changes his mind you don't have to wonder what kind of a mind he has.

LEMON MACHINE SIZES AND SORTS

DAVIS, CALIF. — A machine that can size and sort 240 lemons a minute and do it more accurately than expert hand sorters was demonstrated here at the 18th annual farm machinery conference at the University of California College of Agriculture.

Previous to the exhibition, the automatic lemon sorter had been tested on boxes of lemons hand-sorted by experts. With surprise and admiration, the inspectors saw the machine grade a box of these hand-sorted lemons into three distinctive sizes.

The machine uses an electronic eye that opens a door when the shadow of an object passes by, much as in automatic door openers.

There are five doors for the different sizes. The lemons are carried on rollers, as on a moving belt. As each lemon passes the electronic eye, the size of its shadow determines which door will open and the fruit is dropped into the proper compartment. So sensitive is the electronic eye, say spokesmen for the college, that it responds to size differences that cannot be distinguished by the human eye.

HARMONY HOME MAKERS

The Harmony Home Makers will meet Wednesday, March 16, at the home of Mrs. Herbert Murphy for a potluck dinner at noon. The assisting hostesses are Mrs. Wilbur Boyce and Mrs. Pearl Bruder.

After a citizen has been on this earth about fifty years he reaches the conclusion that the real trouble with this world is that there are too many things to buy and too little money to do it with.

Another thing needed in this country is a way to satisfy a chicken appetite with an oatmeal salary.

F. F. A Notes

Fred Feight, Reporter

The Tecumseh F. F. A. traveled to Adrian, Friday, to attend the annual county meeting. In the morning the contests were held with Blissfield placing first in public speaking and parliamentary procedure. Onsted won the demonstration with the title being "Profitable Hog Raising." Last year Onsted placed second in the state contest. In the afternoon the county officers were elected with David Ruesink of Adrian as president. James Hubbard was elected trustee from Tecumseh. Friday, March 4, Tecumseh was scheduled for a basketball game with Clinton but because of lack of transportation the game was postponed.

Non-Partisan News Letter

By Gene Alleman
(Special to The Herald)

Latest racket by bell-pushing salesmen in Michigan: Salesmen poses as interviewers "taking a poll." Housewife is led to believe that if she will "mail her vote" on her favorite radio program (with a dollar each week), she will receive whatever the salesman is selling. Of course, she is asked to sign a contract which may trick her into buying something which in some cases runs over $150.

Another "painless" tax solution for Michigan's financial mess is now suggested by former Lieut.-Governor Vernon J. Brown. Brown would abolish the retail sales tax and adopt, as its substitute, a one per cent levy on the gross value of all manufactured products to be paid by customers. Opines Brown: "Michigan will have all the money it needs for itself and enough for cities and school districts. Most of it will be paid by consumers who live in some other state and in countries all over the world."

Inflation note: County supervisors are to get $8 a day, instead of $6, in a bill approved by the House of Representatives at Lansing and likely to be OK'd by the Senate.

Governor Williams plans to appoint eight study commissions to investigate such state problems as higher education, state services and expenditures, aid to local government, state and local tax structures, youth guidance, legislative reapportionment and medical services.

Several veteran Lansing observers report growing opposition among legislators to Governor Williams' proposed four per cent tax on corporation profits. Here is the reasoning: Michigan leads all states today in per capita income from manufacturing. It ranks fifth in number of wage earners. Why invite Michigan industry to decentralize or migrate to other states when such action would only reduce employment and curtail industrial wages at home?

The resolutions committee of the Republican state convention sidestepped, by majority decision, any move to stir up the membership of the C. I. O. prior to the spring election by attacking the C. I. O. "domination" of the Democratic state convention. Political strategy will be to get out the rural vote. Legislative enactment of the colored oleomargine bill was in line with this thinking. Legislators feared an impending referendum would cause city voters to flock to the polls.

The Michigan dairy industry, which has opposed sale of oleo colored to resemble butter, puts a valuation of $187,128,000 on Michigan's 989,000 milk cows which produced 2,650,000,000 quarts of milk in 1947. Production per cow was 2,679 quarts, a new record. Dairy farmers' income totaled $208 millions.

The state legislature is asked to appropriate $1,000,000 for the proposed Detroit International airport below Windsor. Airports in Michigan would get $1,889,350. Another illustration why cost of government is increasing.

Congressman Dingell (D., Detroit), member of the House ways and means committee with Rep. Woodruff (R., Bay City), believes Congress will pare down the $150 maximum monthly insurance pension to retired workers as proposed by President Truman. This amount would be paid to workers whose average monthly wage had been $300 or more for 12 years. The $100-per-month worker would get an insured pension of $80 instead of $49; $200 monthly wage, $126 instead of $68. These pensions are financed by payroll deductions.

Records of campaign contributions and expenditures should be kept on file for a minimum of six years so recommends Circuit Judge Herman H. Dehnke, Harrisville. Dehnke served as a one-man grand juror in Macomb county to investigate Macomb gambling alliances with law enforcement officials. He said testimony showed payment of money to public officials and that campaign records were missing.

Michigan municipalities received $2,750,000 last year from liquor license fees for the sole use of liquor law enforcement. The enforcement staff of the state liquor control commission was cut recently in a move to force municipalites to assume responsibility for law enforcement, as intended by law.

It's hard to believe that electric rates of the Consumers Power Company have not been increased in 27 years. But such is the record. This utility has applied for permission to increase revenues $6,600,00 annually through a monthly boost, 30 to 75 cents, for small to large householders.

ARMY DEVELOPS LIGHT 'TELETYPE'

FORT MONMOUTH, N. J. — A streamlined typewriter to speed communications to army units in combat zones has been announced by the Signal Corps.

The instrument is so light a paratrooper can carry it in a jump from an airplane, the army said.

It weighs 45 pounds, as contrasted with 225 pounds of conventional instruments. It is one-fourth the size of the present machines, and has 300 fewer parts.

The new teletypewriter can transmit 66 per cent faster than present machines, and will operate on either wire or radio circuits, the Signal Corps said.

Everything works smoothly in the average family until the husband decides to stay home at the same time his wife decides to go out.

The new King of Egypt ordered all the new born sons cast into the river—because he was afraid of the growing influence of the Hebrews in his land.
Amram and his wife Jochebed had a son about this time. Jochebed hid him for three months to avoid the Kings decree, but, when the baby could no longer be hidden, she took it down to the river and made a basket of bulrushes, and daubed it with pitch to make it waterproof, and put the baby in it. She then hid the basket in the flags by the river bank.
When the daughter of Pharoah came down to bathe in the river, she saw the basket and baby in the bulrushes. And, she adopted him, calling Jochebed herself to nurse the foundling.
"And the woman took the child and nursed it. And the child grew, and she brought it unto Pharoah's daughter and he became her son. And she called his name Moses, because 'I drew him out of the water'."—Exodus 2:10.
One of the most famous of Biblical characters was thus saved from the terrible decree of the Pharoahs. We shall see more of his deeds in this series.
Now is the time for you to resume your good deeds for the Church of your choice. In its struggle against intolerance and evil, the Church needs you. Give it your support by being on hand each week to worship Your God.

Miss Ruth Heistand Weds Edwin H. Bunge

Miss Ruth Maxine Heistand, daughter of Mr. and Mrs. Emmet J. Brighton of Carson Road, Tecumseh and Edwin Herman Bunge, son of George E. Bunge of Dundee, were united in marriage Saturday, February 26, in St. John's Lutheran church in Dundee. The Rev. Fred W. Cesiar read the double ring ceremony at 2:30 o'clock.

The bride chose a dress of pearl grey silk crepe trimmed with silver sequins, and grey accessories with a touch of navy. Her corsage was of yellow rosebuds.

Mr. and Mrs. Donald H. Garnsey, sister and brother-in-law of the bride, attended the couple. Mrs. Garnsey was attired in aqua with black accessories and a corsage of white carnations.

After spending the weekend in Toledo the couple returned to the home of the broom's father, where they are residing. Before her wedding, the bride was employed by the D. & C. store in Tecumseh and the groom is a machinist at the Tecumseh Products Company.

Mrs. Helen Oliver Weds Geo. L. French

Mrs. Helen E. Oliver and George L. French, both of Tecumseh, were united in marriage, Sunday, March 6, at 3 o'clock at the home of the Rev. O. E. Priest in Macon. They were attended by Mr. and Mrs. Louis Philipp of Detroit.

After a short wedding trip through the southern states, Mr. and Mrs. French will reside at 111 West Chicago Blvd.

When It Comes To Car Life, You're The Doctor!

The life of your automobile . . . how long it lasts, how much trouble it gives you . . . depends upon you. The treatment it receives from you both on the road and off the road is the determining factor.

You're the doctor . . . you're the fellow who must determine how your car shall be driven and where it shall be "hospitalized" for periodic check-ups and for major and minor "surgery."

We'd like to have you think of our institution as your car's "hospital." We're equipped for careful, painstaking check-ups, and we're also prepared to perform the most complicated "operations."

. . . and we never need an anaesthetic, for our "patients" or our customers. We try, sincerely, to hold down prices, and our work is completely guaranteed.

Two Men Killed In Auto Mishaps

FATAL ACCIDENTS OCCUR ON M-52, SOUTH OF BILLINGTON'S, AND US-112

Two men were killed in as many automobile accidents in this vicinity during the past week.

Vernon C. Sharp, 49, of Adrian was killed instantly in a truck-car collision on M-52 near Billington's Corners, Thursday at 7 a.m. Bernard Owens, a Detroit man, was killed Monday afternoon after the car in which he was riding struck a tree on US-112 one and one-half miles west of Clinton at 1:45 p.m.

In the M-52 mishap an oil tank truck, a panel truck and an automobile collided during a snow storm. Arthur Daniels, 75, of Route 1, Tecumseh, riding alone in his panel truck going south on M-52, three-fourths of a mile south of Billington's Corners went around an oil truck driven in the same direction by Edward Earl Hammond, 24, of Toledo. After going around the tanker the Daniels truck suddenly swerved across the center line and struck the side of a car being driven by Senator W. Brighton, 29 of Adrian. The impact knocked the Brighton car out of control and it swerved across the highway into the path of the oil truck and they collided.

Vernon Sharp, a passenger in the Brighton car, was killed instantly. Another passenger, Seaton A. Dove, jr., of Adrian, was removed to Tecumseh

Place Explains School Program

TECUMSEH LEADS STATE IN ADULT EDUCATION, CO-OPERATIVE TRAINING

"Tecumseh high school is the smallest high school in Michigan to offer courses in Adult Education, a Town Hall series and educational cooperative training," Superintendent Earl H. Place stated when he addressed members of Avi Evans Chapter, D. A. R. who met Friday evening at the home of Mrs. Fred C. Dickinson. Speaking on the subject of "Our Schools," Mr. Place gave an interesting and instructive presentation of the aims and work in the high school and explained some of the new courses in the curriculum.

Mrs. Neville Hart, program leader, presented Miss Marilyn Lindsley who entertained with a piano solo, Rachmoninoff's Concerto No. 2. During the business meeting, at which Mrs. Donald F. Wright, regent, presided, reports by various committee chairmen were given. A sum of money was voted to the D. A. R. building fund in Washington.

Mrs. Earl Place and Mrs. Earl Lindsley were guests. Tea was served by Mrs. Dickinson assisted by Mrs. Pearly Tripp, Mrs. Edward Beal, Mrs. Virgil Deming, Mrs. Charles Mensing, Mrs. LoRis Schneider and Mrs. Ernest M. Linger.

Harold Wilsons Observe 25th Wedding Date

Celebrating their 25th wedding anniversary, Saturday evening, Mr. and Mrs. Harold Wilson and their guests were equally surprised. Members of the pinochle club came to the Wilson home to spend the evening playing cards and were delighted when Mr. and Mr. Wilson suggested dinner at Brees house. In return the Wilsons were surprised with many gifts and flowers.

Thirty guests were served a three-course dinner at two long tables decorated attractively in silver and white. A favor was placed at each cover and a large two-tiered wedding cake was the center of attraction.

After dinner the guests gathered at the Wilson home for pinochle. Prizes were won by Mrs. Bert Ousterhout, Mr. and Mrs. Clark Rathbun, Wesley Schaffer and Mr. and Mrs. Hubert VanCamp. Greetings were read from Dr. George Wilson of Detroit and Mr. and Mrs. Charles Wilson, who were unable to be present for the occasion.

Out of town guests were Mr. and Mrs. Marian Alderdyce of Milan, Mr. and Mrs. Donald Dean of Wayne, Mr. and Mrs. Homer Price of Toledo, Mr. and Mrs. Wesley Schaffer of Morenci, Mr. and Mrs. Harry Failing and son Dave of Petersburg, Mr. and Mrs. Clark Rathbun and Fowlerville and Mr. and Mrs. Glen Wilson of Clinton.

Leon Mix Will Retire From Jewelry Business

Leon R. Mix who, since 1943, has operated a jewelry store in Tecumseh, announced today that he was retiring from business here and would, in the future make his home in Arcata, Calif., where he and Mrs. Mix have purchased a home. Arcata is 290 miles north of San Francisco on the coast.

Mr. Mix is well known in the jewelry field in this area. For several years after 1932 he operated a jewelry store in Adrian, and at one time he was in business in Detroit.

The Mixs have been on a vacation trip in the west and made the decision to locate there during their sojourn.

Mr. Mix said that Richard Eggleston, who has been employed in the Mix & Raymond store, will continue to occupy the building, doing a watch and jewelry repair business. He will operate under the firm name. The stock of the store, Mix said, will be sold at auction, beginning tomorrow.

Country Club In Annual Meet

NINE DIRECTORS CHOSEN AT MEETING; SPRING OPENING IS PLANNED

Nine directors of the Tecumseh Country Club were elected at the first annual meeting of the stockholders, held at the Episcopal Youth Center last Thursday evening.

About eighty stockholders were present and the following were elected to the board: For three years, C. W. Gilman, C. O. Butler and R. H. Moore; for two years, Frank Purcell, Robert Fuller, and J. P. Ammer; for one year, Joe Rohweder, L. W. Larsen, and M. W. Wilson. Messrs. Ammer, Rohweder, and Wilson are new members, replacing R. W. Herrick, Frank K. Smith, and Ned Baldwin, members of the original board who did not desire re-election.

Frank Purcell, president; Leo Bishop, groundskeeper and pro; R. H. Moore, chairman of the building committee; L. W. Larsen, chairman of the furnishings committee; and Robert Fuller, treasurer, gave reports. While these officers reported that they were somewhat disappointed that the club house was not further along towards completion, they all expressed general satisfaction and anticipation of a spring opening of the club house and early summer play upon the course.

The stockholders made certain amendments to the by-laws and gave authorization to the board of directors on some details of finance and membership.

The new board will meet this week and elect officers for the coming year. Last year's officers were R. W. Herrick, chairman of the board; Frank Purcell, president; R. H. Moore, vice president; C. W. Gilman, secretary and Robert Fuller, treasurer.

Drive Continues

RED CROSS MEMBERSHIP CAMPAIGN WILL LAST DURING MONTH OF MARCH

Mrs. L. W. Larsen, chairman of the Red Cross campaign in Tecumseh, today again reminded residents that the drive for memberships will continue throughout the month of March, and that contributions may be left at the United Savings Bank, where workers are stationed each Monday, Wednesday and Friday.

There will be no house-to-house solicitation in Tecumseh this year Mrs. Larsen said, and she urged residents to cooperate in the drive by leaving their contributions at the bank. The Red Cross, she pointed out, is in need of funds to carry on its nationwide program, and she hopes that this community will at least contribute as much this year as it did a year ago.

TECUMSEH'S AGGRESSIVENESS WINS NATIONAL RECOGNITION

Visit Of C. of C. Official Seen As Local Honor

Spencer Shaw

Spencer Shaw, manager of the Northern Central Division of the Chamber of Commerce of the United States will be in Tecumseh Thursday afternoon, March 24 to discuss educational problems with local business leaders.

The United States Chamber has had a vigorous educational program for a number of years. Its exhaustive research has given conclusive evidence that the economic and civic well-being of the nation and each community is closely interwoven with the effectiveness of the educational program.

It is in the furtherance of this portion of the National Chamber's program that Mr. Shaw is holding a series of eight meetings in Michigan during the coming week. Tecumseh is by far the smallest town on Mr. Shaw's itinerary and comes as a result of the National Chamber's recognition of the part played by the Tecumseh Chamber of Commerce and Tecumseh business men in the local school development.

Mr. Shaw will speak and show slides at 2:30 Thursday, in the music room at the high school. His remarks are primarily directed at business people, but educators and the general public are cordially invited to attend.

Leon P. Williamson, president of the local Chamber, points out that this is the first visit from a high ranking staff member of the U. S. Chamber since the local organization was created. He is hopeful that the interest of local business men will bear out the reputation that the Tecumseh Chamber of Commerce has attained throughout the association field in the state and nation.

Mr. Shaw came to the National Chamber's Chicago office from Minneapolis where he served as assistant manager of the Northwestern Division. Prior to his joining the forces of the United States Chamber, he was regional manager of the Ninth Federal Reserve District for the Committee on Economic Development under Paul Hoffman, now ECA director.

Mr. Shaw's background includes a wide variety of experience in organization work. His early experience related to administrative work with the public schools and the extension division of the University of South Dakota. Later, he served as executive director of the South Dakota League of Municipalities and field director for the State Chamber of Commerce. His intimate experience with governmental and chamber of commerce activities gives him an understanding of legislative problems on the local, state, and national levels.

At noon Mr. Shaw will be luncheon guest of the board of directors of the local Chamber of Commerce.

PTA Elects New Officers

MRS. RAY SLUYTER CHOSEN PRESIDENT; RECITAL AND PLAYS PRESENTED

Mrs. Ray Sluyter was elected president of the Tecumseh Parent-Teacher Association, which met Thursday evening at the high school. Other officers elected to serve the coming year are: vice president, Mrs. Thomas O'Hara; secretary, Mrs. Ed Harper; treasurer, James Hartsell.

Making its initial public appearance, the junior band of Tecumseh high school, under the direction of Clare Camburn, opened the meeting with a 15-minute recital of marches and waltzes. Mrs. Murray Day sang two solos, accompanied by Mrs. Kenton Hunt at the piano.

Three persons were picked at random from the audience to present an unrehearsed comedy play, "Station Master." By merely changing hats Carl Fosbender enacted the ticket agent, conductor, porter, information clerk and many other individual jobs. The male traveler was played by Howard Wick and Mrs. Harold Hoffman as the lady traveler kept the station keeper busy changing hats.

"Sisters Under The Skin," another comedy, was presented by the Drama Department of the Tecumseh Monday Club. "Learning how to be ladies" were Mrs. Thomas O'Hara, Mrs. Earl Wood, Mrs. Fay Whelan, Mrs. Lynn Hubbard and Mrs. E. J. Aebersold.

Parents of the sixth, seventh and eighth grade children served refreshments. The committee members were Mr. and Mrs. Harold Clark, Mr. and Mrs. Gerald Roberts, Mr. and Mrs. Lee Randall, Mr. and Mrs. George Wright, Mr. and Mrs. Leo Alderdyce and Mr. and Mrs. Maynard Harsh.

There will possibly be a change of date for the next regular meeting which will be a physical education demonstration under the direction of Miss Marie Frautschi and Elven Duvall.

BURIED IN BROOKSIDE

Funeral services were held Thursday afternoon from the Collins Funeral Home for Leo Zeluff, who died Sunday night. The Rev. Edward Escolme officiated and burial was in Brookside cemetery. Members of the Underwood-Orr post No. 34, American Legion, had charge of the military service at the grave. The bearers were Don Goddard, Clyde Drewyor, Marvin Watkins, Harold Green, Dale Thigpin and Lyman Curtiss.

Friends and relatives attended from Detroit, Monroe, Blissfield, Ridgeway, Clinton and Tecumseh.

PREPARE FOR ELECTION

Ernest Harris, N. C. McConnell, Mrs. Lyle Grigg, Dow Bilby, Miss Elizabeth Chase and Cliff Curran were elected as the nominating committee to select the church officers for the coming year, at a family night supper last week Wednesday evening in the Baptist church. Some 50 persons enjoyed a potluck supper preceding the business meeting.

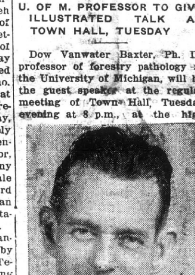
U. OF M. PROFESSOR TO GIVE ILLUSTRATED TALK AT TOWN HALL, TUESDAY

Dow Vanwater Baxter, Ph. D., professor of forestry pathology at the University of Michigan, will be the guest speaker at the regular meeting of Town Hall Tuesday evening at 8 p.m., at the high school. Mr. Baxter will illustrate his talk with colored motion pictures, taken on his many trips to the far north.



Dow Vanwater Baxter

"This is one of the most interesting programs that we have yet presented at Town Hall, and we expect a capacity audience," Neville Hart, director, declared.

Mr. Baxter will use as his subject, "Alaska, Our Modern Frontier." He is well qualified to speak on the subject, having participated in expeditions there and in the Yukon territory in 1932, and annually for the next five years. He also was a member of an expedition to Norway, and later in Lapland and northern Europe. He is the author of many publications.

Returned Veteran's Body Buried In Brookside

Funeral services were held Saturday afternoon at the Tecumseh Friends church for Pvt. Jack Slater, whose body returned from overseas for burial here. The Rev. Edward Escolme officiated and burial was in Brookside cemetery.

Members of Hall-Slater post, Veterans of Foreign Wars, conducted the military service at the grave. The bearers, all veterans, were Cecil Alderdyce, Harlan Boyes, Robert Meads, Wilbur Meads, Lee VanNest and Everett McKenzie. Friends and relatives attended from Detroit, Toledo, Blissfield, Milan, Adrian, Tipton, Britton, Clinton, Cement City, Riga, Birdsall, Macon, Tecumseh and Deerfield.

Killed in action in Italy, July 7, 1944, at the age of 19 years, Pvt. Slater had previously enlisted in the army March 12, 1943, trained at Fort Sill, Okla., in the field artillery branch. He was stationed at Camp Shenango, Pa., for eight weeks before being sent overseas in September 1943.

Hall-Slater post, Veterans of Foreign Wars, was named in his honor. He was born to Mr. and Mrs. Percy F. Slater October 20, 1924, in Tecumseh, attended the local schools and was a member of the Friends church.

Tecumseh Joins State School Boards Assn

The board of education of the Tecumseh school district, in session Thursday evening, voted to join the Michigan Association of School Boards, a newly formed organization having as its object the furtherance of the cause of education in Michigan.

There was little other business before the board except for the auditing of current bills, listening to reports from Superintendent E. H. Place, and other routine communications.

Smith Taylor Dies At Home Of Daughter

Smith Taylor, 75, died Friday afternoon at the home of his daughter, Mrs. Carl McLaury, 305 S. Evans St., where he had resided the past two years. Before coming here, he lived in Jackson with Mrs. Taylor, who preceded him in death about a year ago.

Surviving are two daughters, Mrs. McLaury and Mrs. Milford Brown of Sanford, one brother, James Fish of Jackson and four grandchildren. Funeral services were held Monday from the Patience-Montgomery Funeral Home in Jackson and burial was in Woodland cemetery.

Only 85 Votes Cast On Monday

PROGRESSIVE TICKET IS ELECTED; SALE OF "PARADE GROUNDS" O.K'D

Only 85 votes were cast in the annual Village election here on Monday and the Progressive party's ticket was elected without opposition. Likewise, voters approved the sale of three pieces of old park property, known in the original plat of Tecumseh as "parade grounds," and this land will be disposed of at a later date, probably at auction or through sealed bids.

Interest in the election was negligible, because of the lack of a contest and the Progressive ticket was an easy victor. Marvin Watkins was re-elected village president, and Wade L. Jones was returned to the office of clerk. Charles Fay was re-elected treasurer and John Saling was named as assessor. Three trustees were elected, George McCombs, Archie Porter and Ray Sluyter.

The three "parade ground" sites for which the voters approved sale were as follows: By a vote of 68 to 13 approval for sale was given for a piece of land on the north side of Brown street, just off Mill street; by a vote of 65 to 16 for the sale of a small piece of property on Burt street, and by a vote of 62 to 18 for the sale of land on Shawnee street, between Oneida and Maumee. The Brown street site is about 43 by 209 feet, the Burt street about 49 by 180, and the Shawnee site is smaller.

It was said today that the village will now take steps to dispose of the land, either through auction or by the receipt of sealed bids.

Will Aid Taxpayers To Make Out Returns

March 21, Carl Fast, representing the Michigan Department of Revenue will be at United Savings Bank between the hours of 9 a.m., and 3 p.m., for the purpose of assisting taxpayers in the preparation of their intangibles tax returns due not later than March 31.

Intangible Personal property subject to the tax includes all mortgages, land contracts, bank accounts, cash, postal savings accounts and notes receivable, corporate stocks, corporate bonds and other similar types of property. However, all United States bonds, including War Bonds, are exempt from the tax, and the tax on deposits in Michigan banks and building and loan associations, as well as stocks in Michigan banks, will be paid to the Department of Revenue directly by the banks or building and loan associations.

Under the present law as amended by the Legislature in 1945, all corporate stocks are 100% taxable including Michigan Corporations.

In addition to assisting taxpayers in the preparation of their returns, Mr. Fast will also be glad to advise any person concerning his liability, if any, under the Intangibles Tax Act.

Will Present Biblical Drama

"THE LIGHT ETERNAL" TO BE STAGED AT THE METHODIST CHURCH, MARCH 24-25

"The Light Eternal," a spectacular Biblical drama, will be given Thursday and Friday nights, March 24 and 25 in the Methodist church auditorium, under the direction of Marian Gibney of New York City.

This dramatization will feature many people of the community, and the several churches will represented in the cast. The drama being sponsored here by the Methodist church, but is of community-wide interest.

"The Light Eternal is a dramatization of the most important events leading up to and connected with the giving of the Ten Commandments. It can only be compared with such productions as the motion picture, "The Ten Commandments," and the famous Passion Play. It combines the finest in gripping drama, glorious music and authentic Biblical costuming, to give Tecumseh what is said to be the most unusual and spectacular type of entertainment it has ever had. Wherever this production has been staged, it has drawn packed houses and enthusiastic comments from all.

Rehearsals are being held nightly at the church. The choir will sing many of the beloved old hymns of the church. "It is indeed an opportunity when one can see the realistic portrayal of these wonderful Bible stories as the characters paint a true and inspiring picture of what Christ can be to those who put their trust in Him," it was said.

The production opens with the hymn, "Holy, Holy, Holy," by the choir. As this hymn is sung the curtain opens showing the grandfather reading to his two small grandchildren and as he reads, the children close their eyes.

It is then the stories of Joseph being sold into slavery by his brothers, Moses and the Ten Commandments, and the Birth of Jesus become a cherished reality.

There will be a junior choir singing "Silent Night" and many well loved Christmas songs.

The show is a part of the community observance of the Lenten season. Tickets may be purchased from any member of the church.

Ridgeway Couple Married 59 Years

MR. AND MRS. W. E. ALLEN OBSERVE ANNIVERSARY AT THEIR HOME

Mr. and Mrs. Will E. Allen of Ridgeway celebrated their 59th wedding anniversary, Saturday, March 12, quietly in their home.

Mr. and Mrs. Allen have two sons, Dr. Floyd Allen and family of Ciren, Ohio, and Charles G. Allen; one daughter, Mrs. Don M. Peters and family of 14405 Coyle Ave., Detroit; two granddaughters, Mrs. Doris Gene Scott and family of Detroit, Mrs. Joyce Phillips and family of East Greenwich, R. I., Mrs. Eleanor Joyce and family of Ciren and Mrs. Barbara Buckley and husband of Patterson, New Jersey; two grandsons, Tom W. Peters at home and Harland Allen of Ciren; three great-grandsons and one great granddaughter, little Dick and Beverly Scott, little Jerry Phillips and little Stevie Joyce.

Mr. Allen was railroad agent and operator for 49 years and five months before retiring October 1, 1938, at the age of nearly 70 years with a railroad pension. He spent four years at his last station in Ida, Monroe county.

The Allens have lived in Ridgeway for many years. Both are 80 years of age and enjoy fairly good health.

My office will be closed on Thursday instead of Wednesday, until further notice, starting the first week in April.

IT'S TRUE—THINGS ARE NOT ALWAYS AS THEY SEEM

Chicago Character Actor Deceives 250 At Rotary - Ann Party

That things are not always as they seem—and that is saying it mildly—was proved conclusively to some 50 Rotarians, their wives and about 150 guests, Tuesday evening, when, at the conclusion of a 30-minute address on "My Life as a Spy," Countess Maria Pulaski, posing as a member of the British intelligence service during World War II, removed "her" wig and disclosed that "she" deceived "her" audience and that, in reality, "she" was Martin Hughes, well-known Chicago character actor.

For half an hour the smartly-dressed Countess held the audience in suspense as she told of her experiences in England, Poland and Germany, how, near the end of the war, she narrowly escaped detection and death. It was a thrilling story—a tale that at times brought more than one tear to the eyes of her audience.

"You have been very gracious," the Countess said in her best Polish accent as she ended her talk, "and I thank you for your kind attention. I would, however, like to warn you that in times such as these, with Communism spreading world-wide, that there is too much loose talk. Sometimes we accept too much for granted. We don't try to learn the truth. Tonight, for instance, you have accepted me as a Countess, a spy, as a member of the British intelligence. You don't know me, you don't know that I have told the truth—in fact you don't even know that I am a woman and, as a matter of fact, I am not.". With that statement the Countess removed her wig and her audience sat spellbound.

It was a most clever case of deception. Only half a dozen Rotarians who had planned the program knew the Countess was Hughes.

Miss Jean Sweeney of Lansing, a pantomine artist, also appeared on the program, doing several numbers. Miss Sweeney, too, is a clever artist and was well received.

Charles O. Butler, Rotary president, presided at the dinner and program, held in the gymnasium of the high school. Group singing was led by R. H. Moore and Ralph Comfort and the invocation was by the Rev. B. O. Bashore.

OVERLOADING HIGHWAYS

A short time ago, Thomas H. MacDonald, Commissioner of Public Roads, made a talk which is of direct interest to every taxpayer—and to every citizen who is concerned with the personal safety of himself and others. The theme of the talk is what overloading by heavy vehicles is doing to our highway systems. He said: specifically, we are overloading our highways in their traffic volume capacity and in their structural capacity. There is more than ample proof. The overloading of safe capacity by numbers and by driver misuse is reflected in the accident record. The overloading of safe structural capacity is reflected in the skyrocketing maintenance and reconstruction costs."

It is widely believed that more road destruction is caused by climatic and soil conditions than by heavy use. That, Mr. MacDonald said, was true years ago. But since then, he went on, "There has been great changes in the total number of trucks on the highways, in the proportion of them with heavy loads and overloads, and in the observed effect on highways . . . In 1931 trucks traveled 11,400,000,000 miles on main roads. This year the figure may well reach 34,000,000,000. In 1931 only about eight trucks in every thousand had axle loads of 18,000 pounds . . . In 1947, 74 trucks in every thousand had axle loads of 18,000 pounds or more, 33 of which were 20,000 pounds or more, and 14 were 22,000 pounds or more."

Mr. MacDonald presented considerable technical detail, based on specific observations considering laws to permit heavier legal loads. Then he stated categorically: "Axel loads in excess of 18,000 pounds should not be authorized."

What this all adds up to is that the cost, to the public, of building roads adequate for the heaviest commercial traffic is becoming stratospheric—and that road destruction due to overloading is a threat to every pocketbook, and to the safety of everyone who rides in a motor car. The problem may be a difficult one. But the facts brought out by Mr. MacDonald indicate that, under present laws and enforcement policies, the situation is approaching the intolerable point.

Tells Thrill Of Deep Sea Fishing

McCOLLS ARE HOME FROM FLORIDA, RELATE INTERESTING VACATION STORY

Returning home for the third consecutive year after enjoying the winter months in Marathon, Florida, Mr. and Mrs. John D. McColl are more enthusiastic than ever before in their praise of the southland as a "fishermen's paradise." Both fishing enthusiasts, Mr. and Mrs. McColl spend the months angling in the Florida waters. Mr. McColl more accurately describes their experiences as follows:

Vacations end, alas, and shortly we must leave these sunny isles and hie back to Tecumseh for the spring and summer work.

We wish all our Tecumseh friends could spend awhile in the Keys, too. These bits of land are truly sparkling jewels strung on an A-1 modern highway and flung in a curving line into a turquoise and sapphire sea. They are linked one to another by sturdy, wide concrete bridges built on the old trestles of the abandoned railroad which used to connect Key West with the mainland 150 miles northeastward. As more and more people are learning about the truly delightful winter climate here—75 to 80 degrees almost all winter long—the islands are developing rapidly. Small villages and communities are springing up like mushrooms, almost overnight. Trailer camps, cottage courts and fishing camps are rapidly becoming numerous enough to handle the ever-increasing flow of transient traffic. Prices are high—too high in most instances, for here too it is the custom to "soak the tourists." But a rod and a tackle box plus a little patience and skill will usually enable the energetic male to supply his table with the finest food fish in the world! And there are opportunities for a variety of types of fishing, to suit any degree of venturesomeness as well as any pocketbook.

Our first winter we were content to serve our novitiate by angling from the various bridges which cross the sea from key to key. The smaller varieties, such as snapper, grunts, blues, small grouper, and snook are the usual prizes, with an occasional 200 pound shark or giant jew-fish thrown in. In addition we did considerable adventuring via canoe among the offshore islands and flats. With glass bottomed box, swim trunks and spears we searched the rocky sea-floor for the succulent Florida lobster or crawfish which reaches a length of 36 inches. Their tails are an epicurean delight. Starfish, sea urchins and the many varieties of Mollusca whose skills are beautiful to behold were also objectives.

The second winter saw us a bit braver, fishing the offshore waters and reefs from our little 14-foot aluminum cartop boat, powered by an outboard motor. Mackerel, large groupers, (33 pounds our top) the savage barracuda, and an occasional kingfish were our usual prizes.

But this winter we have reached the seventh heaven of angling bliss. With an extra motor in our boat as insurance against the vicissitudes of fortune we venture into the indigo wastes of the far-famed gulf stream, completely out of sight of land. There, eight to ten miles offshore we troll our baits all day long in pursuit of the Pelagic gamesters of the open sea.

Those sparkling, fairy-like finny planes, the flying fish, leap in schools from a wave crest and glide hundreds of feet, just above the surface, to plop in again as suddenly as they rose. Giant 500 pound loggerhead sea-turtles are frequently seen, and are harpooned by specially equipped turtle boats. There swim the mighty espadons of the deep—swordfish, marlin and sailfish. The incredibly colored dolphins leap at 40 m.p.h., upon the frantic flying fish; ten foot hammerhead sharks pursue their prey; and porpoises cavort in sportive rollers. Bonito, Barracuda, small tuna, and an occasional African pompano or a wahoo are possibilities.

Our own luck has been fairly good. We have hooked sailfish twice, but their leaps have freed them, which is as well, as we would free them anyway if we brought them to boat. A dozen or two dolphins we have caught and eaten. Their flesh is the finest of all we have sampled to date. The inedible bonito we catch occasionally and use for bait. So far we have been able to catch all the fish we and our friends can use as provender, and have sold enough to the fish dealers to defray most of the fishing expenses!

We vary our fishing activities by diving with copper and glass helmet in the crystal clear waters off the offshore reefs. And once I dived for and recovered a rod and reel lost overboard from the middle of the seven-mile bridge by a neighbor. At that identical spot a 350-pound shark was caught a few days later! But most of the sharks in these waters are reputedly harmless to man. I hope they continue to live up to that reputation. Barracuda are more feared locally than sharks, and the vicious moray is dreaded most of all. So far, all our swimming, diving and water adventuring have brought us nothing more painful than the agonizing burn of the stinging tentacles of the Portuguese-Man-O'-War which feels like red-hot wires wrapped around ones arms and legs. But that wears off after awhile, and the red welts disappear in a few weeks.

How fortunate we feel in having the opportunity to enjoy a while in this sunny climate. Warming the cockles of our hearts with Florida's golden sun is so much better than warming our backs by the old coal-burner in the dreary North! Here we live to the hilt!

Farmers Get Assistance In Rotation Of Crops

It's getting to be that time of year when farmers take a paper and pencil and start to figure what fields they're going to use for various crops.

With the help of L. S. Robertson of the Michigan State college soil science department, county agricultural agent Louis G. Hall has prepared a check list of questions that will help to tell if a rotation is benefiting the land. A "yes" answer to the following ten questions will indicate a good crop rotation.

1. Are adapted high yielding crops varieties grown?
2. Is the order of the crops such that the rotation produces the highest yields of the important crops?
3. Are the leguminous green manure crops plowed under at frequent intervals?
4. Are winter cover crops used at every opportunity?
5. Does the rotation control weeds, insects and plant diseases?
6. Is the rotation adapted to the total acreage of the farm?
7. Is the rotation easily changed to make adjustment for legume failures, winter killing, drouth, and other conditions?
8. Does it provide enough good cheap food for livestock?
9. Does it give a good distribution of labor during the year instead of making seasonal rush periods?
10. Does the rotation make profit for the owner and will it continue to give profit for others who may follow on the same land?

BRITTON

The Methodist church held its annual Father and Son banquet last Wednesday evening. The 70 fathers and sons were seated at decorated tables and a lovely dinner was served by the ladies of the church. Virgil Bortel acted as toastmaster and introduced the following on the program: Richard Croll gave the toast to the fathers. Merle Crutchfield gave the toast to the sons. Ronald Croll sang a solo. The rest of the evening was enjoyed as Wayne Selders of Adrian showed motion pictures. The Rev. F. B. Clifford pronounced the benediction.

Mr. and Mrs. Donald Beard are announcing the birth of a daughter born March 11, in Adrian Bixby hospital.

Virgil Bortel is confined to St. Joseph hospital in Ann Arbor where he underwent surgery last Friday. His condition is good.

The "Kitchen Cabinet Orchestra" which is composed of ladies from the Adrian St. John's church will present a program March 25 at 8 p.m. at the high school gymnasium. The Kiwanis Club is sponsoring this event.

The Minstrel show with 140 students taking part under the direction of Joseph Foder and Mrs. Belva Welchner will be presented tonight and tomorrow night at the Britton high school gymnasium at 8 p.m.

Mr. and Mrs. Edward Kanous and children were Sunday guests of Rev. and Mrs. A. B. Johns and children in Durand.

Herald classifieds pay big dividends.

IMPORTANT CONNECTIONS

The telephone installer is truly a man with important "connections" today. Connecting new telephones is his Number One job, and he is doing his work just as rapidly as cable and central office facilities permit. Demand for telephone service continues to break all records, and we are still unable to obtain all the equipment we need. New telephones are being installed just as quickly as possible for all who have waited so patiently.

CLINTON

Mrs. Maud Gibson of Metamora, Ohio, has returned to her home after spending three months with her daughter, Mrs. H. B. Covell and family.

The officers of the Clinton Woman's Club were re-elected to serve for the coming year, at a recent meeting held in the Congregational church. New directors named for two year terms were Mrs. O. B. Feldkamp and Mrs. Charles Spence. Delegates to the county convention are Mrs. J. R. Foreman and Mrs. Harvey Johnson with Mrs. Guy VanDoren and Mrs. Charles Spence as the alternates. The annual Spring luncheon of the club will be held April 13 at the Methodist church and will be served by the Women's Society of the church.

Women of the north section of the village, who are meeting during Lenten, will gather at 9 a.m., instead of 9:30. Yesterday the service was held at the home of Mrs. Glenn Randall. The southwest section also meets at 9:30 a.m., as does the east section.

The Rev. Canon Gordon Mathews, executive secretary of the Episcopal Diocese of Michigan, visited St. John's Episcopal church, Sunday morning, and administered the rite of holy baptism, celebrated Holy Communion, and delivered the sermon.

Word was received by Mr. and Mrs. F. A. Furgason of the death of a son born Monday to their daughter and husband, Mr. and Mrs. Walter LaSovage of Caspian.

Bert Haughn is at the home of Mr. and Mrs. Burton Stadler, north of Clinton, who is caring for him.

Mrs. W. P. VanTuyle returned home from Florida where she visited her mother, Mrs. Ella Finney.

Arthur Lewis of Great Falls, Mont., father of Mrs. F. H. Littell, Guy Hoover and Guy VanDoren toured Lenawee county's sheep farms, last week.

The Altar Society of St. Dominic's Catholic church have planned a work meeting at the church April 12 in preparation for the Easter season.

The Congregational Philathea class met Thursday evening at the home of Mrs. L. C. Weaver, at which time the annual "Irish Pig Fair" was held, providing a great deal of amusement as well as money. Husbands of the members will be guests at the April 7 meeting, which will be a potluck supper at the church. Mr. and Mrs. Donald Goddard of Tecumseh will show their movies of a recent European trip.

Born, Thursday, to Mr. and Mrs. Paul Pence of Detroit, a daughter. Mr. Pence's mother, Mrs. Thomas Pence is spending some time with her son and family at their home.

Mrs. G. C. C. Tag is ill with virus pneumonia at her home.

Mr. and Mrs. E. L. Thompson attended the 20th anniversary banquet of the Canadian Legion Post No. 16, at Detroit, recently.

Jack Gibson of Howe Military Academy is spending 12 days with his parents, Mr. and Mrs. Lloyd Gibson.

Some of us think we would be perfectly happy if we could do just as we like. But, don't you know, that to like what we must do has the same effect? The first is not always possible but the second is. Instead of quarreling with our work, let us make friends with it. Let us learn to like what we must do, if we cannot do what we would like. —Anon.

Rubbing And Snow Harmful To Frostbite

Skiing, skating, tobogganing and ice-fishing enthusiasts at the state's lakes and winter sports areas got advice on how to treat frostbite from the Michigan Department of Health today.

Do not rub snow on frostbitten areas; both rubbing and snow are harmful, it said.

The best treatment is to gently cover the frozen ear, nose, face, fingers or toes with the hand until circulation is reestablished. It is important to restore the frostbitten area to normal temperature gradually. Hot water and other sources of heat should not be used.

Signs of frostbite are loss of feeling and a gray appearance. Both are results of disappearance of blood from the area. When circulation in the area cannot be restored readily a physician should be consulted at once.

Frostbite most frequently occurs when extreme temperature is accompanied by high winds. The wind helps to remove the heat from unprotected parts of the body. Suspect frostbite when, after being extremely cold there is loss of feeling, the Department said.

From where I sit ... by Joe Marsh

Never Too Late To Learn

Cappy Miller's young son, Squint, is forever coming up with new ideas. Now they're not all world beaters, but Cappy is usually willing to give them a try.

Seems Squint found a new way to clear brush. They take two tractors, about thirty feet apart, and connect them with a heavy chain weighted down on the ground with old iron. First they both go parallel in one direction, then they go back over the same swath in the opposite direction and up comes the brush—roots and all. Worked fine and saved time.

That's why things go so well at the Miller farm. Cappy is open-minded, *tolerant* of new ideas and new ways of doing. He doesn't think *his* way is the only way.

From where I sit, a little tolerance will make things go better for all of us. You respect my views and I'll respect yours—whether it's on farming, politics, or choosing between an ice cream soda or a temperate glass of beer.

Cancer Society Plans For Drive

EWELL GAY OF ADRIAN IS NAMED CHAIRMAN OF COUNTY FUND-RAISING GROUP

Ewell Gay today was appointed chairman of the Lenawee county campaign committee of the American Cancer Society to direct the annual fund-raising drive which will open April 1.

The announcement was made by State Senator John B. Martin, Jr. of Grand Rapids, state campaign chairman of the Michigan Division of ACS. Said Senator Martin, "In asking Mr. Gay to head the drive in Lenawee county we have attempted to select a person whose leadership will inspire others to join this crusade against cancer.

"I take this opportunity of calling upon every person in Lenawee county to support the drive in your community. This is a fight that concerns everyone. Cancer respects no person or group; it strikes where it pleases — it may strike you or your family."

In accepting the local appointment, Gay said, "It is a distinct honor to have the privilege of serving in this great cause.

"I know that cancer is one of the most terrible threats to human life today but, because we can do something about it, I have accepted the job of directing the fund raising campaign in this county.

I am primarily concerned with raising money — but the great good that this money can do is the incentive that spurs us on. Sixty percent of the money raised will remain within this state to finance the service program, to purchase equipment for hospitals, to help finance better detection facilities, to buy materials for home treatment of cancer cases and to furnish transportation to treatment centers for those who need it. Twenty-five per cent of the money goes into a national program of research to finance more than 200 projects seeking the causes and new cures of cancer. The other fifteen per cent is used for education on a nationwide scale, to assemble and define statistical data on cancer, administration and for fund raising."

Ewell Gay two years ago purchased the Coca-Cola Bottling Company of Aarian, coming from Atlanta, Georgia with his wife and two children. Before coming to Adrian, Gay was manager of one of the largest milk distributing plants in Atlanta. Gay is an active member in the Adrian Rotary and Lenawee Club and also is a vestryman at the Episcopal church.

Gay announced that the campaign offices would be opened here at The Coca-Cola Bottling Company, 2322 Treat Road on April 1, 1949.

Hanna was nominated to succeed himself as clerk as was George Sanford, highway commissioner. Lawrence Mohr was chosen as township treasurer, succeeding Amey Scutt, who was not a candidate.

W. G. Waldron and Robert L. French were nominated as justices of the peace. Mr. French would succeed Florence Howe, who was not a candidate for re-election. E. J. Lowry was named as a member of the board of review and constables nominated are Charles Franklin, jr., W. J. Hanna, B. W. Mominee and Carl Leonard.

E. M. Campbell acted as chairman of the caucus and John R. Zeigler was clerk. Mr. French and Ogland Lay were the tellers.

There will be only one ticket in the field for township officers at the forthcoming election. The Democrats in Tecumseh failed to caucus and the legal time for such a meeting before the April election now has expired.

Two Men Killed

hospital with fractures of one leg and jaw, lacerations and severe shock. Mr. Brighton suffered back injuries and Mr. Daniels chest injuries. All three men in the Brighton car were on their way to work at the Bruce Foundry Co., where Mr Sharp had been employed for seven years. Mr. Dove and Mr. Brighton were removed to University hospital in Ann Arbor. Mr. Daniels was treated at Tecumseh hospital and released.

The second accident in which Mr. Owens was killed ocurred when the car in which he was riding and driven by Honora Butler of Detroit crashed into a tree near Clinton, early Monday afternoon. State police of the Clinton post investigated and said that Butler told them he fell asleep at the wheel. Before crashing into the tree on its right side, the car traveled for 210 feet along the berm of the highway.

Mr. Owens died at the scene of the crash. Butler had some teeth knocked in and suffered internal injuries. Another passenger in the car, Fannie Owens, wife of the dead man, suffered fractures of both legs, both arms and hip and head injuries. The injured persons were removed to Tecumseh hospital and then to Receiving hospital n Detroit.

SPEAKER TO TELL OF CONDITIONS IN GERMANY

An illustrated address dealing with conditions in Germany will be presented by Dr. Harold B. Kuhn, Sunday evening at 7:30 o'clock in the Tecumseh Friends Church. Dr. Kuhn visited Germany last summer, taking pictures there, and preaching in German.

A special invitation is extended to the public to hear Dr. Kuhn, and it is hoped that many people of German extraction will avail themselves of this opportunity to learn of the conditions that prevail in the land of their forebears. Dr. Kuhn plans to revisit Germany this coming summer.

Kuhn is the head of the Department of Philosophy of Religion at Asbury Theological Seminary, Wilmore, Kentucky. The degree of doctor of philosophy which he holds was conferred upon him by Harvard University.

BREEDERS TO MEET

An organization meeting of the Lenawee-Britton Artificial Breeders Association will be held Monday, March 21, at 2 p.m., in the Tecumseh Grange Hall. George E. Parsons, extension dairyman of Michigan State College, will conduct the business session and Dr. Glen Reed, extension veterinarian from the college, will discuss breeding difficulties.

GARDEN CLUB TO MEET

The Tecumseh Garden Club will meet Friday, March 18, at 2 p.m., at the home of Mrs. Harold Wilson 207 S. Democratic, with Mrs. O. W. Laidlaw, Mrs. H. E. Kenrick and Mrs. Leon Rosscrans as the assisting hostesses. The program will include sound movies on "Roses" and "Vegetables In The Garden."

PLAN BAZAAR

Josephine H. Hall Temple, No. 49, Pythian Sisters, met last week Wednesday evening in the hall with some 28 members in attendance. It was voted to give $5 to the Red Cross and an announcement of the bake sale to be held Saturday, March 19, was made. It was also voted to hold the annual bazaar October 28.

BAND AT FESTIVAL

The Tecumseh High School band, under the direction of Clare Camburn, will participate in the district festival in Jackson, Saturday. Some 32 bands and orchestras will take part.

Rae Nita Dance Revue Here March 31, April 1

The Rae Nita Dance Revue, which will be held in the high school auditorium, March 31 and April 1, will be the first dance recital presented here since Miss Larsen's 1940 Revue.

One hundred and twenty-five students will appear in tap, ballet, acrobatic, and character dances. Miss Larsen will present authentic Hawaiian Hulas which she studied while visiting the Hawaiian Islands this past summer. An added attraction of the revue will be the opening number by the four "Jacksonites," advanced tap dancers from Jackson.

The youngest dancer will be two-year-old Kathy Mann of Manchester. "The Flying Dutchmen," five pre-school boys, will be seen in a tumbling act. Other dances will include a Mexican hat dance, a scotch musical comedy number and six tapping cheerleaders ranging from four to six years old. Three tap solos will represent Hollywood lovelies—Rita Hayworth, June Haver and Eleanor Powell.

Thirty-eight Tecumseh children will appear in the revue. The surrounding villages whose young people will appear are Manchester, Clinton, Britton, Tipton, Adrian, Morenci, Hudson, Ridgeway and Palmyra. Mrs. Glenn Driscoll will accompany the dancers.

C. A. R. PRESIDENT HONORED AT DINNER

Abi Evans chapter, D. A. R., honored Mrs. Chester E. Edwards of Grand Rapids, president of the Michigan Society of Children of the American Revolution, with a dinner at Brees house, Friday evening. Mrs. Edwards was accompanied by her daughter, Pat, also of Grand Rapids, who is Junior National President of the C. A. R. Mrs. A. B. Hughes and Mrs. Martin Coy, members of Lucy Walcott Barnum chapter, D. A. R., were also guests.

After dinner, Mrs. Edwards addressed the members telling of her work in the C. A. R. throughout the state and stressing the importance of these groups in the community. Plans were made to reorganize the Charles E. Mickley Society, C. A. R., which descendants of Abi Evans chapter members may join.

HABITS OF CHILDREN STUDY CLUB TOPIC

The Tecumseh Child Study Club met Monday evening at the home of Mrs. Richard Preston. During the business meeting it was decided to buy five books to be placed on the parent's bookshelf at the public library. Mrs. Don Nixon reported the layette is nearly complete.

Mrs. Hubert VanCamp gave an interesting report on "Habits of Children." Mrs. Howard Truesdale and Mrs. Gene Judson were in charge of the children's favors. Refreshments were served by the hostess assisted by Mrs. Winthrop Winfield and Mrs. Ernest Green.

REBEKAHS TO MEET

The regular meeting of the Rebekah lodge will be held Friday evening at 8 p.m. with degree work and lunch. Mattie Hesley, assembly inside guardian of Michigan will be a guest.

TO MEET MARCH 24

The Tecumseh Band Parents Club meeting, scheduled for this evening, has been postponed until next Thursday, March 24, at 8 p.m., in the high school, because of a conflict with the junior class play.

About The Folks You Know

Wilfred Waldron heard and saw a bluebird last week Wednesday . . . Even the birds can't predict these unpredictable snow storms ahead of time.

The J. Paul Ammers are home now after a Caribbean and South American cruise to the Netherlands West Indies, Venezuela and Colombia . . . They left New York February 18 on Grace Line's Santa Paula and arrived home recently.

When two people come home from a honeymoon trip and find ten gallons of jello—set—in the bathtub, it is naturally somewhat of a surprise . . . That's what happened to George and Helen French while they were enjoying themselves in the Smokey Mountains . . . Employees of the Nation-Wide completed the joke with a sign reading "Happy Landings." Helen was really kept busy for a few hours!

Brownies of Red Rose Troop No. 1 enjoyed a party at their meeting Tuesday afternoon, when Mrs. Betty Wing treated the girls to ice cream and cake in celebration of the eighth birthday of her daughter, Joanne . . . Under the leadership of Mrs. George Wirtrup and Mrs. A. L. VanWinkle, the group meets at the Baptist church every week.

Mr. and Mrs. Wade Hendershot entertained Friday evening as a surprise for his parents, Mr. and Mrs. R. R. Hendershot, who celebrated their 53rd wedding anniversary . . . The guests included Mr. and Mrs. Elton Osborne and son George of Saline, Miss Luetta Hehr of Ann Arbor, Mr. and Mrs. Bernard Merritt of Milan, and Robert Osborne of Tecumseh . . . The honored couple received many gifts, and cards and telegrams of congratulations . . . Further honoring the Hendershots, the Elton Osbornes entertained at a family dinner at their home in Saline, Sunday.

Mrs. Russell Hall and her twin brother, Orlie Swift, were the honored guests at a birthday party at the home of the latter near Madison, Sunday . . . Some 40 guests were seated at the dinner table . . . Guests included the Rudy Meads, the Don Janes of Lansing, the Paul Arndts of Chicago, the Milton Royals of Milan, the Mervyn Pibeam family of Britton, the Douglas Hall family of Britton, the Carl Fishs and Mrs. Charles Swifts of Onsted and the Kenneth Ernsts of Saline.

Ned Harrington, the trumpet king of T. H. S. in the early '40's, has a nine-piece orchestra now . . . Ned and his musicians furnished the music for the interfrat dance at Adrian College, where he is a student, Saturday evening.

C. P. "Bill" Sage has some beautiful shots of South American scenery, taken on the Sages trip there several months ago.

Miss Evelyn Tilton Weds Donald L. Schultz

Miss Evelyn Tilton, daughter of Mr. and Mrs. George Tilton of Tecumseh, became the bride of Donald Lee Schultz, son of Mr. and Mrs. Ormen Wilson of Petersburg, during a ceremony performed Saturday, March 5, in St. John's Lutheran church in Dundee. The Rev. Fred W. Cester read the double ring service at two o'clock.

Walter Sweigert, a cousin of the groom, and Florence Tilton, sister of the bride attended the couple. The bride was attractive wearing a royal blue suit with pink accessories and a corsage of pink roses. Her sister was attired in a beige suit with pink accessories and a corsage of pink carnations.

After the ceremony a dinner was served at the bride's home for some 30 members of the immediate family. A reception was held in the Witherell Hall, Tecumseh, for some 200 guests in the evening. Miss Lois Purkey and William Tilton had decorated the hall attractively with spring flowers.

Since the bridal table was a three-tiered wedding cake, which was cut by Miss Clara Rehottaro. Mrs. Carl Gruber, Mrs. Perry Bowman and Mrs. Charles Tilton assisted in serving the guests. Miss Audrey Schuch was in charge of the guest book.

The bride graduated from Tecumseh high school and is now employed at the Tecumseh Products Co. The groom attended school in Dundee and is also employed by the Tecumseh Products Co. Mr. and Mrs. Schultz are residing with his parents in Dundee.

Tomato Disease Control Tips Listed By State

A little pre-season planning can be of great help to tomato growers says County Agricultural Agent Louis G. Hall.

With the aid of Ed Endrews, Michigan State college extension plant disease specialist, the agent presents a few tips on tomato disease control for Michigan.

Tomato late blight is the most spectacular disease. An epidemic can develop and destroy an entire planting within a few weeks. This has happened to a number of Michigan fields.

Anthracnose fruit rot and other foliage diseases, however, take a heavier annual toll than late blight. Fungi which cause these diseases live in the soil on plant refuse. They are always at hand to infect the tomato plant whenever favorable weather occurs. Foliage disease kill vines and leaves, exposing fruit to sun-scald and stunting growth.

Andrews advises that growers discard all seedlings that have spots on the leaves or lesion on stems. Locate the planting on soil that has not grown tomatoes or potatoes for three years.

Spraying or dusting during the growing season is good crop insurance. It should be done with a fixed copper or a zinc carbamate six weeks after setting plants in the field. The application should be repeated every 10 days. Reduce the intervals during rainy periods and lengthen intervals during dry periods.

Some carbamates do not control late blight, however. Agent Hall can advise growers the correct fungicide to use in these cases.

MULES AND MEN

A mule can't pull while kicking.
This fact I merely mention.
And he can't kick while pulling.
Which is my chief contention.

After Joseph died, there arose a new King of Egypt, who knew not Joseph, and he said unto his people:

"Behold, the children of Israel are mightier than we . . . let us deal wisely with them, lest they multiply, and let it come to pass that, when there falleth out any war, they join also our enemies, and fight against us, and so get them out of the land." Exodus 1:9.

These new immigrants, who had followed the great Joseph back into Egypt, were in danger when the old King died. The new regime set up taskmasters to afflict them with their burdens, and they built for the Pharoah great cities. But the children multiplied, and each year they found new and more rigorous tasks assigned to them, and their lives were made better with bondage. But the final blow was a decree to the Hebrew midwives to kill all the sons born to the Hebrew women, but spare the daughters.

But the midwives feared God, and did not obey the Pharoah, but spared all the sons.

There was newer, greater persecution, but the faith these people had in their God was stronger than their fear of the Pharoah. This is the faith of which your Church speaks, and the faith that has kept it alive for these many centuries.

To be a more vital part of this constant crusade against intolerance and evil, attend the Church of your choice this week. It needs you.

The following Ordinance was offered for adoption by Trustee McCombs:

ORDINANCE

AN ORDINANCE PROVIDING FOR THE REGISTRATION OF BICYCLES IN THE VILLAGE OF TECUMSEH AND PROVIDING PENALTY FOR VIOLATION THEREOF.

THE VILLAGE COUNCIL OF THE VILLAGE OF TECUMSEH ORDAINS:

Section 1. It shall be unlawful for any person to operate or use a bicycle propelled wholly or in part by muscular power upon any of the streets alleys or public highways of the Village of Tecumseh, without first obtaining from the Police Department a license therefor.

Section 2. The Police Department is hereby authorized and directed to issue upon written application, bicycle licenses which shall be effective from the first of January, 1949, to and including December 31, 1949, and thereafter said licenses shall be issued for the calendar year, commencing on the first day of January of each of said calendar years and ending on the thirty-first day of December of said calendar year. Said licenses when issued shall entitle the licensee to operate such bicycle for which said license has been issued, upon all the streets, alleys and public highways, exclusive of the sidewalks thereof, in the Village of Tecumseh.

Section 3. The Village of Tecumseh shall provide each year metallic license plates and seals, together with registration cards and tinpless holders therefor. Said metallic license plates and registration cards having numbers stamped thereon in numerical order, beginning with Number 1 and indicating the year for which the same are issued and the letters TBL stamped thereon; such metallic license plates shall be suitable for attachment upon the frames of bicycles, and it shall be the duty of the Police Department to attach one such metallic license plate to the frame of each bicycle and to issue a corresponding registration card to the licensee upon the payment of the license fee herein provided for. Such metallic license plate shall remain attached during the existence of such license. The Police Department shall also keep a record of the date of issue of each license, to whom issued, and the number thereof.

Section 4. All persons engaged in the business of buying second hand bicycles are hereby required to make weekly report to the Police Department, giving the name and address of the person from whom each bicycle is purchased, the description of each bicycle purchased, the frame number thereof, and the number of the metallic license plate found thereon, if any. All persons engaged in the business of selling new or second-hand bicycles are hereby required to make a weekly report to the Police Department, giving a list of all sales made by such dealers, which list shall include the name and address of each person to whom sold, the kind of bicycle sold, together with a description and frame number thereof, and the number of the metallic license plate attached thereto, if any.

Section 5. It shall be the duty of every person who sells or transfers ownership of any bicycle, to report such sale or transfer by returning to the Police Department the registration card issued to such person as licensed thereof, together with the name and address of the person to whom said bicycle was sold or transferred, and such report shall be made within five days of the date of said sale or transfer. It shall be the duty of the purchaser or transferee of such bicycle to apply for a transfer of registration within five days of said sale or transfer.

Section 6. It shall be unlawful for any person to wilfully or maliciously remove, destroy, mutilate or alter the number of any bicycle frame licensed pursuant to this ordinance. It shall also be unlawful for any person to remove, destroy, mutilate or alter any license plate, seal or registration card during the time in which such license plate, seal or registration card is operative. Provided, however, that nothing in this ordinance shall prohibit the Police Department from stamping numbers on the frames of bicycles on which no serial number can be found, or on which said number is illegible or insufficient for identification purposes.

Section 7. For the first annual license issued pursuant to this Section, the sum of fifty cents (50c) shall be paid. For each annual renewal of any such license the sum of twenty-five cents (25c) shall be paid.

In cases where a transfer of ownership is made in the manner prescribed in this ordinance, the fee for transfer of the license shall be the sum of twenty-five cents (25c).

Secton 8. Every person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction shall be punishable by a fine of not more than One Hundred Dollars ($100.00), or by imprisonment in the County Jail for a period of not more than ninety (90) days, or by both such fine and imprisonment in the discretion of the Court. In addition to the penalty hereinabove set forth, the Police Department of the Village of Tecumseh or any of the members thereof may impound or retain possession of any bicycle operated in violation of any of the provisions of this ordinance, and retain possession of the same until the license provided for herein is obtained by the owner of said bicycle.

Section 9. This ordinance shall take effect twenty (20) days after publication.

Motion by Porter, supported by Beach that above ordinance be approved and adopted, to be given effect twenty (20) days after publication. Ayes: McCombs, Mensing, Driscoll, Beach, Ousterhout, Porter. Nays: None. Motion carried.

Motion made by McCombs supported by Beach that Lee Purkey & Sons be granted permission for thirty (30) days to occupy building at South Pearl Street to conduct automobile repair garage. Motion carried.

Moved and supported that report of Police Department be accepted and placed on file. Motion carried.

President Watkins appointed the following as members of Village Election Board: Bessie Spayde, Gertrude Schneider, R. W. Mead, Mrs. Harry Tuckey, Cecile Smith, Iva Marsh, A. B. Harding, Charles Nobles, Herbert Watkins, Commissioners, W. D. Hite, W. J. Hanna, W. F. McCann.

Moved and supported that appointments be approved. Motion carried.

On Motion Council adjourned to Thursday Evening March 17, 1949.

THE WINNING WAY

If you put a little loving into all
the work you do
And a little bit of gladness, and a
little bit of you,
And a little bit of sweetness, and
a little bit of song,
Not a day will seem too toilsome;
not a day will seem too long;
And your work will be attractive,
and the world will stop to look,
And the world will see a sweetness, like the tinkling of the
brook,
In the finished job, and then the
world will turn to look at you
With a world's appreciation of
the things you've found to do.

ORDINANCE

AN ORDINANCE PROVIDING FOR THE REGISTRATION OF BICYCLES IN THE VILLAGE OF TECUMSEH AND PROVIDING PENALTY FOR VIOLATION THEREOF.

THE VILLAGE COUNCIL OF THE VILLAGE OF TECUMSEH ORDAINS:

Section 1. It shall be unlawful for any person to operate or use a bicycle propelled wholly or in part by muscular power upon any of the streets alleys or public highways of the Village of Tecumseh, without first obtaining from the Police Department a license therefor.

Section 2. The Police Department is hereby authorized and directed to issue upon written application bicycle licenses which shall be effective from the first of January, 1949, to and including December 31, 1949, and thereafter said licenses shall be issued for the calendar year, commencing on the first day of January of each of said calendar years and ending on the thirty-first day of December of said calendar year. Said licenses when issued shall entitle the licensee to operate such bicycle for which said license has been issued, upon all the streets, alleys and public highways, exclusive of the sidewalks thereof, in the Village of Tecumseh.

Section 3. The Village of Tecumseh shall provide each year metallic license plates and seals, together with registration cards and isinglass holders therefor, said metallic license plates and registration cards having numbers stamped thereon in numerical order, beginning with Number 1, and indicating the year for which the same are issued and the letters TBL stamped thereon; such metallic license plates shall be suitable for attachment upon the frames of bicycles, and it shall be the duty of the Police Department to attach one such metallic license plate to the frame of each bicycle and to issue a corresponding registration card to the licensee upon the payment of the license fee herein provided for. Such metallic license plate shall remain attached during the existence of such license. The Police Department shall also keep a record of the date of issue of each license, to whom issued, and the number thereof.

Section 4. All persons engaged in the business of buying second hand bicycles are hereby required to make weekly report to the Police Department, giving the name and address of the person from whom each bicycle is purchased, the description of each bicycle purchased, the frame number thereof, and the number of the metallic license plate found thereon, if any. All persons engaged in the business of selling new or second-hand bicycles are hereby required to make a weekly report to the Police Department, giving a list of all sales made by such dealers, which list shall include the name and address of each person to whom sold, the kind of bicycle sold, together with a description and frame number thereof, and the number of the metallic license plate attached thereto, if any.

Section 5. It shall be the duty of every person who sells or transfers ownership of any bicycle, to report such sale or transfer by returning to the Police Department the registration card issued to such person as licensed thereof, together with the name and address of the person to whom said bicycle was sold or transferred, and such report shall be made within five days of the date of said sale or transfer. It shall be the duty of the purchaser or transferee of such bicycle to apply for a transfer of registration within five days of said sale or transfer.

Section 6. It shall be unlawful for any person to wilfully or maliciously remove, destroy, mutilate or alter the number of any bicycle frame licensed pursuant to this ordinance. It shall also be unlawful for any person to remove, destroy, mutilate or alter any license plate, seal or registration card during the time in which such license plate, seal or registration card is operative. Provided, however, that nothing in this ordinance shall prohibit the Police Department from stamping numbers on the frames of bicycles on which no serial number can be found, or on which said number is illegible or insufficient for identification purposes.

Section 7. For the first annual license issued pursuant to this Section, the sum of fifty cents (50c) shall be paid. For each annual renewal of any such license the sum of twenty-five cents (25c) shall be paid.

In cases where a transfer of ownership is made in the manner prescribed in this ordinance, the fee for transfer of the license shall be the sum of twenty-five cents (25c).

Section 8. Every person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction shall be punishable by a fine of not more than One Hundred Dollars ($100.00), or by imprisonment in the County Jail for a period of not more than ninety (90) days, or by both such fine and imprisonment in the discretion of the Court. In addition to the penalty hereinabove set forth, the Police Department of the Village of Tecumseh or any of the members thereof may impound or retain possession of any bicycle operated in violation of any of the provisions of this ordinance, and retain possession of the same until the license provided for herein is obtained by the owner of said bicycle.

Section 9. This ordinance shall take effect twenty (20) days after publication.

Motion by Porter, supported by Beach that the above ordinance be approved and adopted, to be given effect twenty (20) days after publication. Ayes: McCombs, Mensing, Driscoll, Beach, Ousterhout, Porter. Nays: None. Motion carried.

Country Club Names Officers

COMMITTEES ALSO CHOSEN AS PREPARATIONS FOR THE OPENING ARE MADE

Frank Purcell was re-elected president of the Tecumseh Country Club at a meeting of the board of directors last week. All other officers also were re-elected.

The other officers are R. H. Moore, vice president; Clarence Gilman, secretary; and Robert Fuller, treasurer. Frank K. Smith was named honorary chairman of the board.

The following committees which will conduct the affairs of the club during its first season were appointed: Greens committee, Joe Rohweder, chairman; Fay Whelan and M. G. Partridge; House committee, J. Paul Ammer, chairman; Ed Rogers, Ned Rosecrans, L. W. Larsen, and Orville Laidlaw.

Tournament committee: C. O. Butler, chairman; Vincent Haight, and Clarence Beach; Entertainment committee: M. W. Wilson, chairman; Bob Hanna, and Frank Owen. The Finance committee consists of the treasurer as chairman and the chairmen of the house and greens committees.

R. H. Moore, building chairman; L. W. Larsen, furnishings chairman; and Frank Purcell, course chairman, were instructed to continue in these capacities until the club house and the course are completed.

Other routine business was transacted as the board made preparations for the opening of the club and the start of play late in the spring or early in the summer.

Biblical Drama Tonight, Friday

"THE LIGHT ETERNAL" WILL BE PRESENTED AT THE METHODIST CHURCH

Aden Mead, former high school instructor, had been chosen to play the role of Joseph in the Biblical drama, "The Light Eternal," to be presented tonight and Friday evening at the Methodist church. The proceeds of the play will be used for the restoration of the religious windows in the church.

Supporting Mr. Mead in the scenes filled with suspense are the brethren, played by John Cameron, Jim Colson, Duane Hay Cap Orr and Garland Holmes, who sell their favorite brother, Joseph, into slavery. The story portrayed is well known, but it is done with dramatic action and beautiful costuming.

Another important role is played by Edward Boal, who is cast as the grandfather. He is supported by Francis Packard, playing the part of the father, Mrs. Alice Franklin as the mother, and Wilma Bumpus and Jimmie Warren, playing the roles of the two grandchildren. Harry Stanifer is cast in the role of the pharoah of Joseph's time. Supporting him in the court scenes and as guards are Millard Snyder, Bob Rentschler Virginia Snyder, Gretta Porter Ileen Beach and Lee Phibbs.

Willis Porter will play the role of Moses, the ancient deliverer, prophet and law-giver of Israel. The scene of Moses' return to his people and the giving of the Ten Commandments is one of the most effective and impressive in the entire play. Others appearing in this scene are Mrs. Francis Packard, Beverly Hay, Mrs. Harold Hoffman, Janet Erhart and Sally Jo Rentschler.

The Nativity scene is outstanding. The music lends a setting and background to the entire production that makes it inspiring. Some of the beautiful and best loved hymns and anthems will be sung by a chorus of several voices. Mrs. Gordon Miller will sing "Ave Maria," and Hoelah Williams of Adrian College, will sing, "Go Down Moses." Nadine Carey and Nita Spangler will sing a duet, "From Egypt's Bondage Came." The music is under the direction of Miss Jean Walton with Mrs. [illegible] as the accompanist.

Wilfred Waldron is in charge of the stage properties and Charles Schoenholtz, Luther Wood, Ellsworth Collins and Dr. T. Rentschler are handling the ticket sales. Miss Marian Gibney is the director.

The pageant is considered as a fine Lenten offering to the community, because of its religious and educational influence.

Honor Students

Barbara Schoeck

Richard Bishop

Top honors for the Tecumseh high school seniors this year go to Barbara Schoeck as valedictorian. Miss Schoeck has an "A" scholastic average for her four years of high school and an "A" rating with her classmates as well. She was a member of the student council for three years, being the secretary for two years. She participated in the senior plays, chorus activities and an operetta. She is also editor of the annual, "Senior Echoes" and a popular cheerleader.

The salutatorian is Richard Bishop who was also on the student council for three years and a member of the annual staff. He was active in reserve football and baseball and a varsity basketball squad member this year. His classmates placed this caption under his name in the annual, "Silence indicates a busy man."

Mr. McDowell, high school principal, also announced that Gordon Comfort and Jane Hanna ran Dick a close race for salutatorian having practically identical averages for their four years at Tecumseh. They deserve honorable mention. All of these young people are popular with the pupils and teachers and have done exceptional work while in high school.

Miss Edith Ingersoll Tells Of Local History

Miss Edith Ingersoll, local historian, was the guest speaker at the regular meeting of the Tecumseh Exchange Club, following dinner Monday evening. Some 60 members were in attendance. Mrs. Kenton Hunt was a guest.

From her large collection of historical data, Miss Ingersoll outlined the history of Tecumseh from the year of 1817. She pointed out that when Tecumseh was founded its population was three times as large as that of the city of Chicago at the time of its founding. "Maumee street was the original main street of the village and the railroad which now runs through the center of town was at that time outside the limits," Miss Ingersoll explained. The building in which the village offices are located was the first structure built west of the railroad, it was said.

WILL LAMKIN DIES SUDDENLY AT HOME

Mrs. Ben Roberts received word of the sudden death of her brother, Will Lamkin, 69, of 158 West Beula Vista, Highland Park, which occurred Tuesday morning at 1:30. Death was due to a heart attack. Surviving are his wife, Alta, two brothers, Perry and Ira of Detroit and two sisters, Mrs. Roberts and Mrs. Nettie Butrick of Detroit.

Funeral services will be held at the residence this (Thursday) morning at 10 o'clock with the Rev. William Coltman officiating. Burial will be in Brookside cemetery, Tecumseh, at 2 p.m., this afternoon.

Four Are Hurt In Auto Mishap

CAR AND TRUCK CRASH HEAD-ON ON US-112; MOTHER, DAUGHTER INJURED

Four persons are in a serious condition in two Ann Arbor hospitals suffering from injuries received when their car and a truck and trailer crashed head-on, Wednesday about 6 p.m., seven miles east of Clinton on US-112.

Mrs. Mary Heavener, 24 of Tecumseh, is suffering from two broken legs and a head concussion in University hospital. She regained consciousness Saturday morning. Her three-year-old daughter, Sheryl, is in St. Joseph's Mercy hospital with a leg broken in two places and a broken shoulder.

Mrs. Donna Staup, 22, of Adrian, is in a critical condition in University hospital with a depressed skull fracture and a broken pelvis. Her husband, Leon J. Staup, 28, is in the same hospital suffering from head injuries and internal injuries.

The four were enroute to Ann Arbor to visit a patient in a hospital when the mishap occurred. A westbound truck and trailer driven by Frank B. Rogers of Vinita, Okla., skidded across the center line and struck the eastbound car driven by Staup. The driver of the truck was not injured Clinton State Police investigated the accident.

Franklin Shea, a brother of Mrs. Heavener, flew here from California to see his sister. After spending the week with her he will return to California on Sunday.

Miss Gillespie Dies In Hospital

FUNERAL SERVICES THIS AFTERNOON FOR WELL-KNOWN NURSE

Miss Jennie P. Gillespie died in Tecumseh hospital, Monday afternoon, where she had been a patient for the past two weeks. She was born August 24, 1879, in Ogden township and had lived in the Gillespie home on N. Pearl street for 50 years. She was widely known as "Aunt Jennie" to the many friends she had made during a lifetime career of nursing. She remained active in this profession until two months ago.

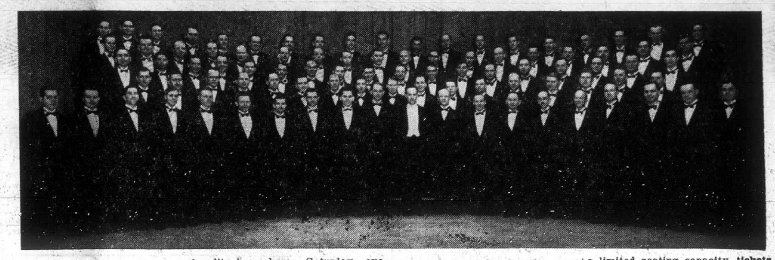
She was the daughter of the late Richard B. and Lucy Gillespie. Preceding her in death were two brothers, Ralph and Garland R. and two sisters, Grace E. Gillespie and Ora B. Murphy. She is survived by four nieces, Mrs. Arlene Ousterhout and Mrs. Ivaletta Bishop of Tecumseh, Mrs. Geraldine Ford of Mountain Lakes, New Jersey and Mrs. Frances Rathbun of Fowierville, Michigan.

Miss Gillespie was one of the oldest registered nurses in the state. She served on the nursing staff at Tecumseh hospital, Adrian Bixby hospital and did private nursing. Active in many local and county organizations, she was a past president of the Lenawee County Nurses Association, missing only six meetings of that organization since its founding. She was a member of the Presbyterian church, Tecumseh chapter, Order of the Eastern Star, Monday Club and Wit and Wisdom Club of Tecumseh, and a charter member of the Tecumseh Business and Professional Woman's Club and Abi Evans chapter, D. A. R.

Funeral services will be held this (Thursday) afternoon at 2:30 p.m., in the Presbyterian church and burial will be in Brookside cemetery. The body of Miss Gillespie will be at her home, 111 North Pearl st., until one o'clock today.

The world may be getting smarter, but a lot of fishermen will rock the boat this summer just the same.

Dow Chorus To Present Program Here, April 1st



The Dow Chorus of Midland, the largest industrial musical organization in the world, will present a program at the high school auditorium here, Saturday evening, April 2, beginning at 8:30. The Chorus is brought to Tecumseh through the efforts of Town Hall, and it is by far the most ambitious program ever attempted by that organization in the three years of its existence. Because of a limited seating capacity, tickets, which are now on sale, will be restricted to 400. No tickets will be sold at the door on the evening of the program.

Mrs. Edna G. Bowen Buried At Ridgeway

Funeral services were held Thursday afternoon from the Niblack Funeral Home in Britton for Mrs. Edna G. Bowen, 71, who died Tuesday morning at her home in Ridgeway. The Rev. Norman MacNaughton officiated and burial was in the Ridgeway cemetery.

Moving to Ridgeway from Syracuse, Ind., four years ago, she was a member of the Order of the Eastern Star chapter and the Methodist church at Albion, Ind., and the Methodist W. S. C. S. at Ridgeway.

Surviving are her husband, William; two daughters, Mrs. Catherine Brown of Tecumseh and Miss Ruth Bowen at home; two sisters, Mrs. Helen Robinson of Ligonier, Ind., and Mrs. Ruth Favinger of South Whitley, Ind.; three grandchildren and one great grandchild. A sister, Mrs. Edith Franks, preceded her in death.

Will Excavate Church Basement

SOCIAL ROOM AND KITCHEN INCLUDED IN ALTERATION BY PRESBYTERIANS

Excavation for the new social room and kitchen in the Presbyterian church was started Monday, March 14. It is expected that the much-needed basement addition to the church will be completed by the middle of this summer.

Designed by Francis A. Faulhaber of Adrian, architect, the work is being done by Floyd E. Carpenter of Adrian, general contractor.

The largest room will be the social room or auditorium, measuring 41 feet by 45 feet. The walls will be of pine paneling with an asphalt tile floor. At the south end of the auditorium will be a stage with two storage rooms on either side. At the north end will be the kitchen, two lavatories and the stairs to the first floor. The main entrance to the basement addition will be on the west side with an outside stairwell ascending parallel to the church wall.

The additional space provided will be used to house the beginner and primary departments of the church school. With the new kitchen and kitchen equipment church suppers, family nights, and youth activities will be facilitated.

The actual construction marks the culmination of many months of planning by members of the building committee under the direction of Donald Nixon.

WIN BAND HONORS

Tecumseh High School Band, directed by Clare Camburn, placed in the third division in the district band and orchestra festival, held Saturday at Jackson. Some 32 bands and orchestras competed for honors.

Legion Plans Variety Show

"LAFF IT OFF," IS NAME OF NEWSPAPER STORY TO BE STAGED, MAR. 31, APR. 1

A cast ranging in age from three to 93 years—all of them local people—will be seen in the variety show, "Laff It Off," to be presented here two evenings, March 31 and April 1 at 8:13 p.m., in the auditorium of the new Legion Memorial Home. The show is a benefit and funds derived will be used to defray the cost of new uniforms for the American Legion's ritual team.

It is expected that the show will attract a large audience each evening, not only because of the high type of entertainment that it offers but also because it will be one of the public's first opportunities to visit the new Memorial Home, recently completed here by Underwood-Orr post.

There are 10 scenes in the newspaper show and such well known columnists as Walter Winchell, Hedda Hopper and Dorothy Dix will be impersonated. Each scene in the show represents some section of the newspaper, a feature being the "Frontier Day Celebration," a home town story with square and folk dances, variety and excitement.

Rehearsals for the entertainment already are scheduled and many home folk will be seen in the roles of nationally-famous columnists as the newspaper review brings "headlines to life." The show moves continuously from one scene to another, the same as one reads his newspaper. At times the audience assumes the role of spectators, and at others it is asked to participate in the program.

A baby contest, in connection with the production, also has been announced. Mrs. Vincent Haight is in charge of this feature and may be contacted for information and rules of the contest.

Three Grass Fires Keep Department Busy

The Tecumseh fire department has been busy answering calls to extinguish grass fires this week.

Sunday at 10:45 a.m., the department was summoned to 611 Outer Drive, Herrick Park, and in the afternoon at 2:30 o'clock to the village dump. Roy Cadmus called firemen Monday afternoon at 3 p.m., to his residence on Route 1, where they extinguished a grass fire. There was no damage in each case.

Monday at 11 p.m., firemen were called to extinguish a fire on a telephone pole near Macon. The pole is the property of the Bell Telephone Co. Some damage resulted.

Injuries Are Fatal To Hiram Lewis, 78

Funeral services were held Saturday afternoon from the Everiss Funeral Home in Adrian for Hiram A. Lewis, 78, who died Thursday morning at the University hospital, Ann Arbor, from injuries suffered February 26 when he was struck by an automobile. The Rev. Miles R. Peelle officiated and burial was in Oakwood cemetery.

Mr. Lewis was struck by an automobile in Adrian by a driver who failed to see him until just an instant before the mishap. The injured man was taken to Bixby hospital and later transferred to Ann Arbor.

Born in Clyde, Ohio, September 5, 1870, Mr. Lewis had been a resident of Tipton for 20 years. Moving to Michigan in 1907 he settled on a farm in Adrian township. His wife, Stella R., preceded him in death in September 1927. Surviving are one daughter, Mrs. Rosella Vollmer and a grandson, William Vollmer of Tipton.

30th Anniversary Dinner Planned

LEGION AND AUXILIARY TO STAGE ENTERTAINMENT IN NEW MEMORIAL HOME

Underwood-Orr post, American Legion, and the women's auxiliary, will celebrate its 30th anniversary with a birthday dinner dance at the American Legion Home, South Evans St., tomorrow (Friday) evening. Dinner will be served to the members at 7 o'clock, followed by dancing to the music of the Tecumseh Products Chieftains.

The formal dedication of the new Home, which has been under construction the past year and only recently completed, will be held April 8, M. L. Dannells, jr., post commander announced today. Dinner was served there to some 125 persons Sunday for the first time.

At a special meeting of the auxiliary held recently at the home of Mrs. Louis Schneider, several money-making projects were planned. April 2 a bake sale will be held with Mrs. E. J. Aebersold as chairman; also in April a public bridge party with Mrs. Donald Goddard as chairman; Mrs. Ayesha Laidlaw will arrange for the bridal style show to be held in May, and a traveling basket will begin in the near future.

Detroit Organist To Give Program, Sunday

Dr. Charles Wuerth, noted Detroit organist, will present a one-hour recital on the Hammond organ at the Baptist church, Sunday evening, March 27, beginning at 8 p.m.

Dr. Wuerth has appeared at several art institutes in Detroit in the past and is at present touring the country giving concerts. He was organist for the Woodward Avenue Baptist church in Detroit for 20 years and at one time was a member of the Detroit Symphony Orchestra.

During the intermission a free-will offering will be taken. The public is invited.

REHEARSALS BEGIN

Rehearsals for "The Messiah" are being held at the Presbyterian church with Jack Tonneberger directing. The next rehearsal will be on Saturday evening at 7 p.m., and a full attendance is desired.

My office will be closed on Thursday instead of Wednesday, until further notice, starting the first week in April.

Dow Chorus To Give Program

100 MALE VOICES TO PRESENT ENTERTAINMENT AT HIGH SCHOOL, APRIL 2ND

Tecumseh folk with an ear for music are in for an unusual treat, Saturday evening, April 2, when the Dow Male Chorus of 100 voices, drawn entirely from among the employees of the Dow Chemical Company, presents a program at the high school auditorium. The entertainment is being sponsored by Town Hall, and it will begin promptly at 8:30 p.m.

"We are indeed fortunate to obtain such an outstanding program, and we trust that it will be given the genuine reception that it deserves," Neville Hart, Town Hall director, said today in making the announcement. "Usually, programs of the type of the Dow Chorus play to much larger cities than Tecumseh."

The Dow Chorus was organized in 1938 and since 1943 has been under the personal direction of Dr. Theodore Vosburgh, who has appeared in many recitals and on radio and opera programs. The Dow Chorus is the largest industrial musical organization in the world.

Accompanying the chorus will be the Dow trio, Virginia Nicholson, violinist, Porta Ruth Treend, cellist, and Robert Moss, pianist, all members of the Dow music department.

"We must, of necessity, limit the sale of tickets for the program to 400," Mr. Hart said, "and already about 100 tickets have been sold. The tickets are now on sale at Sluyter Electric, Jones Insurance Agency, the Flower Shop and at The Tecumseh Herald. They also may be purchased from members of the D. A. R., the Monday Club, the Wit and Wisdom Club, the Child Study Club, the Parent-Teacher Association and the Music Club and from all church choir directors. Admission will be by ticket only, and no tickets will be sold at the door on the night of the entertainment."

The Rotary Club, which organization was active in the sponsorship of Town Hall, also is taking an active part in the sale of the tickets, and was instrumental in bringing the program for Tecumseh's entertainment.

Church Program To Be Broadcast, Saturday

On Saturday night, March 26, between 8 and 9 p.m., Eastern Standard Time, there will be broadcast what is said to be one of the greatest single programs in the history of radio. Called "One Great Hour," it will be heard over every one of the 1092 stations of the four major networks, CBS, NBC, ABC, Mutual, plus hundreds of non-network stations. "One Great Hour" will be sponsored by the Presbyterian church and more than twenty other Protestant, Anglican and Eastern Orthodox churches.

"Basic structure of this great program will be dramatized true-life examples of the many vitally important types of work now being done through church organizations in Europe and Asia," it was said. The program will feature great names, great living drama and great music.

DANCING PARTY

An "April Showers" dance will be held in the Tecumseh high school gymnasium, Friday evening, April 1, sponsored by the senior class. Music will be furnished by the Tecumseh Products Chieftains and dancing will be from 9 p.m., to 1 a.m. The public is invited.

LOVE AND AFFECTION IMPORTANT IN TRAINING YOUTH

There's No Substitute For Home In A Boy's Life

Institutions, regardless of how well they are operated, never can replace in the mind and heart of a boy or girl his or her desire for a home and love and affection, Brother Patrick Cain of Boysville at Macon, told members of the Rotary Club, Tuesday evening, when he spoke, following dinner at Brees House. Boysville is a boys' school, operated by the Knights of Columbus.

Brother Cain, who has been active in juvenile work for many years and who, for 12 years, taught at Notre Dame, declared that today too many parents believe that schools, both public and private, should give youth its basic training. Such a belief, he said, is wrong. It takes more than institutional training to develop a well-rounded individual, and there is no substitute for a home where a child is wanted, where he is loved and where he receives the affection of a father and a mother.

Boysville, the speaker said, is not a detention home in any sense of the word. "Principally," he said, "our boys come from homes where there has been death, divorce or desertion. Sometimes we take them when illness makes it impossible for parents to care for them."

Cain declared that several of the 30 boys now at the school are "college material" and they will be given an opportunity for college. Boysville operates on a high school level.

Boysville opened last fall and it is growing steadily. Its physical equipment is being improved and its school expanded. Soon it will be on the accredited list of the University of Michigan.

"We feel that Boysville is a part of this community and we want you in Tecumseh, to feel the same way. Visit us often, anytime you desire. You are always welcome, we like to have guests," Brother Cain said.

D. D. Walper and Harold M. Kelso were accepted in club membership at Tuesday's meeting, Gene Judson making the presentation.

Next Tuesday evening, local Rotarians will go to Milan to join the members in that community in an inter-city meeting.

SOCIALISM BY DEFAULT

In the March issue of Fortune, John Davenport writes on "Socialism by Default." His basic thesis is a simple one—yet one that is being tragically overlooked in these days of overpowering government. He says: "It is apparent that, internally at least, this country is in no danger of collectivization by the Communists . . . Equally certain it is that the U. S. is in no danger of formally espousing Socialism in the sense that a sincere Socialist of the stripe of Norman Thomas uses the word . . . But socialism and collectivism do not always have to enter a country by the front door, especially if the rear door is left ajar . . . The essence of European socialism is not that the state owns the means of production but that . . . it seeks to guide the course of production and distribution by a complex process of controls over prices, materials, imports and exports, and takes on such enormous functions that the private citizen is either subject to perpetual inflation or crushed beneath a staggering load of taxes. This kind of socialism . . . is technically different from the old-fashioned brand. But it leads to the same result—a vast and dangerous increase in the power of the state over men's lives."

What Mr. Davenport is saying is that we can drift into socialism and collectivism without knowing it. If we do, it will be because we permit the government to become too big and too strong. We are going to have big government in such fields as the military, foreign relief, international relations and so on. But to believe that this must be accompanied by big government in every conceivable human activity is to surrender before the battle. The very size of Federal spending directly endangers economic and political liberty. If we must spend huge sums for arms and kindred purposes, that is all the more reason for paring to the limit that which we spend for unnecessary activities.

This is not just a theory. It is hard, inescapable logic. No nation ever asked, eyes open, for oppression and tyranny and dictatorship—the hall-marks of collectivism. But a score of nations have fallen beneath them—by default. Mr. Davenport comes to the heart of it when he writes: "Political institutions are meaningless unless buttressed by economic institutions that also allow for freedom." Liberty is not guaranteed to any one. It must be earned and protected.

ROMANCE FLOWERS IN LEGISLATURE . . . Cupid shot his arrow and scored a bull's-eye in the Idaho house of representatives when Rep. E. A. Snow, right, proposed to comely, red-haired Rep. Edith Miller, a fellow Republican in legislative lingo. The proposal was made from the floor in a regular house session and, after due consideration, Representative Miller accepted. She smiles as husband-to-be accepts congratulations from Rep. Harold Budge (left).

LOCALS AND PERSONALS

Mr. and Mrs. Otto Fackler have moved to their cottage at North Twin Lake for the summer months.

About The Folks You Know

The first day of Spring has come and gone . . . and regardless of what the weather is from here on in, it's still Spring.

The many friends of Mrs. Mertie Jones will be glad to hear she is convalescing after an illness of several months duration . . . Complete recovery will be a slow process, but Mrs. Jones' spirit remains cheerful.

Rae Nita's Dance Revue, to be held next Thursday and Friday evenings in the high school, promises an evening of enjoyment to the folks in this vicinity . . . The costumes of Miss Larsen's revues are always a delight to behold . . . Different countries will be represented in the dances, including Hawaii with its Hula dancers . . . Thirty-eight of the 125 dancers appearing will be from Tecumseh.

"Working with the Junior Class is like keeping one step ahead of the 20th Century Limited," Mrs. F. C. Dickinson remarked, Friday evening, between acts of the class play, "A Date With Judy," when she and Miss Bessie Bortner, directors, were presented with gifts of appreciation . . . And after viewing the production it's surprising the two directors aren't more winded than they are . . . Perfect coordination between the cast and stagehands was reflected throughout the play . . . The curtain opened promptly at 8:15, the time between acts was held to a minimum, and the play kept moving at a lively pace, with never a dull moment . . . Shirley Teske as Judy and Gordon Keyser as Randolph, her younger brother, literally "stole the show" with their typical kid-brother-sister quarrels, but the remainder of the cast did a remarkable job portraying their characters and deserve recognition . . . They were Marilyn VanHook and David Lott as mother and father Foster, Lanky Jerry Bowen as Ooogie Pringle, Marilyn Lindsley as Mitzi Hoffman, Sally Brown as Hannah the maid, and JoAnn Johnson, David Green, Bonnie Beasley, Charlene Joseph, Lenore McKenzie, Garland Holmes, Patricia Long and Gerald VanValkenburg . . . The newly papered stage set made a fine background for the attractively furnished room.

Mrs. Lucretia Bueler was pleasantly surprised, last week Wednesday afternoon, when the Temple Dependable Circle of the Methodist church met at the home of her daughter and granddaughter, Mrs Edna Whaley and Mrs. Kenton Hunt, in celebration of her 88th birthday anniversary . . . Mrs. Bueler received many nice cards and gifts, including a birthday cake, from the 13 members and three guests . . . The hostesses served refreshments in conclusion. Mrs. Mertie Waring will be hostess for the April meeting of the Circle.

Al Schumm, a junior at Adrian College, is sports editor for the Adrian College World . . . Al has been active in this capacity since last September . . . His column, "Chalk Talk," is widely read on the campus because he relates highlights of the various games lists the records and statistics to date and otherwise keeps the students in contact with what is going on in the Adrian College sports world . . . A physical education major, Al plans to make coaching his career.

Mrs. Cecil Fielder entertained six little children, Tuesday afternoon, in honor of the sixth birthday of her daughter, Sharon . . . Games and prize were enjoyed, followed by ice cream and birthday cake . . . The guests were Carol Ann Lowe, Nancy Beland, Carol Bilby, Johnny Britton, David Brooks and Gordon "Mike" Williams . . . Sharon received many nice gifts.

Mrs. E. C. Brandt entertained her birthday club at a dessert luncheon, Monday afternoon . . . Mrs. Clarence Beach was the honored member this month . . . A delicious salad and birthday cake, baked by Mrs. Max Brandt, was served by the hostess . . . The women spent the afternoon knitting, crocheting, tatting, etc.

Nila Stephenson, daughter of the Veryl Stephensons, celebrated her 11th birthday, last Saturday . . . Her grandparents, Mr. and Mrs. Elmer Main of Brooklyn, visited in the Stephenson home in the afternoon.

Work has begun on the enlargement of the basement of the Presbyterian church . . . When the remodeling is complete the church will have an additional space of about 3,200 square feet, complete with a stage and kitchen . . . The entire project will cost about $25,000.

Since accepting the call to preach at the North Rome church, six weeks ago, Rev. Blair Bashore has had many interesting experiences . . . While watching the congregation grow from an average of 12 persons each Sunday to a total of 101 last Sunday, he has seen folks coming to church carrying their own chairs . . . It seems several years ago a few of the pews were disposed of, leaving a seating capacity of about 65 . . . One of the older trustees of the church recalled loaning 33 chairs to a Napoleon church, 18 years ago . . . so he contacted a trustee of the church in Napoleon, who, incidentally, held the same position 18 years ago, and asked if it would be possible to have the chairs returned . . . The Napoleon trustee answered in the affirmative, explaining that three of the original chairs had been broken, but that the others would be returned immediately . . . So, after almost a score of years, 30 chairs have been returned to the little country church in North Rome to accommodate the many country folk who attend the 9:30 service on Sunday morning.

Many of the younger musicians of the local high school band are being asked to perform for many community events . . . This evening a clarinet trio composed of Howard Powell, Joyce Kopka and Pat Long, will play at the Tecumseh Grange meeting . . . Also a saxophone quartet, composed of Trudy Ogden, Brenda Porter, Geraldine Handy and Donna Burleson will play at the O. E. S. reception.

The condition of the pews at the Baptist church has been emphasized by the newly-covered cushions so the Baptist women have started a campaign to raise money to have the pews refinished . . . They and their friends will meet at Mrs. Neil Pearson's this (Thursday) evening at 7:30 to get off to a good start.

BAKERY STRIKER OUT IN COLD . . . With six major bakeries closed in New York by an employees' strike and another five by management in support of the struck plant, this picket found himself a rather wet and uncomfortable job patrolling in the wet and snow. The strike was against a baking company, which with five others, supplied 70 per cent of the wrapped bread and cake used in the city.

BRITTON

Mrs. Ernest Palmer is spending two weeks at Downers Grove, Ill., visiting her sister.

Mrs. Charles MacNamria and children of Detroit are spending two weeks in the home of Mrs. Flora Exelby. Mr. and Mrs. J. Zeluff of Toledo were Sunday guests in the same home.

At the recent meeting of the Christian Church Dorcas Class the following new officers were elected: president, Mrs. Effie Gibson; vice president, Mrs. Nina Taylor; secretary, Mrs. Maud Schmid and treasurer, Mrs. Maud Davis.

MUSIC CLUB

The Tecumseh Music Club will meet Tuesday evening, March 29, at the home of Mrs. Ellsworth Collins. A program of Russian music will be presented. Mrs. Don Goddard and Mrs. Nina Heath are the co-hostesses.

Nurses' President Is Dinner Speaker

Miss Elizabeth Moran, president of the Michigan Nursing Center Association, was the guest speaker at the March meeting of the Lenawee District Nurses Association, held last week at the Methodist church in Britton. Miss Moran discussed Bill No. 97 which will license practical nurses and which is before the present state legislature. "If passed, the bill will enforce the registration of all practical nurses and will be of benefit to both nurses and public in that it will insure more and better care," the speaker said.

Some 56 members of the Lenawee district and the Monroe and Washtenaw districts enjoyed a ham supper preceding the business meeting. Mrs. Hilda Will, president of the Lenawee district, presided. A sum of $10 was voted to the polio fund. It was reported that Miss Jennie Gillespie, one of the oldest registered nurses in the state, is ill in Tecumseh hospital. She has been absent from only six meetings of the Lenawee district since it was organized years ago.

GRANGE POTLUCK

The Tecumeh Grange will hold its regular meeting this (Thursday) evening, to be preceded by a potluck supper at 7 p.m. The supper committee includes Mr. and Mrs. Walter Bale, Mr. and Mrs. Baron Sarvey, Mr. and Mrs. Walter Craig, Mr. and Mrs. C. O. Bailey, Mr. and Mrs. Dow Bilby and Mr. and Mrs. Leland Bush. Mrs. Harold Roraback will have charge of the lecture hour.

March 30, the third and fourth degree team will visit Pittsfield Grange and confer the degrees on a class of candidates.

B. & P. W. CLUB

Skit Night will be observed by the Tecumseh Business and Professional Woman's Club, when it meets next Monday evening, March 28, at the Baptist church for dinner at 6:45 p.m. The hostesses are Marie Koernig, Hazel Collier and Margaretta Brisbin. Ayesha Laidlaw and Mable Lockwood are in charge of the program and Ethel Keyser will lead in devotions. The senior Girl Scout troop and their leader, Mrs. Arthur Bowser, will be guests.

MISSION GUILD

The Florence Weld Mission Guild meeting, scheduled for March 28, has been cancelled. The next meeting will be held Monday evening, April 11, at the home of Mrs. Nina Heath and Mrs. Earl Place will be the guest speaker.

HERE'S HOW AIR REFUELING JOB WAS DONE . . . This photo of refueling of the Lucky Lady II, which flew non-stop around the world in 94 hours, shows how the B-50 was supplied with fuel for the 23,452 miles. The bomber was refueled in this fashion at four points on the flight—the Azores, Saudi Arabia, the Philippine Islands and the Hawaiian Islands. The refueling technique was worked out especially for the flight. A top officer of the air corps declared that the flight had definitely established the fact that the United States was now in position to deliver the atom bomb "wherever it might be required." Where that might be remained an unknown quantity

Miss Marjorie Korth Weds Wayne Matteson

Sunday afternoon in the Grace Ev. Lutheran church, Miss Marjorie Alice Bertha Korth, daughter of Mr. and Mrs. William Korth of Route 2, Britton, and Wynne Leland Matteson, son of Mr. and Mrs. Everett Matteson of Route 1, Manchester, spoke their vows which united them in marriage. The Rev. J. deRuiter read the double ring service at 3 o'clock.

The bride chose a street length dress of powder blue crepe styled with a bustle in the back, square gathered neckline and cap sleeves. Pinned to the waist of the dress was a bouquet of white roses and blue hyacinths. White and blue hyacinths were smartly arranged on combs in her hair, and her only jewelry was a double strand of pearls.

Mrs. Mary Maska attended her cousin as matron of honor attired in navy blue silk crepe and navy straw hat with pink roses. Her bouquet was of pink roses and hyacinths. Martin Korth, brother of the bride, attended as best man.

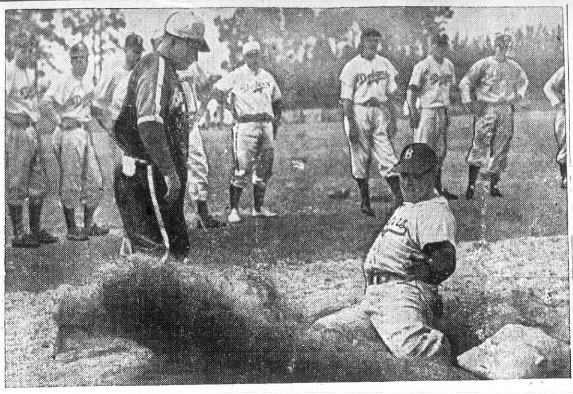
Mrs. deRuiter played a program of organ music before and during the ceremony, including "I Love You Truly."

Both Mrs. Korth and Mrs. Matteson wore flowered navy dresses with navy accessories. Each had a corsage of white and blue hyacinths.

After the ceremony a reception was held at the home of the bride's parents for some 25 friends and relatives. Centering the bridal table was a two-tiered cake decorated with white and pink roses. Mrs. Lucille Goodwin and Mrs. Ida Wilcox assisted in serving a buffet lunch.

The bride graduated from Macon high school and is now employed by the service department at the Tecumseh Products Co. The groom graduated from Manchester high school and is employed in the Philco Service department at the Tecumseh Products Co.

When the couple left on a trip, the bride was wearing a navy suit with navy and white accessories and her bridal corsage. Upon their return they will reside three miles northeast of Ridgeway.



WON'T BE LONG NOW UNTIL REAL THING . . . There's no surer harbinger of spring than the beginning of the baseball season, and it won't be long now until that is at hand. Then, pictures such as that above, will be showing actual play instead of training camp scenes as ball hawks and base-runners get underway. This photo shows Roy Campanella of the Brooklyn Dodgers practicing his sliding under the watchful eye of Branch Rickey, Jr., at the Dodgers' Vero Beach, Fla., training camp. Roy looks a little hefty here, but enough sessions like these and the old waistline will be back to normal.

NEW PASTORS NAMED AT GOSPEL TABERNACLE

Rev. and Mrs. A. S. Dimbat have been elected new pastors at the Gospel Tabernacle, 321 North Pearl street, to succeed Rev. Geno Cecchini who served for the past twenty-two months.

With several years experience in gospel work, Rev. and Mrs. Dimbat are very capable young people and offer a challenge to the youth of Tecumseh to serve God, it was said. Both are talented musicians.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Fred J. Weseloh announce the engagement of their only daughter, Marilynn J., to Junior Gabe French, son of Mr. and Mrs. G. E. French of Clinton. Miss Weseloh, a former student of Siena Heights College in Adrian, is now employed by the Tecumseh Products Co. Mr. French, a veteran of World War II is employed by the Ford Motor Co. No wedding date has been set.

Your church needs more than your recognition of its importance.

It needs you to participate in its several services, it needs you and your family to take part in its many activities, it needs your moral and personal support each day, month and year.

Remember, the churches of your community are vital to the progress of your community. As your churches prosper, so does your community prosper.

Next Sunday, GO TO CHURCH. Take your family. Join in the service of the church of your choice.

HEY! WHAT'S UP, DOC? . . . That seems to be puzzling Frankie Gascich as he gets a "ticket" from "patrolman" Tommy Kmesel, 2. Real Kansas City policeman Jack Marshall (center), friend of Tommy's parents, had a uniform manufacturer make an exact replica of a patrolman's uniform for Tommy, who even carries a service revolver—the cap kind, that is. Young Frankie seems as much perturbed by by this "traffic" incident as many grown-ups would be under similar circumstances.

AMERICAN TOY FAIR OPENS IN NEW YORK

The 46th American Toy Fair is in progress in New York City, and manufacturers are offering their wares at prices below last year's.

One company is offering a tool chest to retail at $2.50 that sold for $4.95 a year ago. The same company has a microscope for $2.50 which retailed for $3.95 this time last year.

Another toy manufacturer whose lowest-priced velocipede sold for $5.98 at the fair last year has introduced one to retail for $3.98.

Herald classifieds pay big dividends.

HOW MUCH WERE YOUR FEDERAL TAXES DURING 1948?

The Average Michigander Pays $4,000 Annually To Uncle Sam

LANSING—Taxes levied and spent by the State of Michigan, cities and schools seem rather insignificant when compared with the $2,500,000,000 paid by Michigan taxpayers to the federal government last year. With a State population of more than six million, this figures out to about $4,000 for every person in Michigan.

Best immediate hope for lightening this huge tax burden will be found in the Hoover Commission task force reports now being issued from Washington at the rate of two or three a week. These reports analyze the operation of each federal bureau, expose the red tape, and, more important, make recommendations for eliminating it. If these recommendations are followed, an estimated $3,000,000,000 a year may be saved.

Michigan now has 102 administrative agencies, but there is a good chance that one of these may be eliminated. A Senate tax investigating committee has found that the three $6,000 a year members of the State Board of Tax Appeals have heard only 127 cases over the past seven years, working about two or three days a week. The Board has been labeled a "luxury the State cannot afford."

Serving lunch to Michigan school children is a big business. In the first months of the school year, 12,641,250 meals were served in 1,598 schools in 766 participating school districts. Total cost for the year is about $4,000,000.

Welfare laws are being given rigorous scrutiny by members of a Senate investigating committee. Senator Colin Smith, (R. Big Rapids) says that standards will be revised to emphasize that public assistance is a privilege, not a right, and to safeguard the interest of taxpayers. Senator Smith also believes that greater stress should be placed on rehabilitation and that a well-planned program should be formulated to justify appropriations.

Another new tax idea has been suggested by Representative William Romano (D. Van Dyke). He wants to place a ten per cent tax on the gross sales of professional football, hockey and basketball tickets. He estimates that this tax would raise approximately $1 million a year for the state. Such a tax now is collected on boxing and wrestling matches.

Have trouble finding a place to park? Could be because 1948 Michigan motor vehicle registrations totaled 2,004,712, about 3.5 persons per car. This represented an increase of 181,111 vehicles over the 1947 level which is greater than the 126,000 population growth estimated by the U. S. Bureau of the Census for that period.

Robert F. Steadman, state controller, reports that "it will be a considerable surprise to many people to realize that 60 cents out of every dollar that it is anticipated the state will spend in 1949-50 will be in the form of financial aid to or for local governments." Are you surprised?

Many of us would find our income tax load lightened considerably if a proposal made by William T. Guinan of the Builders Association of Metropolitan Detroit were adopted. He thinks every homeowner should have an income tax exemption of five per cent on his property for maintenance and depreciation. Many landlords, Guinan said, already have such an exemption and it is only fair to give this help to other owners.

More than 44,000 students are now enrolled in the University of Michigan, Michigan State College and Wayne University. These three institutions are said to be "crammed to the gills" though it is now 3½ years since the end of the war. Officials, who see no end to the enrollment boom, say more high school students feel it is necessary for them to go to college, junior colleges are funneling more students to the universities, many veterans are taking advanced courses and more students than ever before can afford to go to college.

Every session of the legislature there is much debate about adjusting workmen's compensation, unemployment and old age assistance benefits to make them more equitable. Senator John B. Martin, Jr. (R. Grand Rapids) thinks the issue could be settled for some time to come if "escalator clauses" are adopted patterned after the General Motors-UAW contract. His immediate proposal is that workmen's compensation maximum benefits be established at $28 per week (as compared with the present $21) and that this figure should fluctuate every year based on a report by the State Labor Department of changes in the cost-of-living.

CROSSES POLE . . . First Lieut. Margaret C. Flynn, Philadelphia nurse now serving with the air force in Alaska, has won the distinction of being the first woman ever to cross the North pole. She went along in a B-50 bomber.

TO PEEL OR NOT? POTATOES TESTED

Oatmeal, good for porridge, breads and cookies, leads the list of plentiful foods for April.

Young and tender carrots and Irish potatoes come next. In cooking these two vegetables the question is always: To peel or not to peel?

Nutrition experts in the Department of Agriculture shed some light on this domestic poser.

Potato skin, they say, is a great protection against loss of nutrients in cooking. Boiled or baked in jackets, they offer important dividends.

Not so with carrots. Their skin seems to give little or no protection in cooking. Tests showed pared and unpared carrots were about equal in nutritive value.

Even bootleg liquor has its advantages. It cured a good many fellows of the drink habit.

Non-Partisan News Letter

By Gene Alleman
(Special to The Herald)

LANSING—Get up close and we'll whisper it to you.

A "scandalous waste of public funds" has been going on in Michigan.

These words are taken from a resolution adopted by the State Senate at Lansing the other day. A majority of Senators agreed that this "scandalous waste" was due to increasing spending by governmental units in Michigan since 1942, this first year of our participation in World War II. They proposed that something should be done about it. And what is this solution? An investigation.

This startling inaction aptly illustrates the frustraton that prevails throughout the legislature today on the grim topic of taxes. Governor G. Mennen Williams has proposed that the legislature enact a tax on corporation profits and thereby avert a deficit in the state treasury. Such a deficit, he warns, is inevitable because 76 per cent of the sales tax revenues are being diverted by constitutional amendment back to local governments—schools, townships, cities and counties.

Now it is no news to record that legislators do not like new taxes. Even the Williams' formula of taxing "big business" is not welcomed. The governor's solution neatly sidesteps the agony of having to go back home and face the angry voters should a direct consumer tax be imposed. An indirect tax has its virtues—the chief of which is that the citizen does not know when the tax is being paid, since it is hidden in the consumer price, and hence unidentified.

The corporation profit tax, which would be paid chiefly by some 22 big corporations, will be tolerated at the best by the Republican legislature ONLY if no alternative can be found.

Hence the legislature's inclination, as illustrated by the Senate resolutions, to discover this magical alternative—something which would not add to the taxpayers' bill and yet would bridge the widening gap in the state budget.

The Senate resolution is a reflection of this kind of wishful thinking. Let's examine the wording. Legislators point out that the sales tax, enacted in 1933 to raise around $40 millions, produced $185 millions in 1948. Liquor tax, cigarette tax, use tax and other levies added another $83 millions. Then the gasoline and weight tax brought in upwards of $74 millions. The grand total, contributed by taxpayers, was $342 millions—MORE THAN A THIRD OF A BILLION DOLLARS!

And so you arrive at this conclusion:

"The over-all increase in the cost of government is 81 per cent from 1942 to 1947.

"The increase in cost of government in other states during the past five years has been from 25 to 40% . . . Pennsylvania, 12%; New York, 30%; and Ohio 25%.

"The state should make some effort to find out the causes of the tremendous waste and correct same for the purpose of determining whether it is not possible to reduce expenses so that the levying of additional taxes will be necessary."

The State Senate resolution proposes to accomplish this by appointing a committee, a good tried-and-tru method for buck passing. If anything comes out of this latest investigation, a lot of Lansing observers will be greatly surprised.

As we have pointed out before, many Michigan citizens entertain the belief that the cost of STATE government is top-heavy; that millions of dollars could be saved by weeding out needless bureaus and firing lazy workers. This suspicion of inefficiency and an added by-product—corruption— inspired the 1946 landslide that swept Kim Sigler into office as the crusading reformer who would change it all.

It seems logical to point out that it was during the 1943-44 period of Republican rule at Lansing that the legislature created the veterans' trust fund of $50 millions —money saved during the war out of booming tax revenues. A state building program was also launched.

If there has been an "alarming waste of public funds" since 1942, where was the legislature all this time? And why didn't the Republican governors do something about it?

As we see it, the Senate resolution typifies the current frustration at Lansing. A constitutional amendment requires diversion of 76% of sales tax revenues back to local governments. Inflation has brought higher prices; higher prices require more dollars to buy the same services and products; more dollars mean more taxes or curtailed spending.

Since the legislature has no control over how most of the state revenues are to be spent, the result is a pretty pickle, any way you slice it.

Somebody is going to be hurt. The only question is: Who is it going to be?

Virtue always has its own reward. You can always find plenty of parking space near a church.

BRAHMA CATTLE HELP DEVELOP SUPER-BREED Near Tuscon, Ariz., Matt Baird president of the Brahman breeders' association, gives a tidbit to one of his prize Brahma bulls. Baird brought the Brahmas— descendants of India's sacred cattle—to Arizona for cross-breeding with Herefords to produce a superior domestic cattle which can stand adverse climate. The dry, hot ranges of the Southwest will prove a severe testing ground for the theories of those who are gambling on the cross-breeding program to produce the type of beef animal desired. While the program is comparatively new, some breeders already have expressed themselves convinced of the value of the experiments.

Clerk: "Anything else? Tootsies Tatery Chips, Cheesie Weesies or Dramma's Doughnies?"

Man (toddling toward the meat department): "Dot to det some meat."

It may not interest you, but a lot of people wonder why the fellow who has but very little hair left doesn't comb it over the bald spot.

HAS HIGH HOOPER ON THE NETWORK . . . It looks easy enough when you watch an expert like Juan Montalvo toss a 25-foot net 40 feet out into the briny. But Juan has been doing this since he was 12 on his native Cabras island. Puerto Rican fishermen make these nets from five spools of nylon at a cost of about $16. When expertly handled, the net will cover a large area, trapping mullet, red snapper and other small fish which travel in schools. Using it is a definite art, however, and the beginner would have little luck with the net.

PLASTIC CLOTHESLINE PLACED ON MARKET

Rope clothes lines which pick up dirt and pass it on to clean clothes have long been a washday trial. A new plastic line called Klean is on the market at 79 cents for 50 feet. It is smooth and white and the manufacturer claims it will not rust, crack, or peel.

NEW METHOD SMOOTHS FRUIT SHERBET FLAVOR

If the next orange or lemon sherbet you order seems smoother and tastier than any you've had before, you can thank the United States Department of Agriculture.

Its fruit and vegetable chemistry laboratory in Los Angeles, in experimenting with new uses for citrus fruit, has developed a product called frozen citrus puree. From it orange and lemon sherbet can be made that is satin-smooth and rich in ripe, natural-fruit flavor.

Previous attempts to make puree from citrus fruit were unsuccessful because the puree soon developed an off-flavor. Very rapid freezing proved the solution and now this product is being frozen commercially and sold to ice cream manufacturers in Los Angeles and New York.

The new product is a promising outlet, the department says, for the quantity of sound, fine-flavored fruit which often goes to waste because it is too small or too ripe for shipping.

Herald Classifieds pay big dividends.

SILVER LINING

If none were sick and none were sad
What service could we render?
I think if we were always glad
We scarcely could be tender.
If sorrow never claimed your heart,
And every wish were granted,
Patience would die, and hope depart—
Life would be disenchanted.

Over $94,000,000 in 10 Years . . . Paid for the Health Care of Those Who Hold THIS CARD

Blue Cross—Michigan's Truly Non-Profit, Voluntary Hospital and Medical-Surgical Care Plans—Reports to the People of This State

AMAZING, yes—but the record shows that since the beginning of Michigan Blue Cross just ten years ago, over $94,000,000 have been paid out for the benefit of subscribers! *Today* over 1,500,000 Michigan people enjoy the protection of the Blue Cross Plans, are safeguarded against worry over the high cost of sickness! 169 participating hospitals throughout the state stand ready to serve Blue Cross subscribers. And over 4,000 Michigan doctors participate in Blue Cross Medical-Surgical Plans.

The Hospitals' and Doctors' Own Health Plan for The Public Welfare

Blue Cross is a truly cooperative, wholly voluntary non-profit program for better health care. Blue Cross Plans are administered by Michigan hospitals, Michigan doctors of medicine and public representatives to make the best in hospital, medical and surgical care available without financial strain to the people of this state.

89¢ of Every Dollar Paid in Was Returned in Benefits

Because Blue Cross is truly NON-PROFIT, almost all income received is paid out in benefits for subscribers. During 1948 Michigan Hospital Service—Michigan Medical Service, combined, spent 89¢ out of every dollar for subscribers' sickness expenses. And from the balance an amount was set aside to provide special reserves for emergencies such as epidemics.

One Out of Ten Persons Will Go To A Hospital This Year . . .

With the cost of hospital and medical care more than double what it was in 1941, you need this priceless protection. Blue Cross is backed by a tried and tested method of operation that gives great financial strength and soundness. It is with a feeling of pride in public accomplishment that the following report is submitted to the people of Michigan whose cooperative, voluntary efforts have made possible this outstanding record in providing against the financial hazards of illness.

PROTECTION THAT'S PRICELESS

DO YOU KNOW...

HOW BLUE CROSS STARTED?

In 1929 a group of Dallas, Texas, teachers found that while *as individuals* they could not put aside enough money for sure protection against emergency hospital bills, they could do so *as a group.* Baylor University Hospital agreed to provide hospital care for members of the group, for a small fee each semester. Since then, 90 Blue Cross Plans have been organized.

Michigan Blue Cross Medical-Surgical Plans (elsewhere known as Blue Shield) were developed by the Michigan Medical Society after prolonged studies of various methods of pre-paying medical care made by the Society and other interested groups.

WHO RUNS MICHIGAN BLUE CROSS?

Michigan Blue Cross is made up of Michigan Hospital Service and Michigan Medical Service. Michigan Hospital Service is operated strictly in the public interest by the voluntary participating non-profit hospitals of Michigan. And Michigan Medical Service is operated by Michigan's doctors themselves. It was organized by the Michigan State Medical Society to provide a way for Michigan's people to protect themselves against the costs of medical-surgical care.

WHAT BLUE CROSS DOES?

Michigan Blue Cross Plans provide a wide range of healthcare benefits. Hospital room and care charges . . . special services . . . established amounts for surgical operations . . . doctor's calls at the hospital—are only a few of the cost-of-sickness safeguards afforded. And you receive all this without red tape. No forms to fill out or claims to enter. Simply show your Blue Cross Card to obtain service.

THAT YOU MAY BE ELIGIBLE?

Employed persons may enroll as a group through their employer. Those who are self-employed, retired or not able to meet group requirements may enroll through the special Community Enrollment Plan—conducted in your community during enrollment campaign periods. If you are not already a member of Blue Cross why not talk over the benefits with your friends who do belong—with your Blue Cross neighbors—with those who have already experienced how much Blue Cross really means when they have had to go to a hospital or undergo medical care. For full information, write or call your nearest Blue Cross Office. Offices in 20 principal Michigan cities.

THE BLUE CROSS PLANS are non-profit and are the only plans sponsored by the Michigan Hospital Association and the Michigan State Medical Society.

COURT WOULD PROTECT SNAKES . . . Usually it's the other way 'round, but a Yorkville, N. Y., court had Zorita (above), night club entertainer, arraigned on ASPCA charges that she was cruel to snakes by placing scotch tape on the reptiles as they did their act. She is shown here with her pet python, "Elmer," which is being petted by her 20-month old daughter, Tawny. Bail was set at $1,500 and the snakes confiscated. "Elmer" is a 10-foot-long rock python.

HOLLOWAY

The Junior Choir held a St. Patrick's party Wednesday evening at the Holloway Presbyterian Church. Potluck planned supper was served to 18 members. Games were played during the evening.

The Ladies Aid of the Holloway Presbyterian Church held their monthly meeting Thursday afternoon in the home of Mrs. Bert Clappich. It was voted to donate $5.00 to the Red Cross, and a rummage sale was planned for April. The recent attendance and membership drive ended with a total of eleven new members added to the roll. Lunch was served to the 25 members and friends who attended.

The P. T. A. District 9 held their monthly meeting Thursday evening at the school with a small attendance. Pictures were shown and games enjoyed. The men will have charge of the meeting in April.

Mr. and Mrs. Lester Tucker of Tecumseh had as their Sunday guests Mr. and Mrs. Floyd Graham, Jr. and family and Mr. and Mrs. Harold Jeffers of Holloway.

Mr. and Mrs. Hugh Mitchell and family had as their Sunday guests Mr. and Mrs. Russell Doughy and son Mark and Mr. and Mrs. Ken Valentine of Fairfield.

Mrs. John Marine was removed to the Tecumseh Hospital Sunday where she will receive medical care.

Eryl Rainey of Detroit spent the weekend visiting his sister and family Mr. and Mrs. Matt Lunn. Mrs. Lunn is ill in her home.

Mrs. Edna Wilmoth entertained Mr. and Mrs. Gille Brockmkan and Mrs. Charles Brockman of Dundee Friday evening. Weekend guests included Mr. and Mrs. Walter Hall and children of Plymouth who were also guests of Mr. and Mrs. Frank Hall. Mrs. Charles Brockman is remaining for a short visit.

Mr. and Mrs. Edward Mitchell and daughter were Sunday guests of Mr. and Mrs. Chet Haynes and family of Lansing.

Mr. and Mrs. Giles Brockman and tertained 24 dinner guests in their home Sunday, honoring their infant daughter Nancy Sue who was baptized Sunday in the North Blissfield Lutheran Church. The Rev. William Weinlander performed the ceremony and the sponsors were Mrs. August Marks and Lawrence Marks of Palmyra and Mrs. Myron Spiegel of Adrian. Dinner guests were from Adrian, Blissfield and Palmyra. The tiny baby was showered with lovely gifts.

WACS AT WEST POINT . . . The cadets may never have believed it, but women are quartered at West Point now as evidenced by this photo of WAC's Jewel Struizenberg of Chicago, (kneeling) and Marjorie Hart of California, Mo., as they inspect the grave of Molly Corbon, Revolutionary war heroine.

PERMANENT WAVE DOLL A REALITY

WASHINGTON—There is probably only one thing that could please a little girl more than a doll with curly hair, and a toy manufacturer has discovered what that is.

It is a doll whose long straight hair is just waiting for a tiny pair of hands to give it a permanent wave.

With so many mothers giving each other home permanents these days, any game of "grown-up" almost demands a certain amount of hair-curling.

"Pam" is the name of the doll whose real human hair comes in blond, brunette, and red. She sells for about $8 with her plastic comb and five Perm-O-Wave curlers.

As a general thing, those who know how to properly pronounce the names of French dishes haven't money enough to pay for them.

ONSTED

Some 88 members and husbands of the Onsted Woman's Club enjoyed dinner in the Onsted Grange Hall last week Thursday evening. The president, Mrs. R. A. Kerr welcomed the guests and introduced Mrs. Floyd Ruesink as toastmaster. The toast to the gentlemen was given by Mrs. Roy Larson, followed by the response to the women by Glen McCaughey. Mrs. Harold Rohrback of Blissfield, president of the Lenawee County Federation of Women's Clubs, spoke briefly. "Basic Conservation" was the subject of the talk given by Clarence Tinker of the conservation department at Lansing. Mr. Tinker's definition for conservation is "a philosophy that involves our looking upon nature as though we were stewards." "By Land We Live," a motion picture, concluded the speaker's address. Mrs. Gerald Brink, Mrs. Floyd Ruesink, Mrs. Elwood Little and Mrs. M. E. Smith closed the program with a two-piano number.

Mrs. James Goodrich was re-elected president of the Onsted Parent-Teacher Association of the newly organized school, when it met last week. Other officers elected are: Mrs. Lloyd Kurtz, Mrs. Davison, and Willis Swicker, vice presidents; Mrs. Frank Beal, secretary, and Mrs. Gerald Ferris, treasurer. Elwood Little acted as leader of the panel discussion on the subject, "The Type of Adult Education Desired for the Onsted Area." Mrs. Philip Sayre Mrs. H. S. Reynolds, Mrs. Saunders, Mrs. Hoyt Keiser, James Goodrich, Willis Swicker and Mrs Jacob took part in the discussion David H. Jenkins of the adult education department of the University of Michigan summarized the discussion.

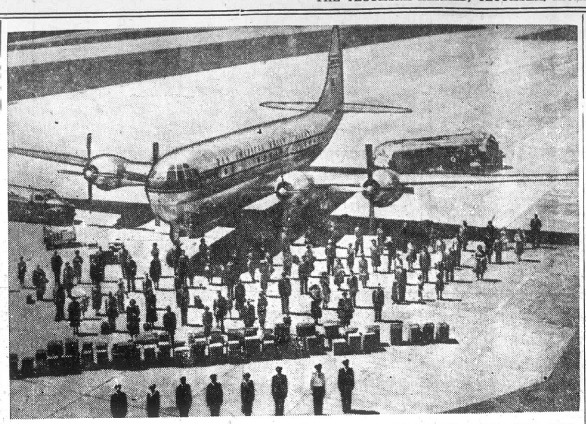
Onsted high school band attended the district festival at Jackson, Saturday.

Mrs. Alfred Lapham and Mrs. Lester Shultis are spending several days with Pvt. Donald Shultis at Fort Dix, N. J.

An appreciation dinner was served Thursday evening to 100 persons by the Ladies Aid Society of the Springville Methodist church. The dinner was for the friends and their families who contributed in labor and funds to make the church building ready for use. The program included three numbers by a quartet from Adrian College and movies by Homer Harkness. The church will be formally dedicated July 10 when Bishop Marshall R. Reed of Detroit will be present.

Some 250 farmers were entertained at a Farm Show at the American Legion Home, Thursday afternoon, by W. E. Hughes and Jack Hughes. Barney Bogart of Wayne was the guest speaker.

Dr. and Mrs. Philip Sayre spent Thursday in Detroit.



NEW AIR TRANSPORT ITAN DELIVERED Largest of all commercial land planes shown above is the first double-decker, 75-passenger Stratocruiser delivered by Boeing airplane company to Pan American World Airways. It is planned to deliver 19 more such planes by August of this year. The plane has a normal operating altitude of 15,000 to 20,000 feet and a speed better than 300 miles per hour. The above photo graphically depicts the passenger capacity of the craft and its enormous size as compared with trucks

TIPTON

Mrs. Harvey Warner entertained twenty members of the Franklin Extension Club and Garden Club, Thursday afternoon. Mrs. Fritz Mattis was named representative to "Women's Week" at Lansing in July and Mrs. Grover Swarts the alternate. Preceding the lesson on "Remodeling of Clothing" by Mrs. Choyce Willnow and Mrs. Warner, a potluck dinner was served. A gift from the clubs was presented to Mrs. Roy Bishop, who, with Mr. Bishop, will leave soon to make her home in Memphis, Tenn.

Mrs. Thomas Boyd entertained the Pentecost Extension Club, Thursday evening, with Mrs. Fay Dowling assisting. Mrs. Robert Preston presented the lesson on "Remodeling of Clothing."

Mr. and Mrs. Don Goddard of Tecumseh showed pictures of their recent trip to Europe to members of the Forum Class who met Thursday evening at the home of Mr. and Mrs. Raymond Platt.

Thomas Platt is spending the spring vacation from Michigan State College with his parents, Mr. and Mrs. Raymond Platt.

Mr. and Mrs. Kenneth Dowling and family have moved from northeast of Clinton to the farm house of Mrs. Sylvia Ogden near Pentecost.

Mr. and Mrs. Lamont Simmons returned home last week after spending three weeks in the southern states, where they attended the Mardi Gras in New Orleans, and visited friends and relatives in Florida.

—o—

DID YOU KNOW—that some areas of the brain remain partially awake and on guard during sleep while the rest of the body slumbers on? Tests by the Mellon Institute in Pittsburgh revealed that these are the areas that keep the sleeper from falling out of bed when he gets too near the edge, or from pushing off the covers on a cold night. They also wake up the sleeping mother at the first cry from her baby, although she may sleep right through the shrill blast of a fire siren.

The mother who tells you her daughter has talent for music often does so to blind you to the fact that daughter pounds the piano because she would rather do that than wash dishes.

WORRIES

Statisticians at the University of Wisconsin have been studying the things that human beings worry about, and classifying them into various categories. They find that the average individual's worries can be divided under four headings. First, there are the things that never happened, which constitute 40 per cent of the worries. Second, there are things over and past that couldn't be changed by all the worry in the world, and they are another 30 per cent of the total. Third, there are petty worries and needless worries, which are 22 per cent. Finally, there are legitimate worries, and these are only eight per cent of the whole. What a lot of useless worrying the average individual goes through.

Another advantage of living in a small town instead of in a big city is that you don't have to wear out a pair of shoes here running out to see if the police have put a ticket on your car.

"No — THANKS!"

A farmer's barn burned down and the agent for the insurance company, explaining the policy that covered the structure, told him that his firm would build another barn of similar size instead of paying the claim in cash. The farmer was furious. "If that's the way your company does business," he exploded, "you can just cancel the insurance policy on my wife."

IKE HAILS RED CROSS . . . The national Red Cross campaign to raise 60 million dollars gets underway in Chicago with a distinguished cast. Left to right, Mayor Martin Kennelly, actress Helen Hayes, Gen. Dwight D. Eisenhower, and film star James Stewart. Gen. Eisenhower, speaking of the Red Cross, said that in war it was a "manifestation of American teamwork and American spirit." The national campaign was given chief impetus by a radio address by Harry S. Truman and aided by a galaxy of Hollywood and radio stars in a 30-minute program.

Do You Worry About Cancer?

HAVE A CHECK-UP, FIND OUT YOUR CONDITION, HEALTH DEPARTMENT SAYS

So you are worried about cancer?

Then use April—Cancer Control Month—to have a complete physical examination by your physician or local cancer detection center. That's the Michigan Department of Health's advice to you.

Early discovery is the strongest weapon in the battle against cancer. Most early cancer can be cured. X-ray, radium, or surgery can cure cancer, but their effectiveness is hampered when the cancer is not recognized and treated early.

Anyone with any of the seven signs of cancer should go at once to his physician for examination. Everyone should have regular examinations by his physician. Only a physician can diagnose and treat cancer.

These are the signs which may mean cancer and certainly should be checked by a physician.

1. Any sore that does not heal—particularly about the tongue, mouth or lips.
2. A painless lump or thickening, especially in the breast, lip or tongue.
3. Irregular bleeding or discharge from the nipple or any natural body opening.
4. Progressive change in color or size of a wart, mole or birthmark.
5. Persistent indigestion.
6. Persistent hoarseness, unexplained cough or difficulty in swallowing.
7. Any persistent change in normal bowel habits.

The most common sites of cancer in Michigan women are the breast, uterus and other female genital organs. The digestive tract is next most common. In Michigan men the most common site is the digestive tract, with the respiratory tract, second in order. While cancer occurred most frequently in the older age levels, it is not a disease of middle and late life alone. It caused more deaths of people under 20 years last year than any of the common communicable diseases.

Michigan cancer deaths appear to be increasing. The number of deaths attributed to cancer has increased 33 per cent in the past ten years. Some of the apparent increase is due to the fact that more cancer is recognized now, and some to the fact that more people are living past the age of 35 when cancer is more likely to occur. But some authorities believe that the incidence of cancer itself is increasing.

Call your physician for an appointment right now," the Department of Health counselled.

NEW DEEP-FAT FRYER HAS TEMPERATURE CONTROL

You don't have to know French to cook French fried potatoes, but it helps if you know the temperature of the fat. You can know just that with a new electrical appliance called Fryryte, which looks like a toaster but is a deep-fat fryer. A steel basket fits into the deep well in the center of the gadget. There is a dial which controls the temperature from 250 to 450 degrees F.

A traveling salesman was registering at a small hotel when a bed bug crawled slowly across the page of the register.

"Well," said the salesman. "I've been bitten by all sorts of bugs in all sorts of hotels, but this is the first time I've ever seen a bug come down to see what room I'll be in."

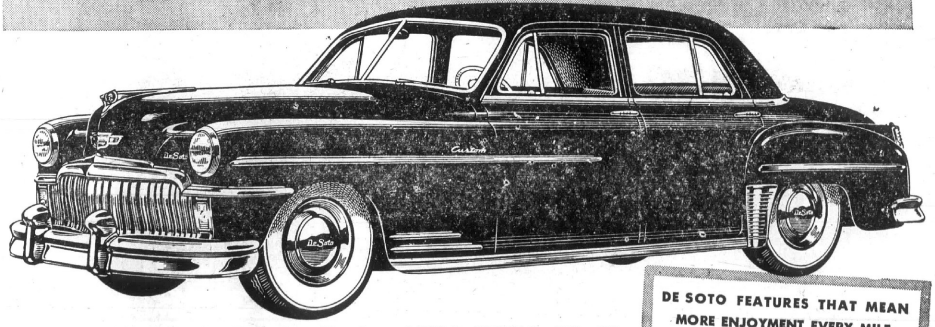
Brilliant new DE SOTO
gets tremendous welcome from public!



Come in and see "The Car Designed With YOU in Mind"

IT'S BRAND-NEW . . . so new that there aren't many on the streets yet. But already it's a tremendous success. And it's easy enough to see *why*.

Everybody wants a smart, good-looking modern car. But most of us don't want to pay a penalty for being modern. We want more room . . . more comfort . . . more visibility . . . *not less.*

That's where De Soto scores. It's got those long, low lines. But you don't have to wriggle into it. It has big wide doors. Plenty of headroom, too. The roof won't scrape your hat, no matter where you sit. It's roomier than ever.

It's no use having bigger windows and windshields unless you can see out of them. In the new De Soto you can . . . because you're sitting on chair-high seats. Even a short person can see over the steering wheel. Even a six-footer won't hit his knees on it.

You don't have to enlarge your garage to hold the new De Soto. You can still change a tire yourself. And a dent in the fender doesn't mean an expensive body repair job. Come in and see this wonderful car that lets you drive without shifting. Compare it with any other *at any price.* Then decide.

Tune in "HIT THE JACKPOT" every Tuesday night, all CBS stations
